Cold Stream Alternative Welcome's YOU!!

Cold Stream Alternative (CSA) is a learning community that offers students rigorous instruction through an independent study teaching model. Students are encouraged to challenge themselves in their academics and in extra-curricular activities while enrolled in CSA. Our school community is actively involved and supportive of our students' social and cultural growth as lifelong learners. We believe CSA students come to school as special human beings, unique in their own physical, social, intellectual and emotional development. We believe that students have the right to an environment that encourages student development through rigorous, relevant, and relationship based learning opportunities. An environment that is safe, clean and drug free, celebrates social, emotional, academic, and athletic achievement and where people are treated equally, fairly, respectfully and courteously. To ensure these rights, students will be encouraged and supported to develop into responsible global citizens so they may reach their full potential, strive to acquire an understanding that learning is a lifelong process and achieve academic excellence by developing skills necessary to participate successfully in society as responsible.

MISSION STATEMENT

Our commitment is to provide TTUSD students with an alternative educational option to succeed in meeting all state standards for graduation; to produce young people who can think and learn **versus** those who memorize facts without internalizing the information; and to ensure that every student is prepared to succeed in postsecondary education and careers.

VISION STATEMENT

Cold Stream Alternative is a unique blend of students, educators, family, community members and support staff who, as role models and mentors, are vested in creating a high quality, nurturing, and safe learning environment. Cold Stream Alternative is dedicated to providing our students with the education, guidance, and support necessary to succeed in all aspects of life.

Cold Stream Alternative endeavors to provide a comprehensive, standards-based education while preparing our students for employment and socially responsible living. Our standards of education include an emphasis on such skills as problem solving, reading, writing, communication, cooperation, collaboration, and technological mastery. These skills are achieved by utilizing a variety of teaching modes adaptable to different learning styles. Progress is assessed through authentic measurements including performance -based outcomes.

Cold Stream Alternative is dedicated to providing an environment where students become self-directed and responsible learners. As self-managers, each student takes responsibility for his or her own performance, choices, and actions; each student manages time well; each student deals with changes in the workplace (school) maturely.

Cold Stream Alternative is an empowering educational program, where students can challenge themselves both personally and socially in a dynamic educational setting. As the only alternative independent study program available to the Tahoe Truckee community, CSA provides individualized and personalized educational, emotional, and social developmental opportunities increasing the likelihood that many students will successfully complete their secondary education.

GENERAL INFORMATION

Admission

Students requesting CSA classes from within Tahoe Truckee Unified School District should go through the appropriate referral and withdrawal procedure through the school's counselor and administrator. Students on a current IEP will have an intake IEP meeting to determine appropriate placement. Any new students to the district should contact the school for further information regarding enrollment/admission to the program. Cold Stream Alternative currently offers independent study for grades 8-12.

An **intake orientation** for all new students under the age of eighteen and their parent(s) and/or guardian is required. This orientation will familiarize new students to all policies and procedures for Cold Stream Alternative (CSA), including the attendance policy.

Cold Stream Alternative has an open enrollment /exit policy. Enrollment may be closed when the school's enrollment cap has been reached. **Proof of residency (physical address) is required for those new to TTUSD.**

Students who exhibit inappropriate behavior such as defiance of school authority, disruption, excessive truancies/tardiness, and failure to earn credits will be exited from CSA.

Credit Earning

A variety of methods for granting students credit at CSA have been developed. The most common methods for granting credit for classes include the competency-based system, the performance learning, and the productive-hour system.

Competency-based system. Credit is earned if students demonstrate their prior learning through an assessment component. Minimum competency is 70% or better. Students who fail to meet the minimum competency after the first attempt are required to complete the required coursework for credit.

Performance learning. Students are made aware of learning outcomes and standards required to demonstrate mastery (rubrics) and are provided with the work, help, and time necessary to achieve those outcomes. Students are not required to spend a specified amount of time on the work. Performance learning allows granting of credit whenever the outcomes are achieved and demonstrated at minimum competency of 70% or better.

Grading

A minimum competency of "C-" (70%) or better is required on all assignments, tests, projects, and other assessments to earn course credit. A student may retake exams and assignments until competency is attained. Retakes or make-ups may not earn over 70% or C-.

