GRANDPARENTS & SPECIAL FRIENDS' DAY

Welcome to Grandparents & Special Friends' Day!

We are excited for you to experience the joy, curiosity and immersive learning that are essential parts of our school. Parent volunteers, faculty and staff will be on hand to guide you throughout the day!

Get an Inside Look

Every guest will have the opportunity to visit their student's classroom, wander through campus and enjoy student performances. Your personalized schedule gives locations and times for scheduled and optional activities.

Lunch Together

Check in on the Campus Green (for Elementary and High School visitors) or the Junior High Building and then join other grandparents and special friends for coffee and pastries.

Catered lunches will be provided for grandparents and special friends. Please note that your student will bring their own lunch for the day, but we hope you will enjoy eating together! If you are visiting multiple students, please coordinate with your family to choose which lunchtime works for everyone.

See your personalized schedule for your suggested lunchtime.

Enjoy Paideia's Talent!

Experience the musical stylings of Paideia's very own High School Concert Band and Jazz Ensemble on the Plaza. Our talented students will play a variety of selections from popular songs and movie tunes to more traditional concert band pieces.

Stop by the High School Art Lobby or the Junior High Commons to see the most recent student artwork on display.

36 Years of Building Memories: Grandparents & Special Friends' Day at Paideia

The tradition of Grandparents and Special Friends' Day at Paideia was established 36 years ago in 1990. Nearly 200 grandparents attended the first Grandparents' Day in the spring of that year. The event gave grandparents an opportunity to see what Paideia is all about, and gave students a chance to share their school experience with their grandparents. The second Grandparents' Day was held in October 1991, the day before the Fall Barbecue, so families could enjoy a full weekend together at the school—a tradition that continues today!

The name *Paideia* evolved through ancient Greece and means "the pursuit of educational ideals by a community for its young." As grandparents and special friends of our students, you are an essential part of our community, and we celebrate that bond each year at Grandparents and Special Friends' Day. We hope you will enjoy making memories with your students on campus and getting to experience what makes the Paideia community so special.

We are so glad you are joining us!
