Important payment information

Payments made at a Wells Fargo branch

You may use cash or checks when making payments at a Wells Fargo branch.

Payments by mail

Mail your check and the payment coupon to the Payment Remittance Center address printed on this statement. For fastest delivery, please use the enclosed window envelope. If using a single check to pay multiple accounts, we must receive a completed payment coupon for each account being paid or a list showing the full account number and amount to be credited to each account. If you are paying multiple accounts with a single check, the total of the check must equal the sum of the payments to be applied to each individual account, with at least the total minimum payment due for all accounts. We cannot accommodate a check with a future date on it (postdated check). If you mail a postdated check, it will be processed on the date we receive it (regardless of the date on the check). To schedule a future-dated payment, sign on to the Wells Fargo Mobile App or [wellsfargo.com](https://www.wellsfargo.com) or call us.

Payments by phone

If you are authorized to transact on the account, you may be able to initiate a payment by calling the Customer Service number listed on the front of this statement.

Payments made using Wells Fargo Online Banking or Wells Fargo Mobile

If you have access to the account via Wells Fargo Online Banking or Mobile you may be able to make a payment depending on your level of access.

Automatic Payments

You can establish automatic payments to this credit account from a Wells Fargo deposit account or any other financial institution. For enrollment information, please contact our Customer Service number listed on the front of this statement.

Timing of payment by mail or payments made at a Wells Fargo branch

Payments that are received at the designated payment processing address (printed on each statement) by 5:00 p.m. on any business day will be credited as of the day of receipt. Payments received after 5:00 p.m. or on non-business days may be credited as of the next business day.

When a payment is considered late

If your payment is received or initiated any time after the Due Date, it is considered late and your account will be subject to a late fee.

Promotional rates

All promotional rates are subject to early termination if there are late payments or other defaults. Please see sections “Default” and “Remedies” in your Cardholder Agreement.
