

Group 1: CSU Eligible

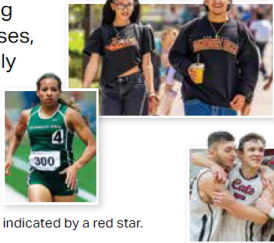

[preferred_first_name], you're eligible for admission opportunities at 17 California State Universities.

Based on your high school coursework and academic record, you've been identified as eligible for CSU Direct Admission opportunities at participating CSU campuses.

So where do you go from here?

Research academic programs, take a virtual or in-person tour, and discover the CSU that's right for you.

In addition to participating Direct Admission campuses, you may explore and apply to any CSU campus.

- ★ Participating CSU campuses are indicated by a red star.
- Non-participating CSU campuses may have additional admission requirements.

Note: Some impacted majors may have additional admission requirements.

Take the next step!

- 1 Launch your **Cal State Apply** application at **calstate.edu/apply**.
If your school participates in the California College Guidance Initiative (CCGI), log in to your CaliforniaColleges.edu account to jump-start your Cal State Apply application.
- 2 Complete and submit your application by November 30 for priority consideration. Application deadlines may vary by campus.
- 3 Check your email for updates and next steps from participating CSU campuses.

Your admission opportunity is waiting—submit your **Cal State Apply** application to receive your offer of admission.

We're proud to be recognized nationally for our commitment to quality education, student access, and affordability—making the CSU a top choice for students seeking an excellent return on their college investment.
