ASSESSMENTS

Throughout the school year, students at OFMS participate in several assessments to help teachers monitor, growth, guide instruction, and identify student needs and strengths

- **MAP Reading and Math-**Administered three times per year (Fall, Winter, Spring) to measure student achievement and establish baseline growth data.
- **AIMSWeb Screening-**Administered in the fall and targeted times in the year to support reading development, monitoring and intervention planning. At OFMS AIMSWeb is targeted to specific student groups in 6th and 7th grade.
- **AIR** - All OFMS students take the AIR Reading and Math Assessments in April/May. 8th grade students also take the AIR Science assessment in May.
- **IAAT-**-The Iowa Algebra Aptitude Test (IAAT) is a standardized, nationally normed assessment designed to predict student success in Algebra I and guide potential Algebra course placement for current 6th and 7th grade students.
- **HS Credit Midterm/End of Course Exams**-7th and 8th grade students enrolled in high school credit courses such as Algebra, Geometry, Spanish I, and French I take both midterm and end of course exams for the courses.

Testing schedules and requirements are established in accordance with guidance from the Ohio Department of Education and Workforce and applicable testing organizations and may be adjusted as needed throughout the school year.

ATHLETIC ELIGIBILITY

The athletic eligibility of all students is verified by the coach based on the guidelines set by the Ohio High School Athletic Association. A physical is required in order to try-out and participate in sports. **Also, a student's eligibility is based on his/her previous quarter grades. This includes fourth quarter grades that determine fall sports eligibility**. Please stop in the office to pick up a flier with additional information.

ATTENDANCE

Regular school attendance is an important ingredient in students' academic success. Excessive absences interfere with students' progress in mastering knowledge and skills necessary to graduate from high school to be prepared for higher education and the workforce. To support academic success for all students, the district will partner with students and their families to identify and reduce barriers to regular school attendance.

The new 2025 law moves the focus away from a strict, court-driven process for unexcused absences (truancy) toward a system of early intervention and support for students who are missing school for any reason (chronic absenteeism).

Under current state law, the distinction between medical and nonmedical excused absences is largely eliminated. All absences (excused or unexcused) now count toward the 10% Chronic Absenteeism rate. Attendance is tracked in terms of hours and minutes of lost time instruction. This time is calculated based upon the time in / time out entries for a student during the school day.

The following are the only reasons for being absent as defined by law and adopted by this Board:

- Personal illness (a written physician's statement verifying the illness may be required)
- Illness in the family necessitates the presence of the child
- Quarantine of the home
- Death in the family
- Necessary work at home due to absence or incapacity of parent(s)/guardian(s)
- Out of state travel (up to a maximum twenty four (24) hours per school year that the student's school is open for instruction) to participate in a District approved enrichment or extracurricular activity
- Observance of religious holidays
- Emergency or other set of circumstances in which the judgment of the Superintendent/designee constitutes a good and sufficient cause for absence from school
- Medically necessary leave for a pregnant student in accordance with Policy 5751

The following absences are considered excused but are not prescribed in board policy:

- School visitation (The approving authority may require verification of the date and time of the visitation by the college, university, or technical college.)
- Out of school suspension as assigned by appropriate administration
- Superintendent/designee discretion

All student absences are unexcused in PowerSchool until changed to excused by the attendance secretary based upon parent contact.

All attendance needs to be verified by 11:00 AM

Attendance need not always be within the school facilities, but a student will be considered to be in attendance if present at any place where school is in session by authority of the Board.

Using the following guidelines, parents/guardians must be notified when a student misses at least **5%** of the minimum required hours for **any reason**, regardless of excused or unexcused. The percentage is calculated based on the hours missing as of the school days in session to date.

