## TOBACCO-FREE CAMPUS POLICY

The Mount Gilead Exempted Village Schools Board of Education prohibits the use of all forms of tobacco by staff members, employees, visitors or guests in all District buildings, on school grounds, in all school vehicles at all times and at any school-related functions. For the purposes of this policy, tobacco means any substance or item, in any form, containing tobacco. The administration is directed to treat the use, possession or promotion of all forms of nicotine-containing products or nicotine delivery devices, which may or may not include actual tobacco, as a violation of this policy.

# ATHLETIC BOOSTERS

**The Mount Gilead Athletic Boosters are gearing up for another exciting year of student sports, and we would love to partner with you! Our athletic program serves more than 300 student-athletes across 13 different sports teams, fostering teamwork, discipline, and academic success for our youth.**

**To make this season a success, we are seeking local partners to help fund essential uniform and equipment upgrades, team camps, specialized training resources, and post-secondary scholarships. We extend a sincere thank you to all of our current and past supporters—your generosity directly impacts our student-athletes and provides the resources they need to thrive.**

ATHLETIC BOOSTERS DOES THAT !?!?!?

# FOOTBALL

Mt. Gilead Football would like to thank the entire community for all of the support we have received on our recent fundraisers. Many individuals, families, organizations, and businesses contributed very generously at our Pizzaburg Pizza fundraiser and our annual pie auction. The money raised from these fundraisers have gone to the purchase and upkeep of several items including:

- New 5 man blocking sled
- 6' Chute and 12' Chute
- Practice chest shields for blocking hand placement
- Arm cones for WR release drill and pass rush hand work
- New practice jerseys
- Alternative game uniform
- Skins (alternative helmet cover that gives us a different color scheme)
- Guardian caps
- Soft shells (not shoulder pads but chest and shoulder covering for camp days)
- New porta phones for coach communication on Friday nights
- 6 new pair of shoulder pads this past year
- Hudl sideline (allows our players to see end zone views of previous plays on Friday Nights)
- Camp Gear (usually amounts to shorts and t-shirts...and sometimes a hoodie and sweat pants)
- Coaches game day pullovers
- OHSAA Coaches association dues and clinic
- Feeding the team on Thursday Nights and during camp week
- Post-game snack bags for Friday Night varsity contests as well as Saturday morning JV contests.
- End Zone Camera and supports.
- Gatorade coolers, bottles, towels, and powder pre-mix
- Mouth pieces
- Helmet repair kits
- Footballs
- Subscription to Glazier.com for online football clinics

Just about every piece of practice equipment we use has been purchased by funds raised by those generous folks that contribute to our fundraisers. Each one of the things listed has been instrumental in improving the morale and culture of our program, not to mention the improvement of our program over the last 5 years. We are extremely grateful for the love and support of our community. You have all been part of the positive changes in our program.

Considerations for future:

- Continue to provide players camp packs and team meals
- We need to start replacing some of our guardian caps and soft shells. Caps are now 4 years old and the soft shells are going on their 6th year.
- We will need to purchase practice pants
- We will need to purchase better rib protection type vests
- We will need to purchase a team set of “5 pocket hip and thigh protection compression shorts” (girdles in the old days)
- We want to contribute in making significant upgrades to our weight room.

Long Term:
We would love to have enough money in our account to put a down payment on a 50 yard indoor facility that could possibly benefit multiple programs.

## VOLLEYBALL

- Hosted a Kids Volleyball Camp as a fundraiser for the volleyball program, raising $800.
- Currently selling $15 discount cards featuring local restaurants and businesses in Mt. Gilead and Marion. Proceeds directly support the volleyball program.
- The Mt. Gilead Volleyball Boosters purchased new uniforms for both the Varsity and JV teams.
- Through the Boosters account, the program purchased practice jerseys for:
  - Varsity
  - JV
  - Freshman
  - Middle School
- Purchased coaching shirts and jackets for six coaches who are new to the Mt. Gilead volleyball program.
- Purchased a video camera in conjunction with the Mt. Gilead basketball program to record matches and provide valuable video for coaching, player development, and film review.
- Purchased new top cables for the volleyball nets.
- Purchased 30 new volleyballs for practices and competition.
- Purchased new spandex for the Varsity team.

These fundraising efforts and purchases have allowed the program to make significant investments in equipment, uniforms, player development, coaching resources, and the overall growth of Mt. Gilead Volleyball.

## GOLF

The Boys Golf team is off to a strong fall season with a full 6-player roster! They kicked off August by winning their first KMAC match in over five years. Dedicated to improving, the team trains at Kings Mill 4–5 days a week to prepare for a full schedule of conference and non-conference matches and tournaments. We are thrilled to watch this program grow and see new players fall in love with the sport.