ACADEMIC HONESTY AND PLAGIARISM POLICY

The primary goal of any educational institution is to promote the pursuit of intellectual integrity. Cold Stream Alternative believes that education should reinforce the values of our democratic society, teach citizenship, and provide an environment conducive to ethical behavior. Cold Stream Alternative believes that the school should maintain a climate in which honesty, courtesy, consideration, integrity and concern for others are highly valued.

Cheating is an obstacle to achieving these goals. In any of its forms, for whatever reason, cheating denies the value of education. Cold Stream Alternative strives to put the importance of learning above the importance of grades and to convince students that their best efforts are all that anyone should expect.

Definition

Cheating is taking or lending at inappropriate times a person's work, information, ideas, research, or documentation without properly identifying the originator. The teacher's professional judgment will determine whether cheating has occurred. Students are reminded not to give the instructor cause to consider their actions to be in violation of CSA's academic honesty policy. To avoid inadvertent dishonesty on a student's part, the following list, which is not intended to be all-inclusive, delineates a variety of methods and examples of cheating:

- Looking at someone else's paper during an exam, test or quiz
- Using an electronic device to copy or solicit or view tests, quizzes and other information not to be shared
- Talking with another student during an exam, test or quiz
- Using any kind of "cheat notes"
- Letting someone else see one's own or another's paper during an exam, test, or quiz
- Copying work assigned to be done independently or allowing someone else to copy one's own work or another's work, including computer generated information and programs
- Copying or closely paraphrasing sentences, phrases, or passages from an uncited source while writing a paper or doing research
- Submitting individual projects not wholly one's own
- Fabricating or altering laboratory data

The site administrator will make the final decision regarding cheating; consequences will be appropriate according to the severity of the offense.

DISCRIMINATION/HARASSMENT POLICY

TTUSD board of trustees recognizes that the district has primary responsibility for ensuring that it complies with state and federal laws and regulations of government educational programs. The district shall investigate and seek to resolve complaints at the local level. The district shall follow uniform complaint procedures when addressing complaints alleging unlawful discrimination or failure to comply with state or federal law in adult education, consolidated categorical aid programs, migrant education, vocational education, child nutrition, and special education programs. Complaints should be filed with the district superintendent. Copies of policies and procedures are on file at the school site.

TTUSD does not discriminate in its educational programs and personnel practices on the basis of race, ethnic background, sex, gender, gender identity, gender expression, sexual orientation, color, religion, national origin, ancestry, age, physical handicap or medical condition or association with a person or a group with one or more of these actual or perceived characteristics. This nondiscrimination policy applies to students, employees, and prospective employees of the district.
Cold Stream Alternative does not discriminate based on actual parental, family or marital status, and prohibits differential treatment of students based on the basis of sex.
Students: If you feel you are the target of any type of harassment, you should:

- Know your rights under the harassment policy
- Tell the harasser their words/actions are offensive and to stop
- Avoid being alone with the harasser
- Report the incident to one of the following: Principal, Assistant Principal, Counselor, Teacher, Nurse, District Psychologist, or other staff members
- Record the incident in writing. Write down what happened, where it happened, when it happened, who else was present that saw or heard it, and how you reacted. Save any notes or pictures you receive from the harasser.
- Ask any witnesses to write down what he/she saw or heard without any help from you or anyone else. Write dates and time if possible
- Be aware that you can make a formal complaint on the forms available in the office
- Use the WeTip hotline to anonymously report

SUBSTANCE INTERVENTION POLICY

Brief Intervention Tool

If you are caught under the influence and/or in possession of drugs/alcohol and/or paraphernalia you will be required to complete two, 60 minute sessions of Brief Intervention counseling with our school counselor. This is an addition to discipline measures determined by the Principal and will take place after school instruction has ended. For more information about Brief Intervention Counseling for Substance Using Adolescents please see the school counselor

CELL PHONE POLICY

1. All students will put their phone away upon entering the school building.
2. Students will not have cell phones during school.
3. Students can retrieve phones when they leave the school building.

Cell Phone Violation Matrix

1st offense: Cell phone or electronic device will be confiscated and returned to the student at the end of the school day.

2nd offense: Cell phone or electronic device will be confiscated until the end of the day and a parent meeting will be required with administration.

3rd offense: Phone is turned into administration or administrative school secretary for a set amount of days per principal discretion.

All subsequent offenses or failure of the student to release their cell phone or electronic device to staff may result in disciplinary action.

