2026-2027 Suffield Academy Textbook List

September 4, 2026

Below is a list of required textbooks for the school year. We encourage you to shop around for the best prices via Amazon.com, Barnes & Noble and other reputable booksellers. Please read the special instructions for each department and follow the directions accordingly.

Before you purchase, please read the following:

1. ISBNs are assigned to each edition of a book. Please be careful that you are searching for the correct ISBN on the textbook buying websites. Entering an incorrect ISBN will result in purchasing the wrong edition and/or version of the book.
2. If purchasing an iBook, students must use **their own personal Apple ID** when ordering the book. Please do not use a family member's Apple ID.
3. Amazon.com and other web sites may offer textbooks to rent. If you choose to rent a textbook, please be sure that the rental is for the full trimester and/or academic year.

If you have any questions, please contact **Beth Bailey**, Assistant Business Manager at
