Arrival and Dismissal Reminders

Arrival

At 7:35 am, students wanting breakfast can enter through the blue roof doors by the turf field. Staff will be there to help them in the Student Center. After eating, students will be asked to head to the normal entry door for their grade level.

Doors open for K-4th grade students at 7:40 am for a soft start. 5th-8th grade doors open at 7:50 am. Students will enter through these doors when they arrive:

- K-1st: South door of building B
- 2nd-4th: West door outside the main office (near the ALP room)
- 5th/6th: West building C doors
- 7th/8th: East doors outside, behind the gym

Dismissal

Dismissal starts at 3 pm for grades K-4 and 3:15 pm for grades 5-8. We ask that families with any 5th-8th grade students not arrive on campus for pick up until 3:15 pm; if you have younger students, they will wait safely in their classroom until you arrive.

Students are dismissed by their Driveline Number. Your driveline number is unique to each family and tells teachers when they can dismiss each student. Please share your number only with those who are allowed to pick up your student(s).

****NEW** All Middle School families** - we have added a 7 to the beginning of your Driveline number - this will indicate to the staff outside that you have a 3:15 dismissal time. If you need to confirm what your Driveline number is, please call the front office to confirm.

Students Walking for Dismissal

Students may be released to walk off campus at 3:15pm only with guardian permission. Parents need to [complete this form](#) each year to give their permission to walk. The information from last year will not rollover. Please do not utilize the Walker designation if you plan to come onto campus to meet your students, this is *only* for students who will walk off campus by themselves.

Walkers may not be left unsupervised after school on the playground.

Back-to-School Information

2026-2027 Registration Open!

Registration is open for Lincoln Academy. This is a required process for Lincoln families and all steps must be completed for all students before they return to school.

Step 1: Complete required annual registration in [Infinite Campus](#)

- Forgot your username and/or password? [Personal Account Manager](#) can help you reset your account
- Before you get started, we encourage you to read these [directions](#) to guide you in completing registration.
- This is the one time of year where you can adjust your FERPA opt-in/out options. Please remember to OPT IN to Jeffco publications if you would like your student to appear in the yearbook.
- You will be asked to update emergency contacts for your student(s). These contacts are any adults who the school can reach out to if there is an emergency and the parents/guardians cannot be reached. Please ensure phone numbers are accurate. They are also how the school knows who is allowed to pick up your student(s) at the end of the day.

Step 2: While on Infinite Campus, click on “More” to see Quick Links. Here you can:

- Complete the [Student Benefits Application](#)
 - Families are not required to complete this form, however all families are strongly encouraged to apply as it will help with additional education funding for the school and may allow families to waive school-related fees
- Pay student fees - please note the school yearbook is listed as an “optional fee” that can be added to your student account. This option will drop off the fee list in October and you will need to order it from the school website after that occurs.

Step 3: Complete Lincoln Academy’s [Registration Checklist](#)

- This registration includes confirmation that you have reviewed and agree to the following items:
 - Lincoln Academy [Family Handbook](#)
 - Student/Family/School Agreement
 - Lincoln Academy [Student Technology Acceptable Use Policy](#)
 - *Please ensure you review and agree to the [Technology Acceptable Use Policy Agreement Form](#) included in this link. One agreement is needed for EACH student prior to them using Lincoln Academy Technology.

Board of Directors

School Accountability Committee

What does a strong school-family partnership look like? It starts with coming together, listening, and working toward the same goal: helping every student thrive. Together we'll review our priorities for the school year and take a closer look at some of the systems that support our students and families, including areas such as the school clinic, Department of Student Success, and other student support services. Come ask questions, share perspectives, and help identify ways we can continue to strengthen the partnership between our school and our families. [Join us September 1st at 6:30pm in the library.](#)