DISTRICT CELL PHONE/ELECTRONICS POLICY

The Superintendent or designee shall confiscate beepers/cell phones and/or other electrical devices from students if devices are activated during school time or used to promote illicit activities such as cheating. The presence of a beeper/cell phone may be cause for further search. The superintendent or designee may require a parent to claim the device that has been confiscated. Habitual offenders will be denied the possession of their device for the remainder of the school year. (48900 K) (Cr. 5144 - Discipline)

ATTENDANCE POLICY

Attendance

Students enrolled in a CSA class or classes are required to meet with their teacher one day per week for one hour as scheduled by their teacher per class. If a student has more than one CSA class, they are required to meet individually for each class enrolled for a one hour session with their teacher(s). Students are required to attend class on time and remain for the full hour.

Absences

A parent or guardian or student should notify the teacher as soon as possible on the day of the absence. Absences (excused or unexcused) will be counted as five days when they miss their weekly appointment with their teacher. When a student does not complete the five days worth of work given, each day of work not submitted, will be counted as a day of absence. Students who have 15 absences will be dropped from CSA.

Attendance Matrix

5 Absences *(excused or unexcused): A warning email message will be sent to the parent/guardian.*
10th Absence *(excused or unexcused): A meeting with the school administrator will be required.*
15th Absence *(excused or unexcused): Student will be dropped from CSA.*

Tardies

Any tardy more than 15 minutes late will be considered one day of absence.

OTHER STUDENT SCHOOL POLICIES

Incomplete Work

An incomplete mark may be given by a teacher when a student does not complete required assignments. The teacher will determine the final due date for all make-up assignments. Students may receive partial credit in a course.

Student work may or may not be provided for excused absences based on the discretion of the teacher. All tests will be made-up in the presence of the teacher. Written or verbal verification must be provided within five days by the parent or legal guardian.

NOTE: An unexcused absence and/or suspension does not entitle a student to make-up work or retake a test.

Work Permits

Work permits are only issued for full-time CSA students. All "single subject" students must pursue their work permit through their home high school (NTHS or THS). Work permits may be obtained for students ages 14-17. Students must arrange work hours around scheduled school appointments. Students must maintain a "C" average, remain academically productive and meet the attendance requirements (less than 10% absences per quarter). Work experience credit may be earned with a valid work permit on file. The school site administrator and/or parent/guardian maintain the right to pull or deny a student's work permit for failure to meet any of the above requirements.

Data Confirmation

Data must be updated for each student online before the first day of class. Students are required to have on file: parent(s), guardian(s) home, work, and mobile telephone numbers; names(s) and home number(s) of person(s) authorized by parent or guardian to be called in case of accident or illness; emergency instruction in case of accident or illness; signature(s) of parent(s) or guardian(s). Students will not be released from school without the permission of a parent/guardian or person who is listed as an emergency contact.

Snow and Closure Days

When school cannot be in session due to weather or for some unforeseen reason, the school closure information, whether the school is closed or open, is posted on the district website (www.ttusd.org). A district automated phone call will also be sent out by 6:00 a.m.. ***NOTE: There are some days that might be a "delayed two hour start" or "early dismissal." It is the responsibility of the student/parent/guardian to check the school's website for these schedule changes.***

Unscheduled Vacations and/or Long Term Illness

All parents are encouraged to take vacations during scheduled district vacation days. Unscheduled vacations may have a negative impact on your student's ability to graduate on time.

Note: Make-up work will not be given for future unscheduled vacations if the independent study work is not completed. A student may jeopardize his/her place in the morning program for unscheduled vacations.

EXTRACURRICULAR ACTIVITIES POLICIES

Athletics

- **Academic Eligibility:** All students participating in extracurricular activities shall demonstrate satisfactory minimum progress in meeting the requirements of graduation. In order to be eligible for participation, a student must have a 2.0 minimum grade point average at every grading period with no "F"s in any course. All activities and actions by rooters at athletic events are to be positive in nature. Any negative or distracting activities are not permitted.

    - A student's failure to follow guidelines or failure to make an appropriate adjustment in behavior when called for by an administrator or school official could result in ejection from the event, followed by disciplinary action including possible suspension and the loss of the privilege of attending district sponsored athletic events.

