WELCOME & INTRODUCTIONS

The background is a solid dark blue. In the top-left and bottom-right corners, there are decorative geometric patterns. These patterns consist of overlapping squares and diamonds in various shades of blue (light blue, medium blue, and dark blue) and one white diamond. The shapes are arranged in a way that suggests a larger, repeating geometric design.

WHAT IS TITLE I?

EVERY STUDENT SUCCEEDS ACT (ESSA)

The purpose of ESSA is to provide all children significant opportunity to receive a fair, equitable and high-quality education and to close educational achievement gaps.

PURPOSE OF TITLE I, PART A

To ensure that all children have a fair, equal and significant opportunity to obtain a **high-quality education** and reach, at a minimum, proficiency on challenging State academic achievement standards and State academic assessments.

TITLE I SCHOOLS

- Title I schools are schools that receive federal funding to improve the academic achievement of students.
- The purpose of a Schoolwide Title I Program is to improve the entire educational program which should result in improving the academic achievement of all students.

TITLE I SCHOOLWIDE PLAN COMPONENTS

Components of the Schoolwide Plan include:

- Comprehensive Needs Assessment
 - Student data is analyzed for strengths and needs
- Goals in ELA and Mathematics based on academic needs
- Action Steps for Instruction, Professional Learning, and Parent and Family Engagement
- Annual Evaluation

SCHOOLWIDE ACADEMIC GOALS

•**K-2 ELA:** The percentage of K and 1st grade students scoring at or above the district benchmark will increase by 3 percentage points (Kindergarten from 60.1% to 63.1% and 1st grade from 55.7% to 58.7%) from spring 2026 to spring 2027 as measured by the District Early Literacy Screener. The percentage of 2nd grade students scoring at or above the state benchmark will increase by 3 percentage points (from 37.3% to 40.3%) from spring 2026 to spring 2027 as measured by the District Reading Screener.

•**3-5 ELA:** The percentage of 3rd, 4th and 5th grade students scoring at the proficient or distinguished learner level in ELA will increase by 6 percentage points (3rd grade from 32.5% to 38.5%, 4th grade from 40.5% to 46.5%, and 5th grade from 44.4% to 50.4%) from May 2024 to May 2027 as measured by the ELA Georgia Milestones Assessment.

K-2 Math Goal: The percentage of K-2nd grade students scoring at or above the district benchmark will increase by 3 percentage points (Kindergarten from 51.8% to 54.8%, 1st grade from 60.7% to 63.7% and 2nd grade from 63.5% to 66.5%) from fall 2026 to spring 2027 as measured by the District Math Screener.

•**3-5 Math:** The percentage of all 3rd–5th grade students scoring at the proficient or distinguished learner level in Math will increase by 9 percentage points (3rd: from 41.0% to 50.0%; 4th: from 51.7% to 60.7%; 5th: from 47.1% to 56.1%) from May 2024 to May 2027, as measured by the Math Georgia Milestones Assessment.

PARENT AND FAMILY ENGAGEMENT

DISTRICT PARENT AND FAMILY ENGAGEMENT PLAN

PARENT AND FAMILY ENGAGEMENT PLAN

Cherokee County School District
2026-2027 School Year
Revision Date: 5/14/2026

What is Parent and Family Engagement?

Parent and family engagement means the participation of parents and families in regular, two-way and meaningful communication involving student academic learning and other school activities ensuring that:

- Parents and families play an integral role in assisting their child's learning;
- Parents and families are encouraged to be actively involved in their child's education;
- Parents and families are full partners in their child's education and are included, as appropriate, in decision-making and on advisory committees to assist in the education of their child; and
- Other activities are carried out, such as those described in Section 1116 of the Every Student Succeeds Act (ESSA).

Purpose

In support of strengthening student academic achievement, the Cherokee County School District (CCSD) receives Title I, Part A funds and, therefore, must jointly develop with, agree on with and distribute to parents of participating children a written District Parent and Family Engagement Plan. This plan establishes the District's expectations and objectives for meaningful family engagement and guides the strategies and resources that strengthen school and family partnerships in the District's Title I schools. Additionally, this plan describes CCSD's commitment to engage families, including neglected and delinquent facility representatives, in the education of their children. It also focuses on building capacity in its Title I schools to implement family engagement strategies and activities designed to achieve District and student academic achievement goals.

Title I, Part A provides for substantive family engagement at every level of the program, such as in the development and implementation of the District and school plans, and in carrying out the District and school improvement provisions. CCSD and its Title I schools will ensure that:

- Programs, activities and procedures for the engagement of families in schools with Title I, Part A programs are planned and implemented with meaningful parent consultation;
- The required School Parent and Family Engagement Plan meets the requirements of Section 1116 and includes, as a component, a School-Parent Compact;

- Each District and school shall develop jointly, agree on and distribute to parents and family members of participating children a written Parent and Family Engagement Plan.
- The plan should establish the expectations for meaningful parent and family engagement.

Jointly Developed

The plan describes how Clark Creek Elementary School STEM Academy will provide opportunities to improve family engagement to support student learning at school and at home. The purpose is to establish an equal partnership for the common goal of improving student achievement. School staff, in meaningful consultation with parents, jointly developed and agreed upon a written plan that includes activities that support effective parent and family engagement as well as shared responsibilities for improving student achievement. This plan is for all students attending Clark Creek Elementary School STEM Academy and their families.

