Boys Basketball: Coach Ayala
Running Club: Coach Blue
Chess: Coach Zupetz

A Message From the Pensar Academy Athletic Director

I am excited to introduce myself as Pensar Academy's Athletic Director! Athletics have always been a passion of mine. As a former collegiate basketball and tennis player and a coach in the Valley for more than 30 years, I have seen firsthand the incredible impact sports can have on young people.

At Pensar, athletics are another way we live Ubuntu: "I am because we are." Sports teach grit, teamwork, hard work, how to learn from a loss, and how to win with grace. They challenge students to become their best while learning that we accomplish more together than we ever could alone. I'm incredibly excited to lead Pensar Athletics and build a program that is competitive, positive, fun, and filled with Ubuntu spirit!

Let's lock in and go get it Bulldogs!
Coach Zupetz