Risk Category	Definition (Percent Absent)	Intervention Type
Satisfactory	Less than 4.99% absent	Universal prevention, positive communication, opportunity for attendance incentives
At-Risk	5.00% to 9.99% absent	Universal prevention, positive communication, opportunity for attendance incentives

Moderate	10.00% to 19.99% absent	Chronic Absence email to parents, opportunity for improved attendance incentives
Severe	20.00% to 49.99% absent **72+ more unexcused hours / school year**	The team will determine if medical or other reasons explain. Invite parents/guardians to Attendance Intervention Plan meeting
Extreme	50% or more of time absent	Referral for comprehensive support

Habitually Truant:
Once a student is considered Habitually Truant, they are required to be placed on an Attendance Intervention Plan (AIP). Building administrators will hold an AIP meeting based on hours absent (excused or unexcused):

- 30 or more consecutive hours
- 42 or more hours per month
- 72 or more hours per school year

The school must notify the student's parent, guardian, or custodian that the student is missing school. After this notification, the school can start utilizing interventions with the student as laid out in school policy. If the student continues to miss school, the school must refer the student to an attendance intervention team to create a specific intervention plan for that student and work with the student for 60 days. As appropriate, this team may include an administrator, an individual in the school who knows the child personally, the student, and the student's parent or guardian and can also include a school psychologist, counselor, social worker, and representatives of local public or nonprofit agencies that can provide services to the student.

If the student does not comply with the plan or continues to miss school, they can be referred to the juvenile court to participate in a diversion program. If the program is not successful, then the student can be formally processed under truancy charges. However, formal filing in juvenile court must be a last resort.

Medically-based Absences:
If a student is absent for a medical reason, it is recommended that a doctor's note be provided. While under the new state law medical absences are no longer exempt when determining chronic absenteeism, a note from a doctor(s) may impact Attendance Intervention Plans. Physician is defined as anyone in the medical community recognized as a physician for providing care (i.e. medical, doctor, dentist, clinic, orthodontist, optometrist, mental health treatment, allergist, therapist, ect.).

Please refer to Policy #5200 to read it in its entirety.

Tardies:
Each and every day that a student is to be absent, the parent/guardian shall telephone the school prior to 8:15 a.m. at 427-6211. A written excuse will be needed if a phone call has not been made and the office has been unable to contact the parent.

Upon accumulating three unexcused tardies, students will be issued a detention. A second set of three unexcused tardies will result in a second detention. Once two detentions resulting from tardiness to school have been served, each additional set of three unexcused tardies could result in a two-hour Saturday Detention.

Tardy to Class: Students are to be in class at the sound of the tone. Teachers may refer students who are late to class to the assistant principal. An unsatisfactory tardy excuse may be issued. If a student is tardy between classes because of being detained by a teacher, the student will be given an admit slip from that teacher to his next class.

Permission to Leave the School Grounds During School Day: In order to minimize classroom disruption, students are to bring **a written request from their parent or guardian** to the Guidance Office during 1st period for dismissal during the school day. Parents may also complete the online form. The early dismissal slip must be shown to the teacher before the start of class, if a student is leaving during that class period. **For the student's safety, parents should meet the student in the main office, where the student must sign out before leaving the building.**

Illness During the Day:
Students who are ill should inform their teacher and will be sent to the clinic. The office will call the parent or guardian listed on the emergency contact list to pick up the student. In incidents where a student is sent home per the school clinic due to illness, the hours missed for the remainder of that day are verified by the school clinic.
Students who arrive after or leave before 10:30 p.m. will not be permitted to participate in after-school activities without permission from the Assistant Principal or Principal excluding athletics.

Vacations:
Under the Ohio revised code, student vacations are not considered as a reason for missing school. In this case, students and parents must complete a Planned Absence Form. The form is available in the main office and on the district website and should be completed and submitted at least one full week before the student leaves. Vacations should not exceed five (5) school days, and students are responsible for turning in all make-up work upon returning from vacation.

Make-up Work:
When returning to school after being absent, **responsibility rests with the student and/or parent/guardian** to obtain missed assignments from teachers.

In general, students will have the same number of days to make up missed assignments as the number of days they were absent. Extensions may be granted at the discretion of the teacher.

Parents may request homework for students who are absent from school. A parent or guardian, who contacts the school office **before 10:00 AM** (427-6200), can make arrangements to pick up a student's assignments after 4:00 PM that day. Additional assignments will not be given to a student who has requested work while absent unless the work previously assigned is completed and handed in to the office.

