Section 1 – General Information

ACADEMICS

Students are expected to manage their homework responsibilities and stay organized with tasks and due dates. Students and teachers can utilize a variety of tools such as Google Calendar, Google Classroom, email, and teacher websites.

Policy No. 2422

The board believes that homework is a constructive tool in the teaching/learning process when geared to the needs and abilities of students. Purposeful assignments not only enhance student achievement but also develop self-discipline and associated good working habits. As an extension of the classroom, homework must be planned and organized; must be viewed as purposeful to the students; and must be evaluated and returned to students in a timely manner.

Homework may be assigned for one or more of the following purposes:

- A. Practice – to help students to master specific skills which have been presented in class;
- B. Preparation – to help students gain the maximum benefits from future lessons;
- C. Extension – to provide students with opportunities to transfer specific skills or concepts to new situations; and
- D. Creativity – to require students to integrate many skills and concepts in order to produce original responses.

The purpose of homework assignments, the basis for evaluating the work performed and the guidelines and/or rules should be made clear to the student at the time of the assignment.

Late Work:

Students are expected to turn in assignments and homework on time. The acceptance of late work will be at the discretion of the classroom teacher. Expectations and classroom policy will be communicated to students during the first week of class.

Make-up Work:

- The student shall be permitted to make up missed assignments due to excused absences outside of class under reasonable conditions and time limits established by the appropriate teacher. There may be in-class participation activities that students cannot make-up. In these extenuating situations, the student's grade may be affected because of the inability to make-up in-class activities. Students will communicate with teachers about a plan for completing missed work.
- A student is allowed two make-up days for each day of excused absences. It is the student's responsibility to contact the teacher during an appropriate time to ask for make-up assignments and to discuss a plan for completion of missed assignments.
- Parents may request homework for extended absences of three or more days through the pre-arranged absences process.

ARTIFICIAL INTELLIGENCE AND ACADEMIC INTEGRITY

Technology should support learning—not replace it. Artificial Intelligence (AI) tools are becoming part of education, and we want students and families to know how they may be used safely, fairly, and responsibly.

AI is a tool that can generate text, images, and ideas. Examples include **chatbots, writing helpers, and image generators**. AI is not perfect—it can make mistakes, show bias, or give incomplete information. That's why human thinking always comes first and last.

We follow Washington State's **human-centered AI guidance**, encouraging equitable, safe, and meaningful AI use in K–12 education—but through a lens that keeps students, families, and educators firmly in the driver's seat ([OSPI](#), [GovTech](#)).

1. Philosophy & What AI Is Not

- **AI is a tool, not a replacement.** School always begins and ends with human questions, thinking, reflection, and learning—not AI alone ([OSPI](#)).

- **Human-Centered AI = “H-AI-H”:** Always start with human inquiry, use AI to assist, and finish with human reflection and empowerment ([OSPI](#)).

2. Purposeful & Safe Use

- **Use AI intentionally.** Let it assist with tasks like generating ideas, drafting, or explaining concepts—not to do your work entirely. Always check AI outputs yourself ([OSPI](#)).
- **Be aware of biases.** AI may reflect unfair or inaccurate ideas. Use it critically and question what it shows you ([OSPI](#)).
- **Respect privacy and data safety.** Don’t share personal or sensitive information when using AI tools, and follow school district privacy policies ([OSPI](#)).

3. Academic Integrity & Ethical Use

- **Always credit AI contributions.** If you use AI-generated ideas or text, let your teacher know and cite it appropriately ([OSPI](#)).
- **Original thinking matters.** Avoid passing off AI work as your own—this is considered plagiarism ([OSPI](#)) and is subject to disciplinary action.

4. Student Agency & Control

- **You have a choice.** You can choose whether or not to use AI in your work.
- **Use tools thoughtfully.** Co-create, or ask your teacher for information about how to use AI for an allowed task.

5. Family Engagement & Support

- **Learn together.** Families are encouraged to explore AI tools alongside students to spark discussion on how they’re used and why.
- **Talk about safe use.** Discuss expectations around what’s okay to ask AI, how to cite it, and where AI should not be used (e.g., personal identity, sensitive tasks).

