

37ECB COMMUNITY SCHOOL

Operated by the San Diego County Office of Education, 37ECB is a community school where belonging, support, and opportunity come together. Serving students in grades 7 to 12 who have been referred by one of the 42 school districts in San Diego County, 37ECB offers small class sizes, personalized support, and engaging learning experiences through traditional classroom and independent study programs.

Our programs include career technical education, visual and performing arts, leadership development, and college and career readiness – creating pathways to a high school diploma, the HiSET exam, and a future without boundaries.

37ECB offers two program formats, including a seat-time arrangement and an independent study model. All community and courts schools are accredited by the Western Association of Schools and Colleges.