Teachers are not obligated to permit make-up work if proper arrangements have not been made prior to an absence due to a vacation. To make arrangements, a student must first obtain a Planned Absence Form from the office.

ATTENDANCE AT SCHOOL ACTIVITIES

The Board of Education encourages students to attend as many school events held after school as possible, without interfering with their schoolwork and home activities. Enthusiastic spectators help to build school spirit and encourage those students who are participating in the event.
The Board will continue to provide adequate supervision for all students who are participants in District-sponsored events; however, students are expected to follow all rules and regulations as outlined in the Student Discipline Code and Handbook.
All students may attend out of school activities if they have not been:

1. Suspended
2. Expelled
3. The student must report to school by noon, or remain in school until noon to be considered present.
4. Specifically requested not to attend for disciplinary reasons.

In order to promote good sportsmanship, there is to be no booing or remarks directed to officials, coaches, or members of either team.

Food, gum or beverages are **never** to be taken into the gym including after school.

At the conclusion of the event, students are to leave the school grounds immediately. Students will not be permitted to return to their lockers at the end of the game. Take all belongings with you. Be sure rides are arranged prior to the event.

Students who attend high school athletic events are to follow rules and regulations as forwarded to us by the High School.

In order to ensure that students attending as non-participants are properly safeguarded, the Board requires that all elementary and pre-high school students be accompanied by a parent or an adult chaperone when they arrive at the event and throughout its duration. Any unaccompanied student will not be allowed to attend the event, and the Board will not be responsible for students who arrive without an adult chaperone.

The Star Spangled Banner, our National Anthem, is played before the start of the game. Students should show respect and display good citizenship at that time, by standing, and remain absolutely still until the conclusion of the National Anthem.

Students who do not follow these regulations will be asked to leave and may be subject to further disciplinary action.

AUTOMATED PARENT COMMUNICATIONS: SCHOOL MESSENGER

Olmsted Falls School District utilizes an automated communication system, called School Messenger, to regularly and effectively communicate with parents via email, text and automated phone messages. School Messenger is used at both the District and building levels to communicate with parents about school news and event information. Automated attendance calls are also made through School Messenger. Additionally, the School Messenger notification system is used, as needed, to communicate important information about building safety and security issues (i.e. evacuations, lockdowns).

School Messenger is integrated within the existing PowerSchool Parent Portal. Parents have the ability to set their own communication preferences for various types of messages through the PowerSchool Parent Portal. Email and phone communications are automatically activated by default. **Parents must opt-in to begin receiving text messages.** To view and customize all parent communication settings:

- Log-in to the PowerSchool Parent Portal (**https://psof.nccohio.org/public)** with your PowerSchool parent account information;
- Then click on the "School Messenger" link located on the left-hand side of the screen;
- Then right click on the account profile link in the top right corner of the screen to edit communication preferences.

PowerSchool account information is provided to parents for each student enrolled in Olmsted Falls School District (grades PreK – 12). **Parents will need to set communication preferences separately for each student.**

BACKPACKS

Backpacks, book bags, gym bags, etc. should be used to transport books, lunches, and other school related items to and from school.

BIKES

Bikes, skateboards, and in-line skates are prohibited for the safety of our students.

BOOKS AND SUPPLIES

Students choosing to bring books (of any kind) and/or school supplies to the Cafetorium during lunch may do so. However, books and/or supplies must be left in the Cafetorium at their assigned table when students are taken outside for recess. There will be an opportunity for students to pick-up their books when they return to the Cafetorium prior to being dismissed to class.

BULLYING AND HARASSMENT

"Harassment, Intimidation, or Bullying" means any intentional written, verbal, graphic, or physical act that a student or group of students exhibited toward another particular student more than once and the behavior both:

A. causes mental or physical harm to the other student; and
B. is sufficiently severe, persistent, or pervasive that it creates an intimidating, threatening, or abusive educational environment for the other student.