Contact school for help. If anything AI-related makes you uneasy or seems unclear (like deep fake content or privacy concerns), talk to a teacher or school leader.

BUS BEHAVIOR

Students at Rainier High School will follow all bus behavior expectations. Bus drivers will annually review those expectations. Failure to abide by the expectations will result in progressive discipline that may include removal from the bus.

BACKPACKS

Backpacks are allowed at school for the purpose of carrying academic or athletic materials. Backpacks can be searched at any time by a school administrator.

BIKES & BOARDS

Bicycles may not be ridden on school grounds. Students must secure them in the bike rack during school hours. The school assumes no responsibility for loss or damage to bicycles. The law requires that bicycle helmets be worn at all times. Skateboards, longboards, rollerblades and roller-skates are not to be used on school grounds; if brought to school, they need to be checked in at the office and cannot be stored in lockers.

CHEATING/PLAGIARISM

High school students are expected to maintain a high level of academic honesty. Cheating and plagiarism are not acceptable as they interfere with the students' academic and personal growth.

- **Fabricating** is fake quotations, faking "facts," reporting things that did not happen is not only reprehensible; it could be actionable in court. All work must be your own original work. Understand that you must credit the source if you use the ideas, words or information.
- **Plagiarizing**, as defined by Webster, is "to steal and pass off as one's own the ideas or words of another." It is unethical and – in cases involving creative work – usually illegal. One of the worst mistakes a student may commit is to plagiarize from a creative professional – to steal his words, thoughts or story outline and print it as his own.
- **Cheating** is using resources prohibited by the teacher on assignments or testes. Providing answers to someone during a test or allowing someone to copy your work is also considered cheating. Any student caught cheating by giving

or receiving prohibited information on an assignment or examination may be given no credit for the work and may face further discipline.

CUSTODY ISSUES

The courts must handle custody disputes.

- The school has no legal jurisdiction to refuse a biological parent access to their child and/or school records. The only exception is when signed restraining orders or proper divorce papers, specifically stating visitation limitations, are on file in the school office.
- Any student release situation, which leaves the student's welfare in question, will be handled at the discretion of the administrator. Should any such situation become a disruption to the school, the police department will be contacted and an officer will be requested to intervene.
- Parents are asked to make every attempt not to involve the school in custody issues. The school will make every attempt to reach the custodial parent when a parent or any other person not listed on the emergency form attempts to pick up a child.
- The school will not be responsible for monitoring custody schedules. Those requests should be made to the school by the parent and supported with the proper legal documents.

DANCES

Dances will take place periodically throughout the year. Dances will end at 10:00pm. The doors will be closed an hour after the doors open. Any student leaving the dance will not be allowed to return. There will be 1 guest allowed per student. Guests must be a high school student in good standings at their high school. **Guests who do not attend high school will not be allowed without prior approval. Guest passes must be submitted one week prior to the dance. Guest must arrive and depart with RHS student.** Homeschooled or online school students living in Rainier High School Boundaries must be approved by Rainier High School before attending the event.

Please work with your classroom teachers and school administration if your child has/requires a Medical Section 504 plan or an IEP due to an emergent medical condition that requires the use of an electronic device.

IMPORTANT CELL PHONE GUIDELINES:

- **Using phones or other recording devices to take pictures or videos in a classroom is absolutely prohibited without prior approval from that classroom teacher.**

This includes videoing, photographing or voice capturing of students or staff with permission. Storing, sharing, or publishing is not permitted. In extreme cases, referral to law enforcement may be necessary. More information please reference WAC 478-121-165.

School hours are from 8:25am to 3:00pm. The building is open to students from 8:00am to 3:15pm unless the student is involved in a supervised before or after school activity.

RHS is a closed campus. Once students come on campus by walking, being dropped off by parent or riding the bus, they must stay on campus until the end of the school day unless excused through the office. Students will not be excused to leave campus at lunch to get food from a store or food establishment. Parents must be present to check out their students at lunchtime. Students leaving campus without being excused from the office will receive a disciplinary infraction per school policy. If a school activity starts after school, students must leave campus and come back at the starting time of the activity unless supervised by an adult. RHS will not allow school-aged visitors or students from other schools during school hours.

