WHAT DO WE OFFER?

At The English School of Asturias, we offer a comprehensive programme of extracurricular activities. Designed to complement the academic curriculum and support our students' personal growth, this programme provides a wide range of exciting and enriching options.

ORGANISED BY:

➤ Our programme is organised and coordinated by a team of professionals committed to the all-round development of our students.

This team includes teachers and instructors who are specialists in specific areas, supported by the school's administrative staff.

They all work together to ensure that each activity is safe, educational, and enjoyable.

➤ VARIETY OF ACTIVITIES:

We have a wide range of extracurricular activities, adapted to the different interests and talents of our pupils.

These activities cover areas such as visual arts, music, and technology, with the aim of inspiring your children to make constructive use of their free time — whether by acquiring new skills or channelling their energy and creativity.

➤ HOW TO SIGN UP:

To enrol your child(ren) in our extracurricular activities, please complete the form by clicking [HERE](#).

Please note: a separate form must be completed for each child you wish to enrol.

Payment for these activities will be made by direct debit and will be included in the school's monthly invoice.

Cancellations of extracurricular activities must be made by email to:

infoasturias@esa.dukeseducation.es.

Cancellations must be notified by the 15th of each month to take effect from the following month.

Extracurricular activities are invoiced on a full-month basis.

FOOTBALL ACADEMY IN PARTNERSHIP WITH FUNDACIÓN REAL OVIEDO!

This year, we are adding an exciting new feature to our educational and sports offer: we are launching our Football After-School Club, thanks to a new agreement signed between ESA and Fundación Real Oviedo. A unique opportunity to learn and enjoy football following the methodology of one of the leading clubs in the region.

- Complete training package: Includes two weekly regular sessions plus one dedicated technical skills session.
- Official competition: The opportunity to take part in the Juegos Escolares del Principado and the "Chupetines" League.
- Taster session: We offer a free trial session. Advance notification is required via infoasturias@esa.dukeseducation.es.
- Official kit: Wearing the Real Oviedo Football Academy kit is compulsory. You can view the catalogue by clicking [here](#) and select your sizes directly on the registration form. Orders will be available for collection at the school, and the cost will be added to your monthly invoice.

SPORTS SCHOOL 1

DAY	SCHEDULE
Mondays and/or Wednesdays	16:30-17:30h

Sports School 1 is designed for children aged 3 to 4 years and focuses on developing basic motor skills through a playful introduction to the world of sport. The activities are organised around two key environments — land and water — ensuring a holistic and progressive approach.

FROM **PRE-N**
TO **R**

SPORTS SCHOOL 2

DAY	SCHEDULE
Mondays and/or Wednesdays	16:30-17:30h

Sports School 2 is designed for children aged 5 to 6 years and focuses on developing more advanced motor skills, laying the foundation for more specialised sports practice. This stage maintains a progressive approach, integrating land and water-based activities at a higher level of complexity than Sports School 1, while also promoting social skills and educational values.

Year 9 - Year 13	Tuesdays or/and Thursdays	16:30-17:30h

➤➤➤ This extracurricular activity combines ballet, dance and rhythmic gymnastics, focusing on physical, technical and artistic development.

Throughout the course, motor coordination, flexibility, balance and muscular strength are developed progressively. The basics of ballet are introduced through fundamental positions and movements, alongside the foundations of contemporary and expressive dance to encourage creativity and body awareness.

**FROM Y2 TO
Y13**

SWIMMING

DAY	SCHEDULE
Tuesdays or/and Thursday	16:30-17:30h

An extracurricular swimming programme focused not only on learning how to swim, but on developing confidence, technique and skills in the aquatic environment.

Throughout the course, children progressively learn and improve the main swimming strokes (freestyle, backstroke, breaststroke and butterfly), with special attention to coordination and correct breathing. Physical conditioning is developed through age-appropriate exercises that enhance endurance and muscular strength. The programme also includes floating and body control skills to improve balance, alignment and safety in the water, as well as basic entry, exit and turning techniques.
