Tutoring works best when a student comes prepared with questions or specific assignments on which they need assistance. Get the most out of your tutoring experience by being prepared. Come regularly or as needed! You do not have to stay the entire time.

Activity buses are available on Mondays and Wednesdays at 4:30pm. Students must have a bus pass from the tutor to ride the activity bus.

We are also offering virtual tutoring AND face-to-face tutoring 5-8pm Monday to Thursday in the library (only enter/exit the library's exterior door #8). To engage in virtual tutoring, use click [link](#) or scan this QR Code. Please stay in the waiting room until the teacher admits you to the session. If the teacher is busy assisting other students, he or she may reach out to you and recommend a good time to reconnect.
