Challenge Charter School Week of: August Sept. 07,2026

Core Knowledge is #1! We get it done with fun! Hands-on, Right on! Integrated Science, Social Studies, Math, and Language Arts!

Here's what we'll be learning next week...

Math

We have been practicing subtraction with regrouping.

A third grade expectation is to learn our 0-12 table for multiplication. Our first multiplication test will be on 10/9 and will cover tables 0-5.

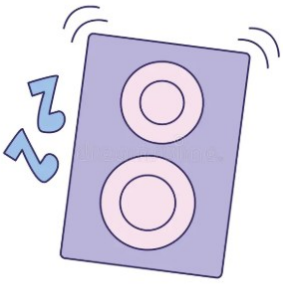

Please note: Students are allowed to use a multiplication chart on work not directly testng fact fluency.

Science

We will continue our unit on Sound!

- What is sound?
- The Characteristics of Sound
- The Human Voice

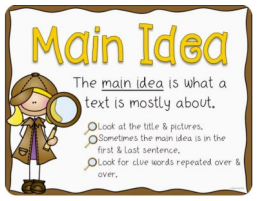

Viking Projects:

We hope the projects are coming along nicely. Please do not send in project until 09/15 as we do not have the storage space.

ELA

Reading: We will be be learning to identify the main idea without a topic sentence.

Writing: Oh no! The author didn't finish the story! We will be using our writing skills to finish it for them!

Grammar: We will be finishing up our preposition unit.

Spelling: We will be practicing words with both closed and silent-e syllables.

Scan for our third grade wish list.

We are also collecting toilet tissue
