CALL TO ORDER

The meeting of the Citizens' Oversight Committee was called to order by Kevin Borum on June 3, 2026, at 3:30 p.m. in the Purchasing Department Conference Room.

Members Present: Kevin Borum, Felicia Ferrell, Edith Hernandez, and Mark Lademora. Apologies: Shaun Gabriels.

District Staff: Sharon Clay, Richard DeJarnett, Sharon Dobbins, Jon Guertin, Vickie Hayman, Eric Johnston, and Lisa Krueger.

WELCOME, ROLL CALL

Kevin called the meeting to order and welcomed everyone, thanking them for their attendance at the meeting.

Sharon introduced Eric Johnston, the new Director of Maintenance and Operations and welcomed him to the meeting.

APPROVAL OF MINUTES

The minutes of the meeting on March 4, 2026, were approved on a motion made by Felicia, seconded by Edith and carried 4-0.

CURRENT (SENIOR) MEMBER VACANCY

Sharon [Dobbins] shared that James [Sly] is unable to continue as a member of the committee due to a new job. This creates a new vacancy. She has received some interest but has yet to receive any new applications.

Sharon [Dobbins] continued that there is still an additional vacancy on the oversight committee, which must be filled by a member of a senior citizen's organization. Information regarding the vacancy and the application can be found on the Cajon Valley Union School District website or by contacting Sharon at dobbinss@cajonvalley.net.

MEASURE EE BUDGET UPDATE & REVIEW

Sharon reviewed the Measure EE budget and expenditure reports dated 05/29/26, sharing that not much has changed since the last meeting; $13 million has been issued to date. She explained that the bond program, authorized by voters in 2016, had been progressing steadily until spending dropped significantly in 2020-21 due to the availability of federal COVID stimulus funds. Those funds were used to support classroom technology purchases, including student Chromebooks, allowing Measure EE bond funds to stretch further.

With stimulus funding no longer available, Measure EE spending has returned to the originally anticipated levels. Sharon reported that the fund balance as of 05/29/26 was $2,516,805.88, and the remaining $7 million in bond authorization is expected to be issued in late 2026. Those funds are projected to support classroom technology expenditures through approximately 2028.

Sharon referred to the Measure EE Technology Bond report, noting that funds for student Chromebooks for the 2026/2027 year have been encumbered but not yet invoiced/paid.

UPDATE ON SFID's AND NOVEMBER 2026 BOND ELECTION

Sharon provided an update regarding the proposed November 2026 bond measure and formation of School Facility Improvement Districts (SFID's). The Governing Board did approve formation of the SFID's; however, only 3 of the 5 Board members voted to place the bond on the ballot. A "super majority" (4 yes votes) is required; therefore, the item did not pass.

Sharon reminded the committee that many CVUSD schools are currently eligible to receive state-matching funds, with several other schools becoming eligible over the next few years. If a bond were to pass in the future, the District could potentially access these funds.

ADJOURNMENT

The meeting was adjourned at 3:46 p.m.