"Harassment, Intimidating, or Bullying" also means electronically transmitted acts i.e., Internet, cell phone, personal digital assistant (PDA), or wireless hand-held device that a student has exhibited toward another particular student more than once and the behavior both:

A. causes mental or physical harm to the other student/school personnel; and
B. is sufficiently severe, persistent, or pervasive that it creates an

intimidating, threatening, or abusive
educational environment for the other
student/school personnel.

In evaluating whether conduct constitutes harassment, intimidation, or bullying, special attention should be paid to the words chosen or the actions taken, whether such conduct occurred in front of others or was communicated to others, how the perpetrator interacted with the victim, and the motivation, either admitted or appropriately inferred.

A school-sponsored activity shall mean any activity conducted on or off school-property (including school buses and other school-related vehicles) that is sponsored, recognized, or authorized by the State Board of Education.

Olmsted Falls Middle School is committed to creating an educational environment free of harassment. Often, at the middle school level, harassment can be described as bully-like behavior.

Bully-like behavior can be defined as behavior intended to hurt another person, either physically or emotionally.

There are three main types of bullying:

1. **Verbal**: teasing, name calling, insulting, threatening, taunting, etc.
2. **Physical**: booking, hitting, shoving, grabbing, punching, slapping, taking or hiding belongings, damaging property, etc.
3. **Psychological**: blackmailing, tormenting, gesturing, spreading rumors, gossiping, etc.

Bully-like behavior will not be tolerated. Students displaying bully-like behavior will be issued detentions and suspensions. Additionally, these students will undergo mandatory empathy training focused on developing an understanding of how others feel when they are victims of bully-like behavior.

Students found to be displaying bully-like behavior will receive discipline in accordance with the following hierarchy of consequences.

1st Offense	Detention
2nd Offense	Detention
3rd Offense	Detention + Saturday Detention
4th Offense	Detention + 1 Day OSS
and beyond	Detention + 2 Days OSS
	Detention + 3 Days OSS

*NOTE: In accordance with the Olmsted Falls Student Discipline Code, a single instance of harassment may result in out-of-school suspension at the discretion of school personnel.

BUSES

Bus drivers have the same authority by state law as the classroom teacher. Students, who display inappropriate behavior on the bus or at the bus stop, may lose their bus privileges and be subject to further disciplinary action. Also, detentions and bus suspensions for improper bus behavior will count towards Washington D.C. points for 8th grade students.

Students are to remain seated (in their assigned seat) and keep hands, feet and objects to themselves. Students should also speak quietly, use proper language, and remain silent at all railroad crossings and turnarounds.

Students are to board buses immediately at dismissal. In cases where a bus has not yet arrived, students are to wait together behind the yellow line as directed by the bus supervisor. Running is not permitted.

Students in grades 6-12 may be permitted the use of technology on the bus with limitations. Students may use technology at the driver's discretion once seated on the bus. Content must be school appropriate and sounds should be turned off unless headphones are used. Students may only use one earbud so that directions will be heard from the bus driver. Volume should be such that no other riders can hear sound from headphones. Pictures and videos are not permitted to be taken on the bus.

Bus Loading and Unloading Zones are restricted and technology is NEVER permitted in such areas. Failures to comply with all expectations may lead to consequences and the loss of the privilege to use technology on the bus.

All expectations of the Olmsted Falls City School District Acceptable Use Policy apply.

Students are to ride only the buses to which they are assigned. Permission to ride another bus can only be granted if an emergency exists in the home. (Example: parent is in hospital, etc.). In the case of an emergency, a note signed by a parent explaining the situation, must be approved in the main office during morning 1st period. Upon request, the note (signed and approved) must be shown to the bus driver and/or transportation supervisor.

Students are not permitted to walk home from school or to the high school. As this is a safety concern, students who violate this policy will be subject to disciplinary action.

