Culford

PUPIL AND PARENT GUARDIAN RELATIONSHIP POLICIES

E – NEWSLETTERS AND CULFORD POST

The School communicates to Parents and Guardians via Culford Post which is hosted by Schoolpost. We use MailChimp and SurveyMonkey

We gather statistic about emails opened and number of clicks to help the school monitor and improve our communication platforms.

INDIVIDUALS WHO CONTACT US VIA SOCIAL MEDIA

The school uses Instagram, Facebook, Twitter, LinkedIn and Google to build relationships with parents, pupils and friends of Culford School.

Please click on the links above for more information on their compliance to data protection laws.

VISITORS TO OUR WEBSITE

The Culford website is hosted by Finalsite UK. When you visit www.culford.co.uk we use a third party service via Finalsite UK, Google Analytics to collect internet log information and details of visitors' behaviours whilst using the website. Our marketing department use this information to understand the number of visitors to the website and which parts of the website attract the most use. If we wish to collect personally identifiable data through the website, we will make it clear this is what we are doing and we will explain what we intend to do with it.
