PHOTO OPT OUT

Every student now defaults to "YES" for participating in photos and photos being published in Freeman media like the Scottie Scoop, Freeman website, social media, Yearbook and classroom photo/activity updates. If you do not wish for your student's photo to be taken and published, please reach out to their building's office. If you do not contact us, then our understanding is that you are giving permission to take/publish their photos. If you have students in different buildings, please contact each building.

ALWAYS BRING YOUR DRIVER'S LICENSE

We are always happy to have visitors. Please know you must have your Driver's License to check in and get a badge to be able to walk down our hallways when school is in session. If you have to check in your student late, we encourage you to let them walk to class on their own. It becomes a big distraction when they walk into class late, especially with a parent.

You also need your Driver's License to check your student out of school early...so always having your Driver's License available at school is the best practice.

ATTENDANCE REMINDERS

You must excuse your students' absences and tardies within 10 school days. We will no longer accommodate parents calling months late asking to excuse all of their kids' absences.

If your student checks in alone and chooses Slept In and we have not had communication with a parent, this will be an unexcused Tardy (less than 15 minutes late) or unexcused absence if it is more than 15 minutes late. Please walk your student in or contact the office through the Attendance Hotline or e-mail to excuse any tardies and absences.

Please know that if your student misses more than 15 minutes in the first half or second half of the day, it is considered missing half a day. These half days can add up to a lot of absences. We understand that kids have appointments and other situations come up, but we want you to be aware of how this can affect their attendance.

It is part of our Attendance process to send out letters to parents regarding their student's attendance each year. Please know that this is to keep open communication between the school and the parents. Please reach out with any questions.

FRONT DOOR SIGNAGE

OUR SAFE LEARNING SPACE begins here

Help us create a safe and distraction free environment for our students.

AUTHORIZED PERSONNEL ONLY BEYOND THIS POINT.

You will need a valid badge or be granted temporary access by administration. Photo I.D. will be required.

Notice to Families: You may notice new signage posted on windows/doors on our campus identifying the end of public access areas and the beginning of secured school property. In recent months, school districts across Spokane have experienced an increase in visits from individuals commonly referred to as "First Amendment auditors." They are unidentifiable and intentionally film and post on YouTube on public property to test how organizations respond.

These signs are not in response to a specific incident at Freeman but are a proactive step to help clearly define public and secured areas, support consistent safety practices, and assist visitors in understanding where access is permitted. Our priority is to provide a safe, welcoming, and uninterrupted learning environment for our students and staff while respecting the rights of all individuals. Thank you for your understanding.

ATTENDANCE MATTERS

Missing a day of school here and there may not seem like much, but absences add up!

When a student misses 2 days a month..

- They will miss **20 DAYS** a year.
- They will miss **30 HOURS** of math over the school year.
- They will miss **60 HOURS** of reading & writing over the school year.
- They will miss over **1 YEAR** of school by graduation.

When a student misses 4 days a month..

- They will miss **40 DAYS** a year.
- They will miss **60 HOURS** of math over the school year.
- They will miss **120 HOURS** of reading & writing over the school year.
- They will miss over **2 YEARS** of school by graduation.

TRANSPORTATION INFO.

Dear Parents and Guardians,

At our school, the safety and well-being of your children are our highest priorities. To ensure a smooth, secure, and stress-free dismissal process for everyone, we need to have clear, consistent communication regarding how your student gets home each day.

Please take a moment to review our daily procedures and the safety requirements for making any changes to your child's routine.

 **The 2:00 PM Communication Deadline**

We deliver physical dismissal notes and updates to classrooms daily at 2:15 PM. To guarantee that your child's teacher receives the update before dismissal, all transportation changes must be submitted before 2:00 PM. Changes requested after this time cannot be guaranteed, as our staff is heavily focused on wrapping up instruction and preparing students for departure.

 **How to Report a Change**

To ensure accuracy and safety, we cannot accept verbal instructions from students. If your child's normal afternoon routine changes (e.g., riding a different bus, going to after-school care, or being picked up by a different adult other than registered guardians, even emergency contacts will need a note), you must notify us using one of the three approved methods:

- Send a note to the classroom: Write a clear, signed paper note and place it in your student's folder or backpack to hand to their teacher in the morning.
- Send an email to the office: Email our main office administrative staff directly. fesoffice@freemansd.org Please do not email the teacher for changes. Classroom teachers may not get the communication before the 2:00 deadline.
- Call the office: Phone the front desk directly to speak with an FES office representative.
- Rotating Schedule of Dismissal: If your child's schedule changes daily, such as T/TH Parent Pickup and M/W/F Bus. You need to send a note of the communication each day. With the number of students in our school staff is unable to track multiple students' varying schedules.
- All changes must be made by listed parents and/or guardians. Students may not use cellular devices (phones or watches) to make alternate arrangements during the school day.