Student bus information will be available through the new My Ride K-12 platform. The My Ride K-12 platform will provide secure data for bus assignment, bus stop and schedule information for each OFCS student through a dedicated website portal and/or mobile app. The Transportation Department will also use the new My Ride K-12 app to provide custom notifications throughout the year regarding route delays and other updates regarding bus information. The My Ride K-12 app also provides parents and guardians with the ability to message the OFCS Transportation Department directly.
All families will need to set up an account either through the My Ride K-12 website or My Ride K-12 mobile app in order to access their student's bus information for the 2025-2026 school year.

CAFETERIA AND LUNCH PERIODS

To keep an orderly, neat, and clean cafeteria, all students must remain seated unless given permission to do otherwise. Students must dispose of their waste properly and return all dishes, silverware and trays to the disposal area. No food or drink is to be removed from the cafeteria.

Cafeteria Seating Assignments- Students will be required to sit at an assigned table during lunch. Prior to finalizing table assignments, students will have a designated number of days to identify the table of their choice. Once students have chosen their table, a seating chart will be created.

Once a seating chart has been created, students seated at a table other than their own will receive a Hallway/Cafeteria Behavior Slip. Students will also be held accountable for the cleanliness of their table and its surrounding area. Tables left in a mess and/or food on the floor under the table will result in a Hallway/Cafeteria Behavior Slip being issued to everyone at the table.

General Cafeteria Procedure- Students, after taking up their tray and cleaning their area, will be dismissed for recess by table. While outside, students should stay within the boundaries set by the recess supervisor. Students

are expected to participate in activities without hurting one another. Five minutes before the end of their respective lunch period, they will return from recess and sit at their assigned table in the Cafeteria.

Also during this time, those students who did not go out for recess must finish eating and be sure that the area on and around their table is clean. All students will then be dismissed from the Cafetorium by table.

Any student who is issued a teacher lunch detention must have a signed detention slip from that teacher and must present the pass to a lunch monitor before leaving the Cafetorium. The student will not be permitted to request a pass from the teacher once the student has arrived for lunch and will be required to remain in the Cafetorium for the remainder of the lunch period.

CANDY AND FOOD

There should be no opened food or drink taken out of the Cafetorium area.
Food in classrooms that is directly related to the curriculum is permissible with prior administrative approval.

Parents are required to notify the Student Office of any change of address or phone number. Proof of address must be provided. CHEATING

Cheating is as follows:

Judgmental Cheating- Generally this is seen or heard by the teacher. Examples might be peering onto someone else's paper or "obviously" permitting it, verbally telling or receiving the answers to questions during tests, quizzes, or other related exercises. Students will be given a zero for the assignment and the teacher will

notify the parent. The incident will be discussed with the principal.

Unquestionable Cheating- Generally the teacher has tangible proof. Examples might be copying or giving homework assignments to be copied (only when pupils are not allowed to work as a group or share information), using a crib or "cheat" sheet. Students will be given a F for the assignment and the teacher will notify the parent. The incident will be discussed with the principal and disciplinary action may be taken.

Intent to Cheat- The teacher has tangible proof. Examples are possession of an answer key, an original work, and/or the questions or answers to an examination prior to the examination. Students will be given a F for the assignment and the teacher will notify the parent. The incident will be discussed with the principal and disciplinary action may be taken.

Plagiarism- Your themes and exercises must be your own work. To submit to your teacher a paper that is not truly the product of your own mind and skill is to commit plagiarism. To put it bluntly, plagiarism is the act of stealing the ideas and/or the expression of another and representing them as your own. It is a form of cheating and a kind of academic misconduct, which can incur severe penalties. It is important, therefore, that you understand what constitutes plagiarism, so that you will not unwittingly jeopardize your middle school career. Plagiarism can take several forms. The most obvious form is a word for word copying of someone else's work, in whole or in part, without acknowledgement, whether that work be a magazine article, portion of a book, newspaper piece, another student's essay, or any other composition not your own. Any such verbatim use of another's work must be acknowledged by (1) enclosing all such copied portions in quotation marks and by (2) giving the original source either in the body of your essay or in a footnote. As a general rule, use little quoted material in your themes.

