

Group 2: Near CSU Eligible

Let's do this, [preferred_first_name]!
You're on your way to becoming CSU eligible.

Meet with your high school counselor to make a plan and complete your remaining A-G coursework with passing grades. Once you've done that, you'll be eligible for Direct Admission opportunities at participating CSU campuses.

★ Participating CSU campuses are indicated by a red star.
● Non-participating CSU campuses may have additional admission requirements.

Note: Some impacted majors may have additional admission requirements.

Take the next step!

- 1 Talk to your high school counselor about what you need to become CSU eligible.
- 2 Launch your **Cal State Apply** application at **calstate.edu/apply**.
If your school participates in the California College Guidance Initiative (CCGI), log in to your CaliforniaColleges.edu account to jump-start your Cal State Apply application.
- 3 Complete and submit your application by November 30 for priority consideration. Application deadlines may vary by campus.
- 4 Check your email for updates and next steps from participating CSU campuses.

We're proud to be recognized nationally for our commitment to quality education, student access, and affordability—making the CSU a top choice for students seeking an excellent return on their college investment.
