PRINCIPAL'S FLIGHT LOG

September is Attendance Awareness Month and at RWV we are striving for at least 95% attendance daily! We are looking for our Eagles to be on time and at school all day. Excused or unexcused absences are all missed opportunities for learning. Attendance can influence your Eagle's ability to read on grade level by the end of 3rd grade, as well as their yearly academic grade level success. We understand that illnesses happen, but we do ask that you prioritize your Eagle's education by having them attend daily!
