WHS CARING Closet

The Westlake High School Caring Closet is a safe, confidential place where students can get immediate assistance with everyday necessities during the school day, including personal hygiene products, clothing, and snacks.

How can a student access the Closet?

The Caring Closet is confidentially coordinated in the building by the school clinic staff and counseling office. Students and families with specific needs are encouraged to contact their students' WHS counselor.

How can you help stock the Closet?

You can purchase items directly from an online wish list at **bit.ly/whscaringcloset** or click here. If you find a similar item at another retailer, please check the "buying this gift elsewhere" option. The list will be adjusted based on donations and needs as they arise in our community.
Donations can be delivered to the WHS vestibule Monday - Friday 8AM-3PM.
Please label donations **ATTN: CARING CLOSET.**

Stay Connected

Sign up for WHS PTSA Eblast and stay connected with the needs of the WHS Caring Closet along with school announcements, important dates, program information, volunteer opportunities and more.

The WHS Caring Closet is a collaboration of the
Westlake High School Clinic, Counseling Office and WHS PTSA.