 **Required Information for Changes**

When sending any communication, please always include:

- The student's full name and grade/teacher
- The specific change being made (e.g., "Parent Pick Up instead of Bus 4")
- The name of the authorized adult picking them up (if applicable)

Thank you so much for your partnership, understanding, and cooperation in keeping our students safe!

Information on SMS text messaging and Short Codes: SMS stands for Short Message Service and is commonly referred to as a "text message". Most cell phones support this type of text messaging. Our notification provider, SchoolMessenger, uses a true SMS protocol developed by the telecommunications industry specifically for mass text messaging, referred to as "short code" texting. This method is fast, secure and highly reliable because it is strictly regulated by the wireless carriers and only allows access to approved providers.

If you've ever sent a text vote for a TV show to a number like 46999, you have used short code texting.

*Terms and Conditions: Message frequency varies. Standard message and data rates may apply. Reply HELP for help. Text STOP to cancel. Mobile carriers are not liable for delayed or undelivered messages. See schoolmessenger.com/tm for more info.

FALL 2026

Welcome to the 2026-2027 School Year!

Dear Freeman Families and Community,

It is with tremendous gratitude and excitement that I welcome you to the 2026-2027 school year as your Superintendent. This year marks a special milestone in my own Freeman journey. Nearly 30 years ago, I began my career here as a teacher and coach. Since then, I have had the privilege of serving as an Elementary Principal, Assistant Superintendent, and now Superintendent.

Through every role and every season, one thing that has remained constant is my deep love for Freeman and my belief in the people who make this community so special.

There is truly only one Freeman. One community, one team, united by our commitment to every student. Together, we will continue building a culture of belonging, strong relationships, high expectations, and opportunities for every student to learn, grow and succeed.

It is an honor to continue to serve this community. Thank you for your partnership and support.

Go Scotties!

Superintendent

BACK TO SCHOOL

August 19th was a big day as we welcomed students back for the first day of the 2026-2027 school year! KXLY joined in the excitement to interview our new Superintendent, Lisa Phelan, new Elementary Principal, Mike Allen, and returning 2nd grade teacher, Emily Nelson. It was a beautiful day filled with smiles, excitement and the joy of having our students back on campus. We're looking forward to a wonderful school year ahead!

YOUR SAFETY, SECURITY & TECH LEVY DOLLARS AT WORK

Thanks to the generous support of our community through the Safety, Security & Technology Levy, which provides funding for calendar years 2026 and 2027, we were able to make a number of important campus improvements this summer. Levy dollars are helping us maintain safe, welcoming, and technology-ready learning environments across our schools. This summer's projects included:

- Crosswalk lighting and flashers to improve visibility and pedestrian safety - **\$42,000**
- Crack repair and resealing of parking lots and the FES/FMS playground - **\$34,743**
- Updated lighting in the TK-8 Multi-Purpose Room - proposal is **\$22,645**
- Gym floor refinishing at all three schools - **\$14,832** (paid by EP&O levy funds)
- FES playground bark replacement - **\$4,218**
- Technology repairs and updates across our campus - **\$525,000** (includes the items below)
 - Chromebooks - **\$283,000**
 - District DataCenter (including replacement of 28 servers that were end of life) - **\$126,000**
 - Network Switching (backbone of all connectivity for the district) - **\$116,000**

Thanks to student feedback from FHS and FMS, the district has added four new rapid flashing beacons at district crosswalks, along with lighting bars at our transportation entrances. These improvements enhance visibility in all conditions, support safe and independent crossing for students, staff, and community members and help strengthen a culture of safety throughout our community.

NEW CHROMEBOOKS!

One of the most exciting highlights of the start of the school year is the arrival of new Chromebooks for our students! After several years of challenges with aging devices, these new Chromebooks will provide students with more reliable and consistent access to the learning tools they use every day. We're excited to see our students put them to work!
