Photo of the Week

On Wednesday afternoon, CV athletics welcomed Omari Pearson, Founder & President of [Passion to Purpose](#). Omari has spent 12-plus years delivering leadership development, culture transformation, and high-performance training to a variety of companies, athletic organizations, etc.

Omari first held a small group session with CV's Student-Athlete Leadership Team to discuss career goals and how to determine the best path to reach those goals. He then spoke to all 300+ of our fall student-athletes and led them through an

activity on how to showcase their accomplishments not just in athletics but also in academics and life outside of school and sports.

See our [Facebook](#) and [Instagram](#) pages for more photos and videos!

In partnership with CVCCS, attendees at Friday's 7 p.m. home game against McCaskey are asked to bring a non-perishable food item. Donations will be collected at the ticket gates.

19 at the East Lampeter Community Park. SEEDS and Roundabout CV are also partnering with the event.

Finally, information was added about the [Dutch Lanes After School Bowling Program](#) was added. Available to students in grades 2-8.

[CV Cares](#) is a decades-old program designed to recognize CV employees who have gone above and beyond to make our students, parents and guardians, and community members feel welcome and supported. The recognition could be for a single extraordinary event or an ongoing pattern of positive interaction and support.

If you have had the opportunity to be on the receiving end of this type of engagement, take a moment to fill out the [online form](#) to recognize that special educator. Remember, an educator is anyone who has the opportunity to positively impact the life of a child. As such, an educator can be a bus driver, secretary, custodian, teacher, cafeteria worker, school counselor, administrator, or any other support or professional staff associated with CV.