INJURY & ILLNESS AT SCHOOL

If you become injured or ill while at school, ask your teacher to report to the office. The office staff will evaluate your condition and determine appropriate action. All accidents or injuries should be reported to the teacher in charge immediately.

LOCKER

Lockers are open to students at the discretion of school administration. Lockers are the property of RSD and may be

inspected at any time by designated personnel. Students are expected to treat lockers with care. They are to be kept clean and free of materials that can cause damage. No decorations should be placed on the walls around lockers unless approved by ASB (see "POSTERS" section). **No trash or expired food is to be stored in lockers.** All student belongings must be stored inside your locker, not on the hallway floor. - Students may not carry any medications with them while at school or on a bus, unless they have prior permission to carry in place, through doctor/parent/school orders.

PARKING LOT

In keeping with the school board policy governing the use of cars by students during school hours, the following regulations have been adopted.

1. Students must possess a valid driver's license and proof of insurance in order to drive a motorized vehicle on any RSD campus.
2. If cars are parked in a fire or handicap zone, they will be towed at owner's expense. Students are not to block the entrances or exits of the parking lots, driveways or loading zones.
3. There is to be no student parking in reserved parking areas or visitor parking spaces. There will be no warnings for students parking in reserved areas.
4. In cooperation with the City of Rainier there is to be NO STUDENT PARKING along the streets bordering Rainier High School.
5. When parking in designated student parking areas, students are to follow proper parking procedures. These include parking between lines, pulling into parking spaces and occupying only one parking space. The owner of the vehicle will be responsible for all charges that may be incurred in the towing and impounding process.
6. Speed limits are 20 mph in a school zone and 10 mph in parking lots.
7. Students are not permitted to ride in the back of trucks while on school property for safety reasons.
8. Students may not go to the parking lot during the school day, during lunch or at passing time. If it is necessary to go to your car during these times, you must have permission from the office.
9. School rules, including dress code, weapons, harassment/intimidation/bullying apply while on school grounds.

POSTERS & HALLWAY DÉCOR

All posters need to be cleared with the ASB advisor prior to hanging in the school building. Use of paint and/or glitter is prohibited. This includes the exterior of lockers and the space around lockers.

SNOW DAYS

Consult the District website, radio or television after 6am for school cancellations or delays. Parents are highly encouraged to sign up for district alerts and follow school district social media pages for

the most up to date information. School information will be reported via the School Messenger system and the local media outlets.

STUDENT AWARDS & RECOGNITION

At RHS, we believe students should be recognized for outstanding behavior, excellent grades, student growth, regular attendance and participation in school athletics and activities.

Students who earn a grade point average of 3.0 GPA on their semester report cards will be members of the honor roll and will receive recognition. Students who earn a 4.0 GPA will earn assignment of the "Principal's list".

At the completion of each semester, each teacher will give classroom and subject achievement awards.

TELEPHONE USE

In case of emergency, students may use the phone in the office. Message for students will be taken from guardians or emergency contacts only and will be delivered to students during the next passing time.

VENDING MACHINES

Students should not be using the vending machine during class time. Students can access the vending machine before or after school and during lunch. Using a vending machine during passing time does not excuse a student being tardy for their next class.

VISITORS

Guardians are welcome to visit school. Please check in the office to sign in and receive a visitor pass. All others must make an appointment prior to arrivals, with the office. RHS will not allow school-aged visitors during school hours.

WITHDRAWAL FROM COURSE

Improper use of the system will result in discipline and possible revocation of the student's email account. Illegal activities on the system will be referred to law enforcement authorities for appropriate legal action.

- Because Google Apps services are web based, students and parents can also access student email accounts from home and public library computers.
- Any user who violates these guidelines may be denied network access, depending on the severity of the infraction. School district and/or legal sanctions may be imposed over and above any revocation of network access.

