PACE/Dual Enrollment Classes 2026-27

HCS #	HGTC	HGTC Course Name	Prerequisites / HCS Notes	Short Course Description
438901EW	ANT 101	General Anthropology	Must complete 1 social studies credit for HS diploma other than United States History and American Government and Economics prior to enrollment	Human cultures, societies, biological development, and how people adapt and interact.
352001EW	ART 101	Art History and Appreciation	No requirement/course note listed in the 2025-26 counselor document.	Art history and appreciation, including visual elements, styles, and cultural context.
955801EW	ART 105	Film as Art	No requirement/course note listed in the 2025-26 counselor document.	Film as an art form: storytelling, technique, genre, history, and critical analysis.
322801EW	BIO 101	Biological Science I	Requires successful completion of 3 high School science credits (must include HS biology) PRIOR to course enrollment	Cells, genetics, evolution, ecology, and scientific inquiry with laboratory study.
322901EW	BIO 102	Biological Science II	Prerequisite: BIO 101 and requires successful completion of 3 high School science credits (must include HS Biology) PRIOR to course enrollment	Biological diversity, classification, structure, and function with laboratory study.
326601EW	BIO 210	Anatomy and Physiology I	Requires successful completion of 3 high school science credits (must include HS Biology) PRIOR to course enrollment	Human anatomy and physiology, including cells, tissues, and major body systems; lab included.
326701EW	BIO 211	Anatomy and Physiology II	Prerequisite: BIO 210 and requires successful completion of 3 high	Continued anatomy and physiology emphasizing body systems, regulation, and integration; lab included.

			school science credits (must include HS Biology)	
323701EW	CHM 110	College Chemistry I	Requires successful completion of 3 high school science credits (must include HS Biology and Chemistry) PRIOR to course enrollment	College chemistry: atomic structure, bonding, reactions, stoichiometry, gases, and solutions; lab included.
323801EW	CHM 111	College Chemistry II	Prerequisite: CHM 110 and requires successful completion of 3 high school science credits (must include HS Biology and Chemistry) PRIOR to course enrollment	Continued chemistry: kinetics, equilibrium, acids/bases, thermodynamics, and electrochemistry; lab included.
335701EW	ECO 210	Macroeconomics	Requires successful completion of 3 high school social studies credits required for a diploma PRIOR to course enrollment	Macroeconomics: growth, inflation, unemployment, fiscal/monetary policy, and global issues.
335801EW	ECO 211	Microeconomics	Requires successful completion of 3 high school social studies credits required for a diploma PRIOR to course enrollment	Microeconomics: supply/demand, consumer choices, production, competition, and markets.
301502EW	ENG 101	English Composition I	To count as 4th English credit MUST be successfully completed with ENG 102	College composition emphasizing clear academic writing, revision, research, and source use.
301602EW	ENG 102	English Composition II	To count as 4th English credit MUST be successfully completed with ENG 101	Advanced composition emphasizing research, argument, critical reading, and documentation.
301902EW	ENG 201	American Lit 1	Requires successful completion of 4 English credits PRIOR to enrollment in the course if the course is being taken for elective credit	American literature from early America through the nineteenth century.

302001EW	ENG 202	American Lit 2	Requires successful completion of 4 English credits PRIOR to enrollment in the course if the course is being taken for elective credit	American literature from the late nineteenth century through contemporary writing.
303701EW	ENG 205	English Lit 1	Requires successful completion of 4 English credits PRIOR to enrollment in the course if the course is being taken for elective credit	British literature from its beginnings through the eighteenth century.
303401EW	ENG 206	English Lit 2	Requires successful completion of 4 English credits PRIOR to enrollment in the course if the course is being taken for elective credit	British literature from the Romantic period through modern/contemporary writing.
301701EW	ENG 208	World Lit 1	Requires successful completion of 4 English credits PRIOR to enrollment in the course if the course is being taken for elective credit	World literature from ancient/classical traditions through the early modern period.
301801EW	ENG 209	World Lit 2	Requires successful completion of 4 English credits PRIOR to enrollment in the course if the course is being taken for elective credit	World literature from the modern period to the present across diverse cultures.
402300EW	ENG 214	Fiction	Requires successful completion of 4 English credits PRIOR to enrollment in the course if the course is being taken for elective credit	Short stories, novellas, and novels with emphasis on literary analysis and interpretation.
403300EW	ENG 218	Drama	Requires successful completion of 4 English credits PRIOR to enrollment in the course if the course is being taken for elective credit	Drama as literature, including major plays, dramatic forms, themes, and interpretation.