Clark Creek Elementary School STEM Academy's Parent and Family Engagement Plan for Shared Student Success and Title I Schoolwide Plan are revised annually each spring to meet the changing needs of the school. Clark Creek Elementary School STEM Academy involved parents in an ongoing and timely manner in the planning, review and improvement of programs under Title I. Meetings were held for parents to formulate suggestions, to participate in decisions relating to the education of their child and for staff to respond to any suggestions as soon as practicably possible. Parents were involved in the development of the plans by providing feedback at meetings or through an online feedback form. Clark Creek Elementary School STEM Academy's Parent and Family Engagement Plan is then updated and distributed to parents and the local community. If the Title I Schoolwide Plan is not satisfactory to parents, the school will submit any unsatisfactory parent comments on the plan to the district.

Annual Title I Meeting

The school encourages and invites all parents to attend the Annual Title I Meeting. The meeting will cover the School Parent and Family Engagement Plan for Shared Student Success, Title I requirements and rights of parents to be involved. The meeting will be held at a convenient time in the fall and will also be available online on the school website.

Meaningful, Ongoing Communication

To Clark Creek Elementary School STEM Academy, parent and family engagement means the participation of parents in regular, two-way and meaningful communication involving student academic learning and other school activities, ensuring that:

- Parents play an integral role in assisting their child's learning.
- Parents are encouraged to be actively involved in their child's education at school.
- Parents are full partners in their child's education.
- The school values the contributions and engagement of parents and family members.

The school will promote and support parents and family members by:

- Providing updates on student performance by sharing district screener reports, grades in Canvas and distributing report cards.
- Providing opportunities for parents to conference with teachers through phone calls, emails and meetings.
- Providing information related to parent programs in an understandable and uniform format, including alternative formats, upon request, and in a language parents can understand.
- Providing an interpreter at Title I parent meetings.
- Providing school meetings at a variety of times.

Clark Creek Elementary School STEM Academy is committed to frequent two-way communication with families about children's learning, progress and home learning. Some of the ways the school will reach out to parents include:

- Curriculum Night
- Parent Engagement Events
- Newsletters
- ParentSquare/Synergy
- Phone Calls and Emails
- Canvas Announcements and Student Progress

Accessibility

The school will provide opportunities and information, to the extent practicable, for the participation of parents and family members with limited English proficiency, parents with disabilities and parents of migratory children. Clark Creek Elementary School STEM Academy utilizes interpreters, translators, and translation tools to reach families. The school may provide transportation, childcare, or home visits if funds are available.

PARENTS' RIGHT TO KNOW: PROFESSIONAL QUALIFICATIONS

Parents may request information about the professional qualifications of their student's teacher(s) and/or paraprofessional(s).

Parent may request:

- Whether the student's teacher:
 - has met State qualification and licensing criteria for the grade levels and subject areas in which the teacher provides instruction;
 - is teaching under emergency or other provisional status through which State qualification or licensing criteria have been waived; and
 - is teaching in the field of discipline of the certification of the teacher
- Whether the child is provided services by paraprofessionals and, if so, their qualifications

The image features a dark blue background with abstract geometric patterns in the corners. The top-left corner contains a cluster of overlapping squares and diamonds in various shades of blue and one white diamond. The bottom-right corner features a similar pattern with blue and white geometric shapes. The main text is centered in the middle of the slide.

CURRICULUM AND ASSESSMENTS

CHALLENGING STATE STANDARDS

The [CCSD Teaching and Learning Standards](#) are aligned with the Georgia's K-12 Standards and are designed to ensure that all students receive a consistent, high-quality education in every CCSD school. These standards outline what students should know and be able to do at each grade level and in each content area. By setting clear expectations, the standards help teachers plan lessons and activities that build important skills over time. For parents, this means having a clear understanding of what your child is learning and the ability to support their progress at home.

CURRICULUM (INSTRUCTIONAL RESOURCES)

The following [resources](#) have been adopted for the 2026-2027 school year:

English Language Arts (ELA), Grades K–12: CCSD will use *Savvas Learning Company* for grades K–12.

Math, Grades K–12: CCSD will use *Savvas Learning Company* for grades K–8 and *Cengage* for algebra, geometry, and advanced algebra in high school.

The Cherokee County School District website has [student resources](#) available specific to elementary, middle school, and high school students.

TRANSITIONING TO KINDERGARTEN

School transition is a process that prepares families and schools in developing the necessary skills to successfully move from one level to another.

Tips for Transitioning to Kindergarten

- Practice independent tasks with your student like getting themselves dressed or opening their lunch.
- Work on socialization with your student. It is important to learn how to take turns, share, listen and cooperate with others.
- Make a name card for your student and display it around your house. Talk to your student about the letters in their name.
- Practice reading with your student before bed. Let your student look at the pages and words while you read with them.
- Collect materials around your house that your student can use to count and learn about numbers.

COPYRIGHT PIRACY

The exclusive legal right to reproduce, publish, sell or distribute the matter or form of something.

- Copyright is a form of protection given to authors or creators of work.
- Work can only be copied, distributed or displayed with permission.
- It bans illegally downloading or sharing copyrighted music, movies, etc.
