

# 7TH-12TH DRESS CODE 2026-2027

*Bulloch Academy believes that developing good character includes being disciplined in the area of personal appearance and dress. We believe that the dress of a student has a direct influence on and relationship to his/her attitude and conduct. The appropriateness and modesty must reflect the highest standards of our school environment. Parental support of these standards is expected. Students are expected to arrive on campus in compliance with the dress code. The school administration will make all determinations regarding the appropriateness of apparel. Consequences for dress code violations can be found in the student handbook.*
