

MENTOR COMMUNITY OF PRACTICE

Meeting Schedule: 3rd Thursday of each month (Sep-Mar)
from 4:15 pm to 5:45 pm

The Willamette Valley Regional Educator Network has partnered with Educators Thriving to offer three virtual professional learning sessions. These sessions will focus on topics identified directly through educator feedback, ensuring the learning is relevant and responsive to educators' needs.

Each virtual session will provide opportunities to learn and practice strategies introduced by the Educators Thriving team. In subsequent sessions, participants will also have dedicated time to reflect on their experiences, share what they've tried, and problem-solve together around challenges and successes in putting the strategies into practice.