School Dances/Proms

Cold Stream Alternative students are invited to attend dances at the traditional high schools. Prior permission must be obtained from both schools. Students must present an ID card. Students may be subjected to screening including the use of a Breathalyzer and/or drug sniffing dog. Backpacks, purses, and bags are not allowed inside the dance. Students are not permitted to leave the dance once they have entered; anyone who does will be denied re-entry. TTUSD PARENT INVOLVEMENT

The Governing Board recognizes that parents/guardians are their children's first and most influential teachers and that continued parental involvement in the education of children contributes greatly to student achievement and a positive school environment. The school district will put into operation programs, activities and procedures for the involvement of parents in all its schools with Title I, Part A programs, consistent with section 1118 of the Elementary and Secondary Education Act (ESEA). Those programs , activities and procedures will be planned and operated with meaningful consultation with parents of participating programs (Excerpt from TTUSD Board Policy 6020; please contact the principal's office or district office for a copy of the complete policy.

C) that parents are full partners in their child's education and are included, as appropriate, in decision-making and on advisory committees to assist in the education of their child;

Parents are welcome to request a parent conference at any time. Parent participation on field trips is welcomed.

TTUSD DISCIPLINE POLICIES

The educational community of the Tahoe Truckee Unified School District believes that all children have the right to attend safe and caring schools where respect is modeled by all. Goals adopted by the Board of Trustees assure that TTUSD will provide:

- An environment and programs that continue to develop good citizenship and daily attendance
- An environment/culture that supports trusting relationships and the need for all members of the school community to be understood, valued and appreciated
- A problem-solving and decision-making process, community members, parents, students and staff as involving contributors\

The Latin root of work discipline is discipline- to teach learning. Positive discipline is a way of teaching children that

- They are responsible for the choices they make
- There are consequences directly related to the choice made or action taken

In the spirit of the beliefs outlined above, we write/develop our policies that affect student discipline from the perspective of developing socially responsible behavior by:

- Providing clear, consistent expectations
- Maintaining safe schools
- Promoting positive communication,
- Fostering fair and consistent enforcement of rules and policies

The district supports the need for a consistent set of district-wide student behavior standards. Each school is expected to periodically define its own local expectations and behaviors, such that they are consistent with and operate within the standards adopted by the district. Students, parents and staff at each school will be involved in setting these local expectations of behavior which will be shared with the education community.

On an annual basis, suspensions and expulsions will be reviewed to ensure compliance with the district philosophy, policy, administrative regulations and the Comprehensive Student Assistance Program. All district student discipline policies and practices will support this statement of philosophy.

Culture and Climate and Policies on Discipline and Code of Behavior

Courtesy and self-management as written and approved by the staff, parents and student body define Cold Stream Alternative's culture, school climate, code of behavior and discipline procedures. Everyone is held accountable for upholding these principles.

Definitions

We believe that **COURTESY** is respect for the thoughts, feelings, actions, and property of self and others. ***Disruption of the learning of others is not tolerated at any time.***

All students who enroll with CSA are subject to the same conduct and education codes as other Tahoe Truckee Unified School District students.

Restitution Life is a process of trial and error. It's okay to make a mistake. Restitution is taking a new path to correct one's behavior rather than continually repeat that behavior resulting in conflict. Restitution is an integral aspect of the discipline policy at CSA. Students are given the option and opportunity to make restitution before other consequences are imposed if allowed by Ed. Code.

Self-Management It is expected that all students are able to self-manage:

- Take responsibility for own performance, choices, actions
- Manage time well
- Deal with changes in the workplace (school) maturely

It is the intent of the discipline policy of CSA to provide a quality education within a non-coercive school climate that also **meets students' needs for fun, belonging, freedom, survival and power.** With self-management, students are less likely to be subject to monitoring by teachers, staff and administration. Monitoring occurs when there has been a violation of school policy and education code.

TTUSD WELLNESS POLICY

A healthy school environment is important for student academic success, long-term health and well-being. This document outlines TTUSD's goals for nutrition education, physical activity, and other school-based activities that promote student wellness. The TTUSD Wellness Policy applies to all foods and beverages served, sold, or given to students during instructional hours and it sets nutrition standards for meal times throughout the school day. The policy also includes specific nutrition guidelines for food fundraising (any food or beverages sold) or foods brought on campus/district wide for celebrations or rewards on campus and district wide.