Section 4 – Attendance Procedures

Washington State Law mandates that students attend school. Attendance records become part of a student's permanent record. It is the philosophy of Rainier School District that regular attendance is essential for academic success. When a student is absent, it is impossible to gain the same degree of learning that a student would experience through group involvement in the regular class. Regular attendance also has value in the sense that it teaches personal responsibility and commitment to one's work, which establishes habits and patterns that prepare the student to become a successful adult.

Any student who misses 50% or more of their school day is considered absent. All absences are considered unexcused unless it meets one of the criteria in the RSD policy for an excused absence.

Excused Absences Include:

1. Temporary illness or injury
2. Mental Health related absences
3. School related program, field trip or athletic event under the supervision of the school
4. Approved absence by school principal
5. An absence due to student being in the custody of the court or other law enforcement agency
6. Emergency, serious illness or death in the family
7. Medical and dental appointment or extended absence due to health. Documentation shall be provided to the school from a medical provider.
8. Inclement weather related absences
9. Extenuating circumstance approved by a school administrator
10. Participation in religious observations
11. School suspensions
12. College visits or job shadows approved by the school administrator
13. Any pre-arranged absence previously filed with the school (see below).

Pre-Arranged Absences:

Prearranged absences include such things as interviews with college admissions officials, interviews with employers, job shadows, special family activities, and extenuating circumstances. Students must complete the pre-arranged absence form prior to the absence for this process. See the main office for more information.

To excuse an absence:

- A guardian must call the attendance office at 360.446.2205 on the day of the absence.
- Failure to call and excuse the absence will result in an unexcused absence.
- At the time of the call the parent must state the reason for the absence.
- Please contact the attendance office regarding all absences including those that are unexcused or pre-arranged.

Make-up work for absenteeism:

See “Academics” in section 1. It is vital that students attend school to achieve the maximum amount of academic growth. It is highly recommended that students who are absent submit classwork and homework to their teachers in advance, on the original due date, or immediately upon return from any absence when possible. This helps ensure that the student is prepared to learn new material.

Truancy will result in a zero on all classwork and homework during the truancy period unless otherwise arranged with the classroom teacher.

Possible interventions for chronic absenteeism and truancy:

- Attendance letters or phone calls
- Parent meetings with school administration
- Mandatory meeting with school administrators or counselor
- Community Truancy Board
- Family court involvement
- Additional assessment requirements such as WARNS
- A truancy court petition filed with Thurston County Courts
- The possibility of delayed academic progression or graduation

PARTICIPATION IN EXTRA-CURRICULAR ACTIVITIES RELATED TO ABSENTEEISM/TRUANCY

A student **must be in attendance all day** on the day of practice/competition/activity to participate. Students who have medical appointments must clear those appointments with the principal or athletic director prior to the absence in order to participate that day.

Students who are excused from a physical education class for medical reasons by a physician or guardian are not allowed to participate in athletic practices or competitions for that day or time period.

Section 5 – Harassment, Intimidation, and Bullying (HIB)

Prohibition of Harassment, Intimidation, and Bullying (Policy 3207 & 3207P)

Schools are meant to be safe and inclusive environments where all students are protected from Harassment, Intimidation, and Bullying (HIB), including in the classroom, on the school bus, in school sports, and during other school activities. This section defines HIB, explains what to do when you see or experience it, and our school's process for responding to it.

Nondiscrimination (Policy 3210 & 3210P) Sexual Harassment (Policy 3205 & 3205P)

Rainier School District does not discriminate in any programs or activities on the basis of sex, race, creed, religion, color, national origin, age, veteran or military status, sexual orientation, gender expression or identity, disability, or the use of a trained dog guide or service animal and provides equal access to the Boy Scouts and other designated youth groups. Lack of English language proficiency will not be a barrier to admission and participation in career and technical education programs.

Rainier School District will take steps to assure that lack of English language skills will not be a barrier to admission and participation in all educational programs.

Discrimination can happen when someone is treated differently or unfairly because they are part of a **protected class**, including their race, color, national origin, sex, gender identity, gender expression, sexual orientation, religion, creed, disability, use of a service animal, or veteran or military status.

