

CRISTO REY JESUIT

SEATTLE HIGH SCHOOL

CEEB Code | 609186

2026-2027 PROFILE

MISSION + VISION

Cristo Rey Jesuit Seattle (CRJS) is a Catholic college-preparatory high school that seeks to enflame the intellects and spirits of our students by integrating rigorous academics, meaningful professional work experience, and faith formation. Rooted in the Jesuit tradition, we cultivate intellectual curiosity, critical thinking, and a commitment to lifelong learning.

CRJS provides an educational experience that equips students with the skills to thrive in their careers and lead lives of purpose. As we enter our third year, we're raising the bar on our ambitious goals and our commitment to student success.

OUR SCHOOL

Cristo Rey Jesuit Seattle enrolls 170 students from the greater Seattle area in grades 9-11 for the 2026-2027 academic year. Our first graduating class will matriculate in 2027-2028. CRJS is accredited by Cognia (2025). The grade point average (GPA) reported on the transcript is an average of all grades earned, with Advanced Placement (AP) and Dual Enrollment coursework receiving an additional 0.5 quality points and Honors coursework receiving an additional 0.3 quality points per class. CRJS recognizes student success through academic achievement, professional growth through the Corporate Work Study Program, leadership, service, and personal development. Therefore, CRJS does not rank students.

CRISTO REY NETWORK

The Cristo Rey Network is the nation's largest network of high schools serving students from families with limited financial means. Its 41 Catholic, college-preparatory schools in 24 states educate more than 13,000 students through a distinctive model that combines rigorous academics with professional work experience via the Corporate Work Study Program. Cristo Rey Network alumni enroll in and graduate from college at twice the rate compared to their peers.

CORPORATE WORK STUDY

CRJS Corporate Work Study (CWS) Program employs every student for five full days per month in a professional job for all four years. Students earn a portion of their education costs while gaining real-world work experience that prepares them for success in college and their future careers. CRJS partners with 55+ organizations, including **Microsoft, PACCAR, Costco, Premera, Alaska, Deloitte, Andersen, Parametric, Exxcel Pacific, McKinstry, Delta Dental, Hest, Seattle Bank**, and more.

CUMULATIVE GRADE POINT AVERAGE + WEIGHT

CRJS calculates a student’s cumulative grade point average (GPA) by averaging the grades earned in all coursework. To recognize the rigor of advanced coursework, CRJS uses a weighted GPA for students enrolled in Advanced Placement (AP) and Dual Enrollment courses. Students receive an additional 0.5 points for each AP and Dual Enrollment qualifying course. Honors coursework receives an additional 0.3 points for each qualifying course.

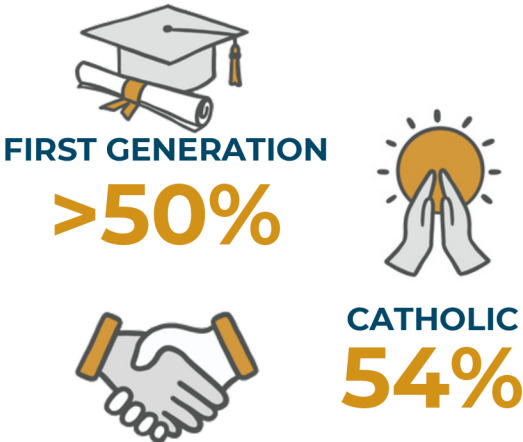

ADVANCED PLACEMENT & DUAL ENROLLMENT OFFERINGS

AP Seminar • AP Environmental Science • AP Language & Composition
AP Biology • AP US History • AP Precalculus • Dual Enrollment Precalculus
