HEAD OF ATHLETICS DR. BRAD COOK

Our athletic department is excited for the 2026-2027 school year as we start new things this season! There are new faces throughout our community including coaches, teachers, and families on all our campuses. We look forward to the growth of God's Kingdom as we pour into the lives of newly added elementary students and families to the Oaks Christian Community. Our continued hope is that we utilize the lessons learned through our various programs at Oaks Christian School to influence students to pursue a relationship with Jesus Christ.

The Lord has blessed our community with individuals who are dedicated to intentional growth, the pursuit of excellence and commitment of proclaiming the Gospel of Jesus Christ. Our athletic department is a key contributor to carrying out the mission of Oaks Christian School - "To dedicate ourselves to Christ in the pursuit of academic excellence, artistic expression, and athletic distinction while growing in knowledge and wisdom through God's abundant grace."

Our athletic department continues to uphold the expectation of being distinct throughout the CIF Southern Section Region, the state of California, and the United States of America. Our athletic teams won a total of 9 Marmonte League Championships, 3 CIF Southern Section Championships, and set numerous school records last year. We had 49 student-athletes commit to competing at the collegiate level during the 2026 spring semester. In addition, we had an Oaks Christian alumnus, Zach Charbonnet, earn a

Super Bowl Championship, while another alumnus, Carson Schwesinger, earned the honor of NFL Defensive Rookie of the Year last season.

Oaks Christian School has been blessed for many years by having both athletes and coaches showcase their God given talents, while being victorious at numerous professional, Olympic, and collegiate venues. My prayer is that we utilize our continued success and victories to point to the ultimate victory of Jesus Christ conquering death, which allows each of us the opportunity of being a new creation if we acknowledge and seek a true relationship with our Lord and Savior Jesus Christ.

We look forward to the continued blessings and new opportunities that the Lord will provide us during the 2026-2027 school year!

Dr. Brad Cook
Head of Athletics

HEAD OF SCHOOL ROB BLACK

As we begin another year of preparing minds for leadership and hearts for service, we do so with gratitude to God for His guidance and blessings and with eager anticipation for what He has in store for the next chapter of the Oaks Christian story.

The opening of our new elementary grades TK-3 on our Evenstar campus this fall is a testimony to God's faithfulness in guiding our school in a forward, innovative direction.

Our three pillars—academic excellence, artistic expression, and athletic distinction—remain as strong and true today as when we first opened our doors. In fact, our community has continued to strengthen these pillars year after year, investing in programs, people, and opportunities that prepare students to flourish in every area of life.

Our third pillar—athletic distinction—is not measured solely by winning records or championship banners (although we certainly celebrate those accomplishments). Rather, it is defined by our unwavering commitment to developing young men and women of character, integrity, and faith. At Oaks Christian, our coaches understand their greatest responsibility is to shape leaders who honor Christ on and off the field and court. True success is demonstrated not only under the Friday night lights, but in the daily choices our student-athletes make in the classroom, at home, and in the community.

This commitment enters an exciting new chapter as we welcome Head Football Coach Rudy Carlton. Coach Carlton's philosophy is centered on one powerful word: Arete—the Greek pursuit of excellence in every aspect of life. His vision aligns seamlessly with our mission to develop student-athletes who compete with passion, lead with humility, and represent Christ with integrity. As we begin a new season of Lions football, there is a renewed sense of excitement across campus as our athletes embrace a culture built on faith, discipline, accountability, and excellence.

As a Christian school, our athletic program instills Christ-like attitudes, behaviors, and values in everything we coach, teach, and do. We distinguish ourselves through sportsmanship, dignity, and respect for opponents, officials, teammates, and fans. These qualities define who we are long after the final whistle.

The football program has developed scores of players who have continued their careers at the collegiate and professional levels, including NCAA Division I programs and the NFL, including honors such as Rookie of the Year, and one Super Bowl champion.

Today, Oaks Christian proudly celebrates 34 professional athletic alumni—including 12 NFL players—and three Olympic medalists.

Today, Oaks Christian offers 27 sports and 49 athletic teams. Over the years, our student-athletes have earned 63 CIF Southern Section championships, six consecutive CIF football titles, 228 league championships, eight state championships, three Gatorade State Players of the Year, and one Gatorade National Player of the Year. While we celebrate these remarkable achievements, our greatest victories are found in the lives of our graduates who continue to lead with courage, conviction, and Christ-centered purpose.

Whether in the classroom, on the stage, in the community, or on the playing field, our students continue to pursue excellence while pointing others to Christ. Thank you for partnering with us as we continue our mission of preparing the next generation of Christian leaders who will impact the culture and the world beyond the Oaks Christian campus.

HEAD FOOTBALL COACH RUDY CARLTON

Head Coach Rudy Carlton enters his first season as head coach of the OCS Football Program. Prior to being named the head coach in February of 2026, Carlton served as the offensive coordinator at JSerra Catholic High School, where he was responsible for leading the team's potent offense through the vaunted Trinity League.

During his tenure at JSerra, the team made the CIF playoffs in both 2023 and 2024, competing in the CIF-SS Trinity League, and finished 2024 ranked #8 in California and #19 in the nation.

Prior to JSerra, Carlton served as the offensive coordinator and quarterbacks coach for the University of West Florida in Pensacola, Florida from 2021 to 2023.

Carlton had an extensive coaching career at Azusa Pacific University as APU's head coach in 2020-2021 and offensive coordinator/quarterbacks coach from 2008-2020. While at APU, he assisted in leading the team to five Great Northwest Athletic Conference Championships, as well as four NCAA Division II playoff runs.

Originally from Littleton, Colorado, Carlton was a student athlete playing and standout quarterback for APU and, subsequently, the Texas Copperheads and Boise Burn of the Arena Football League II. In 2006, while being the signal caller for APU, Carlton amassed 2,605 yards by completing 197 of 344 passes. He tossed 28 of his 36 career touchdowns in that 2006 campaign.

He, his wife, and three children relocated from Orange County.

"I moved my family here because I believe this is where God is calling us, and I believe we can build something special here," Carlton said. "I could tell that this place is about building excellence. There's a spiritual synergy here that's also abould building the kingdom."

DANCE COMPANY DIRECTOR ASHLEY GOMEZ

Dance Company Director Ashley Gomez started her journey in dance in the California Bay Area. She attended Loyola Marymount University and obtained her bachelor of arts in dance in 2008. Gomez has worked commercially with such artists as Rihanna, Wayne Brady, and Gladys Knight. She trained and performed as a member of contemporary companies ENTITY Contemporary Dance and BARE Dance Company. As a Pilates certified instructor, Gomez incorporates body placement and strength into her choreography. She has been at Oaks Christian School for over a decade. Throughout her journey, dance has been and will always be more than an art: it is a seamless means of expression and a never-ending learning experience.
