Lakewood High School
2026–2027 Profile

The Community

The city of Lakewood is an inner-ring suburb of Cleveland. The city's 5.6 square miles are home to about 48,841 people, making it the most densely populated city between Chicago and New York. We are an economically diverse community known for our wide range of housing from modest rental double homes and apartment buildings, to luxury condos and stately colonials. Community involvement is an integral part of the city's identity and a key component to both the city's and school's success.

The School

The Lakewood City School District is committed to fostering excellence across academics, the arts, sports, and community service. Our high school serves a vibrant student body of 1,388 individuals, representing 29 different languages. At LHS, students have access to nearly 200 courses, including 25 Advanced Placement classes, and can engage in a diverse array of over 45 clubs and 28 varsity sports. Our school is proudly accredited by both the Ohio Department of Education and the North Central Association, reflecting our dedication to high standards of education. Beyond the traditional curriculum, we offer innovative programs such as on-site college credit courses, a comprehensive career technical program, and an online digital academy. These opportunities empower students to pursue their unique educational paths and achieve their goals.

LAKEWOOD HIGH SCHOOL GRADING SCALE

Letter Grade	Percent Range	College Prep	Advanced	AP