403401EW	ENG 230	Women in Lit	Requires successful completion of 4 English credits PRIOR to enrollment in the course if the course is being taken for elective credit	Literature by/about women, exploring identity, culture, history, voice, and literary traditions.
402301EW	ENG 236	African American Lit	Requires successful completion of 4 English credits PRIOR to enrollment in the course if the course is being taken for elective credit	African American literary traditions, authors, historical contexts, themes, and culture.
331501EW	GEO 101	Introduction to Geography	Must complete 1 social studies credit for HS diploma other than United States History and American Government and Economics prior to enrollment	Geographic concepts, maps, population, culture, resources, regions, and human-environment interaction.
331401EW	GEO 102	World Geography	Must complete 1 social studies credit for HS diploma other than United States History and American Government and Economics prior to enrollment	World regions through physical geography, culture, population, economics, and politics.
336601EW	HIS 101	Western Civilization to 1689	Must complete 1 social studies credit for HS diploma other than United States History and American Government and Economics prior to enrollment	Western civilization from ancient societies through 1689.
336701EW	HIS 102	Western Civilization Post 1689	Must complete 1 social studies credit for HS diploma other than United States History and American Government and Economics prior to enrollment	Western civilization from 1689 to the present.
415501EW	MAT 122	Finite College Mathematics	Requires successful completion of 4 high	Finite math for business/social sciences:

			school math credits PRIOR to course enrollment	logic, matrices, probability, and applications.
413901EW	MAT 130	Elementary Calculus	Requires successful completion of 4 high school math credits PRIOR to course enrollment	Applied calculus: functions, limits, derivatives, integrals, and practical applications.
356501EW	MUS 105	Music Appreciation	No requirement/course note listed in the 2025-26 counselor document.	Music elements, styles, composers, history, listening, and appreciation.
339001EW	PHI 101	Introduction to Philosophy	No requirement/course note listed in the 2025-26 counselor document.	Major philosophical questions involving knowledge, reality, human nature, freedom, and meaning.
905300EW	PHI 105	Introduction to Logic	No requirement/course note listed in the 2025-26 counselor document.	Logical reasoning: arguments, fallacies, deduction, induction, and evaluating evidence.
333202EW	PHI 110	Ethics	No requirement/course note listed in the 2025-26 counselor document.	Ethical theories and their application to personal, social, professional, and contemporary issues.
324702EW	PHY 201	Physics 1	Requires successful completion of 3 high school science credits (including biology) PRIOR to course enrollment	Algebra/trigonometry-based physics: motion, forces, energy, and momentum; lab included.
324801EW	PHY 202	Physics 2	Requires successful completion of 3 high school science credits (including biology) PRIOR to course enrollment	Continued physics: electricity, magnetism, waves, optics, and modern physics; lab included.
333101EW	PSC 201	American Government	Requires successful completion of 3 high school social studies credits required for a diploma PRIOR to course enrollment	American government: Constitution, federalism, institutions, civil liberties, elections, and policy.

337101EW	PSY 201	General Psychology	Must complete 1 social studies credit for HS diploma other than United States History and American Government and Economics prior to enrollment	Behavior and mental processes: learning, memory, development, personality, and social behavior.
334301EW	PSY 203	Human Growth and Development	Must complete 1 social studies credit for HS diploma other than United States History and American Government and Economics prior to enrollment	Human physical, cognitive, social, and emotional development across the lifespan.
334701EW	SOC 101	Introduction to Sociology	Must complete 1 social studies credit for HS diploma other than United States History and American Government and Economics prior to enrollment	Society, culture, institutions, groups, inequality, and patterns of social behavior.
365701EW	SPA 101	Elementary Spanish I	Requires the successful completion of 2 HS Spanish credits PRIOR to course enrollment	Beginning Spanish speaking, listening, reading, writing, vocabulary, grammar, and culture.
365801EW	SPA 102	Elementary Spanish II	Prerequisite SPA 101 and requires successful completion of 2 HS Spanish credits PRIOR to course enrollment	Continued beginning Spanish with expanded communication, grammar, vocabulary, and culture.
304501EW	SPC 205	Public Speaking	No requirement/course note listed in the 2025-26 counselor document.	Public speaking: audience analysis, organization, research, delivery, and persuasive/informative speeches.
452701EW	THE 101	Introduction to Theatre	No requirement/course note listed in the 2025-26 counselor document.	Theatre as an art form: literature, acting, directing, design, production, and history.