CLASSROOM SUPERVISION POLICY

"While at school, a student may be stopped, told to remain or leave a classroom, directed to go to a particular classroom, given an errand, sent to study hall, called to the office, or held after school. Unlike a citizen on the street, a minor student is "subject to the ordering and direction of teachers and administrators… A student is not free to roam the halls or remain in the classroom as long as she pleases, even if she behaves herself. He/she is deprived of liberty to some degree from the moment he/she enters school, and no one could suggest a constitutional infringement based on that basic deprivation"

Students **may not** leave a classroom at any time without the direct and specific permission from that teacher. Consequences when other means of correction and intervention have failed:

1st Offense: Meeting with teacher and administrator to review policy.
2nd Offense: Written referral and warning of subsequent offense.
3rd Offense: 1- day suspension for violation of Ed Code 48900 K.
Subsequent Offenses: 1-3 day suspension 48900 K.

DRESS CODE POLICY

In cooperation with teachers, students and parents/guardians, the principal or designee shall regularly review district regulations and may establish additional school rules governing dress and grooming. **NOTE: Dress codes are enforced at all off-campus outings and field trips also.**

The following guidelines for the dress code rules were established by a committee with student and staff representatives. The following is what was agreed upon by all parties…

2. Clothing worn should reveal limited cleavage.
3. Clothing should not reveal private parts of any kind.
4. Crop tops must be longer than a bra or underwear garment.
5. V-neck crop tops are not allowed.

15. Any dress or attire that represents gang activity and/or affiliation may not be worn.

The principal, staff, students and parent/guardians at each school may establish reasonable dress and grooming regulations for times when students are engaged in extracurricular or other special school activities.

TTUSD Student Dress Code Administrative Regulation (AR 5132)

No grade of a student participating in a physical education class shall be adversely affected due to the fact that the student does not wear standardized physical education apparel where the failure to wear such apparel arises from circumstances beyond the student's control. (Education Code 49066)

(cf. 5121 - Grades/Evaluation of Student Achievement)

TTUSD Students Dress Code and Grooming Board Policy (BP 5132)

The Governing Board believes that appropriate dress and grooming contribute to a productive learning environment. The Board expects students to give proper attention to personal cleanliness and to wear clothes that are suitable for the school activities in which they participate. Students' clothing must not present a health or safety hazard or a distraction which would interfere with the educational process.

(cf. 4119.22 - Dress and Grooming)

(cf. 5145.2 - Freedom of Speech/Expression)

Students and parents/guardians shall be informed about the school dress code at the beginning of the year and

when revised. A student who violates the dress code shall be subject to appropriate disciplinary action.
(cf. 5144 - Discipline)

When gangs constitute a danger to students, the Superintendent or designee may restrict student dress and grooming as necessary to comply with Board policy related to gang activity. (cf. 5136 - Gangs)

SHS dress code requires that students adhere to the TTUSD Board Policy and Administrative Regulations to ensure a safe school climate. School is a workplace and students are required to wear workplace appropriate clothing. Violations will result in the following:

1st Offense: Conference with administrator and/or staff member change of clothes will be required.
2nd Offense: Student will be asked to change clothes, sent home if needed, and a referral made.
3rd Offense: Student will be sent home to change, parent conference, referral.

TTUSD Parent Notification
Explanation of Language Program Options and Alternative Program Requests

Tahoe Truckee Unified School district offers the following Language Acquisition Programs. In order to meet the educational needs of English Learners, all programs include English Language Development (ELD) and differentiated instructional strategies.

Structured English Immersion (SEI): English Learners (ELs) who score at less than reasonable fluency in English are placed in a SEI program setting and are taught overwhelmingly in English, but may be supported in the students' primary language. English learners receive instruction in ELD and other core subjects through effective teaching strategies from trained and authorized teachers using district-adopted textbooks and supplementary instructional materials. Instruction is based
on ELD and grade-level content standards.

Alternative Program Two-Way Immersion (TWI): is designed for Spanish-speaking EL students and English Only students who choose this choice program. The Two Way Immersion Program for grades K-5 provides language instruction in Spanish and English in the core subjects: language arts, social studies, mathematics and science. Students begin instruction primarily in Spanish and receive more and more English until it is 50/50 by 4th grade. Students receive daily instruction in English in ELD, music, physical education, and technology. The Two Way Immersion Program for grades 6-8 provides Spanish language instruction in at least one core content area in order to maintain biliteracy. Students receive daily instruction in ELD. The goals of this program are biliteracy and bilingualism, high academic achievement in all subjects and cross-cultural understanding and awareness. Requests to attend the TWI program must be submitted annually to the TWI school either in person or through the Data Confirmation process.