What is discriminatory harassment?

Discriminatory harassment can include teasing and name-calling; graphic and written statements; or other conduct that may be physically threatening, harmful, or humiliating. Discriminatory harassment happens when the conduct is based on a student's protected class and is serious enough to create a **hostile environment**. A hostile environment is created when conduct is so severe, pervasive, or persistent that it limits a student's ability

to participate in, or benefit from, the school's services, activities, or opportunities.

For more detailed information, including district policies, procedures, and contact information, please visit District Policies and Procedures on District website.

Our Schools Protect Students from Harassment, Intimidation, and Bullying (HIB)

Schools are meant to be safe and inclusive environments where all students are protected from Harassment, Intimidation, and Bullying (HIB), including in the classroom, on the school bus, in school sports, and during other school activities. This section defines HIB, explains what to do when you see or experience it, and our school's process for responding to it.

What is HIB?

HIB is any intentional electronic, written, verbal, or physical act of a student that:

- Physically harms another student or damages their property;
- Has the effect of greatly interfering with another student's education; or,
- Is so severe, persistent, or significant that it creates an intimidating or threatening education environment for other students.

HIB generally involves an observed or perceived power imbalance and is repeated multiple times or is highly likely to be repeated.

HIB is not allowed, by law, in our schools.

How can I make a report or complaint about HIB?

Talk to any school staff member (consider starting with whoever you are most comfortable with!). You may use our district's reporting form to share concerns about HIB ([link to form](#)) but reports about HIB can be made in writing or verbally. Your report can be made anonymously, if you are uncomfortable revealing your identity, or confidentially if you prefer it not be shared with other students involved with the report. No

disciplinary action will be taken against another student based **solely** on an anonymous or confidential report.

If a staff member is notified of, observes, overhears, or otherwise witnesses HIB, they must take prompt and appropriate action to stop the HIB behavior and to prevent it from happening again. Our district also has a HIB Compliance Officer, Superintendent Bryon Bahr, 360-446-2207, that supports prevention and response to HIB.

What happens after I make a report about HIB?

If you report HIB, school staff must attempt to resolve the concerns. If the concerns are resolved, then no further action may be necessary. However, if you feel that you or someone you know is the victim of unresolved, severe, or persistent HIB that requires further investigation and action, then you should request an official HIB investigation.

Also, the school must take actions to ensure that those who report HIB don't experience retaliation.

What is the investigation process?

When you report a complaint, the HIB Compliance Officer or staff member leading the investigation must notify the families of the students involved with the complaint and must make sure a prompt and thorough investigation takes place. The investigation must be completed within 5 school days, unless you agree on a different timeline. If your complaint involves circumstances that require a longer investigation, the district will notify you with the anticipated date for their response.

When the investigation is complete, the HIB Compliance Officer or the staff member leading the investigation must provide you with the outcomes of the investigation within 2 school days. This response should include:

- A summary of the results of the investigation
- A determination of whether the HIB is substantiated
- Any corrective measures or remedies needed
- Clear information about how you can appeal the decision

What are the next steps if I disagree with the outcome?

For the student designated as the “targeted student” in a complaint:

If you do not agree with the school district’s decision, you may appeal the decision and include any additional information regarding the complaint to the superintendent, or the person assigned to lead the appeal, and then to the school board.

For the student designated as the “aggressor” in a complaint:

A student found to be an “aggressor” in a HIB complaint may not appeal the decision of a HIB investigation. They can, however, appeal corrective actions that result from the findings of the HIB investigation. For more information about the HIB complaint process, including important timelines, please see the district’s HIB Policy [3207](#) and Procedure [3207P](#).

Our School Stands Against Discrimination

Discrimination can happen when someone is treated differently or unfairly because they are part of a **protected class**, including their race, color, national origin, sex, gender identity, gender expression, sexual orientation, religion, creed, disability, use of a service animal, or veteran or military status.

What is discriminatory harassment?

