A Message from the Director

Dear Baldwin Community,

Did you know that September is National Library Card Sign-Up Month? Now you do! To celebrate and spread the word, public libraries in Nassau are participating in a Library Secrets campaign. Visit bit.ly/librarysecrets and you'll have the opportunity to share something you wish more people knew libraries offered. This could be a certain event, personalized book recommendations, fun things you can borrow, or services you didn't expect. Some of the responses will be shared by the Nassau Library System on their Facebook and Instagram.

We'll kick things off here with a few secrets shared by our staff:

"You can use your card at any Nassau library. If you take a book out from another library you can return it at Baldwin and we will send it back for you."

"Did you know that the Library's Museum Pass program can save your family HUNDREDS of dollars a year? Ask at the Information Desk."

"Signing up your child for storytime / playtime library programs can lead to lifelong friendships for the children and the parents."

"If you don't have time to pick up your items while the Library is open, ask a staff member to put your materials in one of the smart lockers that are located right outside the main entrance. Just remember to bring your library card so you can unlock your locker!"

"Hoopla has eBooks and downloadable audiobooks that don't require any wait time. Check out your book and you can read or listen to it right away on your phone or other device."

Have a happy, library-filled autumn!

Elizabeth Olesh
Library Director

Baxter's Pet Pantry Pet Food Drive

October 1 - October 31

The Great Give Back is an annual community service initiative that enables people to participate in meaningful experiences at public libraries throughout NYS. Please donate unopened, unexpired pet food that does not need refrigeration for any type of pet (dogs, cats, hamsters, birds, and reptiles).

Long Island Cares knows that families facing food insecurity often struggle to provide for their beloved pets. That's why they established Baxter's Pet Pantry – to ensure that all members of the family have enough to eat. Together, we are making a difference for both people and their beloved furry, feathery, or scaly companions.

Speaking of pet health, join us on Saturday, October 17 @ 11:00AM for a pet first aid workshop (see page 4).
