Certificate of Residency

The State of Texas has passed a law concerning non-resident Companies. This law can be found in Texas Education Code under Chapter 2252, Subchapter A. This law makes it necessary for COCISD to determine the residency of its bidders/proposers for construction related services. In part, this law reads as follows:

Section: 2252.001

- "Non-resident bidder" refers to a person who is not a resident.
- "Resident bidder" refers to a person whose principal place of business is in this state, including a Company whose ultimate parent company or majority owner has its principal place of business in this state.

Section: 2252.002

"A governmental entity may not award a governmental contract to a nonresident bidder unless the nonresident underbids the lowest bid submitted by a responsible resident bidder by an amount that is not less than the amount by which a resident bidder would be required to underbid the nonresident bidder to obtain a comparable contract in the state in which the nonresidents principal place of business is located."