Alternative Program Request:
Parents or guardians may provide input regarding language acquisition programs during the development of the Local Control and Accountability Plan (EC Section 52062). If interested in a different program from those listed above, please contact Sara Colborn, ELD Program Specialist, at scolborn@ttusd.org or (530) 582-2552 ext. 20443 to ask about the process. Although schools have an obligation to serve all EL students, parents or guardians of English learners have a right to decline or opt their children out of a school's EL program or out of particular EL services within an EL program. If parents or guardians opt their children out of a school's EL program or specific EL services, the children retain their status as English learners. The school remains obligated to take the affirmative steps required by Title VI of the Civil Rights Act of 1964 and the appropriate actions required by the Equal Education Opportunity Act of 1974 to provide EL students access to its educational programs (20 U.S.C. sections 1703[f], 6312[e][3][A][viii]).

At any time, in schools in which the parents or guardians of 30 students or more per school or the parents or guardians of 20 students or more in any grade request a language acquisition program that is designed to provide alternative language instruction, TTUSD will make every effort to offer such a program to the extent possible.

Graduation Rate: *Our graduation rate for 2023-2024 was 95%*

Please call your child's school if you would like to schedule a parent conference to discuss program placement options for your child.

KNOW YOUR IMMIGRATION RIGHTS AND PROTECTION UNDER THE LAW

You have the right to apply for and secure housing without sharing your immigration status. California law prohibits housing providers from asking about your immigration status unless you are applying for affordable housing funded by the federal government. Additionally, housing providers cannot harass or intimidate you by threatening or sharing information about your immigration status to ICE, law enforcement, or other government agencies.

You have the right to access emergency medical care. Federal laws and regulations ensure the rights of all people, including undocumented immigrants, to access emergency medical care.

You have the right to a workplace free of harassment and discrimination. Under California law, you are protected from harassment and discrimination based on your national origin, ancestry, race, ethnicity, and other protected characteristics. Your employer cannot threaten to call immigration authorities as retaliation for reporting harassment or discrimination on the job. Your employer is also not allowed to ask about or look into your immigration status, unless they must do so to comply with federal immigration law and regulations, and you are not required to share this information.

You have the right to ask companies to stop selling your data or to delete your data. It is important to understand your data privacy rights, and it can be helpful to reduce the number of companies that are storing or selling data about you. For information on these rights and how to exercise them go to **oag.ca.gov/privacy/ccpa**.

You have the right to an attorney. If you are arrested by police, you have the right to a government-appointed lawyer. If you are detained by ICE, you have the right to consult with a lawyer, but the government is not required to provide one for you. You can ask for a list of free or low-cost alternatives. To find a legal aid organization near you, go to lawhelpca.org.

You have the right to access your police report. State and local law enforcement agencies cannot deny a victim of a crime access to their crime report because the victim cannot prove lawful presence in the country.

Your child has a right to a free public education regardless of immigration status. They also have a right to be in a public school learning environment free from discrimination, harassment, bullying, and intimidation. Schools must accept a variety of documents from the student's parent or guardian to demonstrate proof of age and residency. Information about citizenship/immigration status is never needed for school enrollment. You do not have to share information regarding passports or visas, or regarding the immigration status of a child, parent, guardian or other family member. And you do not have to provide a social security number or other card for either enrollment or for free or reduced-price school breakfast and lunch.

State and local law enforcement <u>cannot</u> ask for your immigration status for immigration enforcement purposes. California law expressly prohibits law enforcement from inquiring about a person's immigration status for immigration enforcement purposes.

State and local law enforcement <u>cannot</u> share your personal information for immigration enforcement purposes. This includes your home or work address for immigration purposes, unless that information is available to the public or unless that information involves previous criminal arrest, convictions or similar criminal history.

State and local law enforcement <u>cannot</u> assist ICE with immigration enforcement, with very limited exceptions. This means state and local law enforcement cannot investigate, cannot interrogate, cannot arrest, and cannot detain you unless they are part of a joint federal task force where the primary purpose of the task force is not immigration enforcement.

REPORT A COMPLAINT:

- If you believe your rights have been violated, report it to the California Dept of Justice at oag.ca.gov/report.
- If you believe you were subject to discrimination, harassment or retaliation, report it to the California Dept of Civil Rights at calcivilrights.ca.gov/complaintprocess/
