

9/4/26

TFMS Families,

I wanted to send out a couple of quick messages and an additional reminder about next week;

- Next week we will have our KONA Ice day on 9/9/2026. The last day for the pre-pay option is on 9/8/2026. Reminder: We will not accept dropped of funds for students on the day of the event, so you will have to pre-pay or send funds with your student.

- We will also have our required S.o.S. (Signs of Suicide) awareness information for students. Please see the attached letter for additional details.

- The KCSD no longer uses the standard Free and Reduced Form because all students are eligible for free breakfast and lunch, regardless of income status. This benefit is part of the KCSD's participation in the Community Eligibility Provision (CEP) under the National School Lunch Program. To ensure students are receiving ALL of the benefits available to them, we ask that all KCSD families fill out the Annual Household Income Form. Directions, questions, and concerns are addressed in this letter from the KCSD below.

Thank you and have a great extended weekend!
