Sept. 16th - Open House
4:30-6:00pm

Sept. 29th - Picture Day

A Note From Principal Moser

Our first week of school has been terrific.

There have been giggles and smiles, and proclamations of "this was the best day ever", which is what we want to hear from our eager little learners!

A few reminders:

1. You may have noticed that drop off/pick up can be challenging. We thank you for your patience as we get the kids and adults used to the routine. Please see the email I sent earlier this week with important details regarding drop off/pick up.

2. If you are changing pick-up plans for your child, please make sure you call the front office to notify us by 2:30pm each day.

3. If your child has completed the Principal's Reading Challenge over the summer, please make sure you turn in the forms by Friday, September 25th.

4. From this point on, please plan to drop your children off at the front entrance between 7:45 and 8:15am. Parents will not be allowed into the building unless they are an approved volunteer.

5. For student safety, cars are not permitted to drive in the bus loading/unloading zone. Please plan accordingly.

6. Students needing something to drink with their lunch brought from home. may have milk. Milk is available for \$0.75 if you'd like to purchase a drink for your child.

See you next week!

Mrs. Moser

P.E. NEWS

Hello Clemens Families,

My name is Mr. Nick Burnett. I am the Physical Education teacher between Blodgett Grade School and Clemens Primary. This is my fifth year teaching PE at Blodgett and Clemens and in this District. I am excited to begin working with the students covering a subject matter that I love! Sport, movement, and play are important things to me personally and a big part of my lifestyle. I like to move my body and I really enjoy working with youth. My goal is for students to really enjoy class and learn a lot.

For safety reasons, it is important that students wear athletic shoes or running type shoes that support the ankle and cover the whole foot. They may keep a pair at school to change into before class if they wish. In class we work on fundamental movement skills, sport skills, performing simple exercises, and cooperation/teamwork. If you need to talk with me about anything, feel free to email me at Nicholas.burnett@philomath.k12.or.us. Look for future P.E. news articles in the Cub Updates!

Thanks

Mr. Nick Burnett
