Dear Parents,

Congratulations to our 4th graders completing their first full week!

Please encourage students to practice their multiplication and division facts on a regular basis at home. Our Dimension math curriculum assumes that 4th graders have rote memorization of their facts at this point. Regular practice will help with homework fluency.

Grandparent's Day will be on September 17th. All students should have brought home a permission slip form, *in place of the previous online permission process*.

We hope you enjoy the long weekend! FYI-Our specials rotation will shift for the first time due to the holiday on Monday.

Thank you,
The 4th Grade Team

Character

Character Focus for the Year:

Courage with specific attention to the Titan's Creed line: "Striving to be our best, do our best, and give our best to the world, in mind, body and spirit. We are Titans!"

4th Grade Character Focus for September-

Love of Learning: mastering new skills and knowledge; systematically adding to what you know.

4th Grade Absent Work Policy:

Please continue to study your spelling words, recitation, and math facts. (Spelling lists are provided on the TCA website and in homework binders). *It is the student's responsibility to check in with their teachers upon returning to school for other missing assignments, etc. It is also the student's responsibility to check with their Core-Knowledge teacher (History/Science), for any missed assignments.* Some subjects cannot be re-taught and may require extra time, such as literature, writing, and grammar. As part of a Classical Education, students should be reading for enjoyment a minimum of 20 minutes per day.