Discriminatory harassment can include teasing and name-calling; graphic and written statements; or other conduct that may be physically threatening, harmful, or humiliating. Discriminatory harassment happens when the conduct is based on a student’s protected class and is serious enough to create a **hostile environment**. A hostile environment is created when conduct is so severe, pervasive, or persistent that it limits a student’s ability to participate in, or benefit from, the school’s services, activities, or opportunities.

To review the district’s Nondiscrimination Policy [3210](#) and

Procedure [3210P](#), visit [Policies and Procedures](#) What is sexual harassment?

What is sexual harassment?

Sexual harassment is any unwelcome conduct or communication that is sexual in nature and substantially interferes with a student's educational performance or creates an intimidating or hostile environment. Sexual harassment can also occur when a student is led to believe they must submit to unwelcome sexual conduct or communication to gain something in return, such as a grade or a place on a sports team.

Examples of sexual harassment can include pressuring a person for sexual actions or favors; unwelcome touching of a sexual nature; graphic or written statements of a sexual nature; distributing sexually explicit texts, e-mails, or pictures; making sexual jokes, rumors, or suggestive remarks; and physical violence, including rape and sexual assault.

Our schools do not discriminate based on sex and prohibit sex discrimination in all of our education programs and employment, as required by Title IX and state law.

To review the district's Sexual Harassment Policy [3205](#) and Procedure [3205P](#), visit [Policies and Procedures](#)

What should my school do about discriminatory and sexual harassment? When a school becomes aware of possible discriminatory or sexual harassment, it must investigate and stop the harassment. The school must address any effects the harassment had on the student at school, including eliminating the hostile environment, and make sure that the harassment does not happen again.

What can I do if I'm concerned about discrimination or harassment?

Talk to a Coordinator or submit a written complaint. You may contact the following school district staff members to report your

concerns, ask questions, or learn more about how to resolve your concerns.

Concerns about discrimination:

Civil Rights Coordinator:

Kristin Robinson, MS/HS Assistant Principal, 308 2nd Street West,
360-446-2205

Concerns about sex discrimination, including sexual harassment:

To submit a written complaint, describe the conduct or incident that may be discriminatory and send it by mail, fax, email, or hand delivery to the school principal, district superintendent, or civil rights coordinator. Submit the complaint as soon as possible for a prompt investigation, and within one year of the conduct or incident.

What happens after I file a discrimination complaint?

The Civil Rights Coordinator will give you a copy of the school district's discrimination complaint procedure. The Civil Rights Coordinator must make sure a prompt and thorough investigation takes place. The investigation must be completed within 30 calendar days unless you agree to a different timeline. If your complaint involves exceptional circumstances that require a longer investigation, the Civil Rights Coordinator will notify you in writing with the anticipated date for their response.

When the investigation is complete, the school district superintendent or the staff member leading the investigation will send you a written response. This response will include:

- A summary of the results of the investigation
- A determination of whether the school district failed to comply with civil rights laws
- Any corrective measures or remedies needed
- Notice about how you can appeal the decision

What are the next steps if I disagree with the outcome?

If you do not agree with the outcome of your complaint, you may appeal the decision to Superintendent Bahr and then to the Office of Superintendent of Public Instruction (OSPI). More information about this process, including important timelines, is included in the district's Nondiscrimination Procedure ([3210P](#)) and Sexual Harassment Procedure ([3205P](#)).

I already submitted an HIB complaint – what will my school do? Harassment, intimidation, or bullying (HIB) can also be discrimination if it's related to a protected class. If you give your school a written report of HIB that involves discrimination or sexual harassment, your school will notify the Civil Rights Coordinator. The school district will investigate the complaint using both the Nondiscrimination Procedure ([3210P](#)) and the HIB Procedure ([3207P](#)) to **fully resolve your complaint**.

Who else can help with HIB or Discrimination Concerns?

Office of Superintendent of Public Instruction (OSPI)

All reports must start locally at the school or district level.

However, OSPI can assist students, families, communities, and school staff with questions about state law, the HIB complaint process, and the discrimination and sexual harassment complaint processes.
