## Titan Buddies

**On Friday, September 11th, our first graders will get to meet their Titan Buddies!**

Each first grader will be paired with a fourth-grade student who will be their buddy for the school year. Together, they'll participate in character lessons and enjoy fun seasonal activities throughout the year.

Please ask your child to share what they learned about their special fourth-grade buddy—we're excited for the friendships and learning ahead!

Thirty Days Hath September

Due: Last week of September

## Thirty Days Hath September

Thirty days hath September.

April, June, and November.

All the rest have thirty-one,

But February has twenty-eight alone,

Except in leap year, that's the time

When February's days are twenty-nine

"Attention is no more than  
this - the power of giving  
your mind to what you are  
about."

-Charlotte Mason
