School Year Enrichment Program 2026-2027

Morning & Afternoon Extended Day Enrichment

Exciting Enrichment courses, Arts-in-Education shows, and activities are offered in both programs

Are you currently operating an extended day program?
Does your district wish to start a program?

Take advantage of an opportunity to give your students the benefit of an extended day program in their school. The program includes STEAM-based (Science, Technology, Engineering, Art and Mathematics) and SEL (Social and Emotional Learning) enrichment opportunities combined with homework assistance. The program is run by Eastern Suffolk BOCES under the supervision of an ESBOCES appointed director and staff. The district can choose the extended day hours and locations. Current programs operate:

- Before school from 7:00 a.m. to the start of school
- After school from dismissal to 6:00 p.m.