A second form of plagiarism is the unacknowledged paraphrasing of the structure and language of another person's work. Changing a few words of another's composition, omitting a few sentences, or changing their order does not constitute original composition and therefore can be given no credit. If such borrowing or paraphrasing is ever necessary, the source must be indicated by footnotes.

If you do not fully understand this statement on plagiarism, consult your teacher. If you have doubts about the originality of a paper you have written, see your teacher before you turn it in.

Artificial Intelligence- Students are encouraged to use artificial intelligence (AI) tools responsibly, ensuring that they are employed ethically and with integrity. Respect for originality, proper citation, and consideration of privacy are extremely important when utilizing artificial intelligence (AI) technologies for academic or personal purposes.
AI is considered cheating or plagiarism when it is used to generate academic work or creative content without proper acknowledgment of sources. This includes using AI to produce essays, articles, or any other content without citing the original authors or sources, thus passing off the work as one's own. Please refer to Board Policy regarding the inappropriate use of artificial intelligence (AI).

CHILD ABUSE AND NEGLECT

Ohio law requires that all school personnel report any suspected child abuse and/or neglect immediately. School personnel are immune from any civil or criminal liability that might be incurred or imposed as a result of such action. (ORC sec. 2151.421)

CHILDREN AND YOUTH IN FOSTER CARE

Students who meet the Federal definition of "in foster care", including those who are awaiting foster care placement, will be provided a free appropriate public education (FAPE) in the same manner as all other students of the District.

For additional information see Policy 5111.03.

CLASSROOM PROCEDURE

Students are expected to conduct themselves in a way that benefits and encourages a healthy learning environment.

Students are to be in their seats and quiet when the tardy tone sounds. Students are not to leave their seats at the end of the period until dismissed by the teacher.

Each student should come prepared for class with pencils, notebooks, workbooks, paper and the assigned textbooks.

Students are responsible for the school books issued to them. The books issued by each classroom teacher are Board of Education Property and must be handled with care. There will be a fee charged for rebinding or replacement if books are damaged or lost. **Students are to cover all textbooks to keep books in the best possible condition**. In order for lost books to be more easily identified, students are to place their names in the appropriate place in each of their books.

If a disagreement between a teacher and pupil does arise, the student must do as the student is told at the time of the disagreement. According to the courts, in the State of Ohio, the teacher has the "power of the parent" while the student is in school. The student may later make an appointment with the teacher, assistant principal, or principal, to discuss the dispute.

If for any reason a student is asked to leave the classroom for misbehaving, the student must report to the office immediately and remain there until excused by a member of the staff.

CLINIC

If a student is feeling ill, they must report to their classroom first. The teacher will evaluate the situation and, if necessary, provide a pass to the clinic. Any student who needs to go home due to illness must go through the clinic before leaving. Students are discouraged from going to the clinic between classes, and passes will not be issued during those times.

GENERAL GUIDELINES FOR KEEPING CHILDREN HOME FROM SCHOOL DUE TO ILLNESS/RETURNING TO SCHOOL

** PLEASE KEEP THESE GUIDELINES FOR FUTURE REFERENCE**

The following are guidelines for deciding whether or not to keep your child home from school. The timing of the absence is often important in order to decrease the spread of disease to others and to prevent your child from acquiring any other illnesses while his/her resistance is lowered.

FEVER: If your child's temperature is 100.0 degrees or greater, **he/she should remain home until they have been fever-free for a full 24 hours without medication**. Remember, a fever is a symptom indicating the presence of an illness.

FLU: The flu is an abrupt onset of fever, chills, headache, sore muscles, runny nose, sore throat, and cough. **Your child should remain at home until symptoms are gone and the child is fever-free for a full 24 hours**.

PINK EYE like SYMPTOMS: Pink eye is a viral or bacterial eye infection causing redness and swelling of the membranes of the eye with burning or itching, watery or thick drainage, and/or crusting on the eyelids. **Your child should remain home from school until receiving 24 hours of antibiotic therapy and until discharge from the eye has stopped**. In the case that your physician believes it to be a viral infection and no antibiotic therapy is prescribed, your child is still contagious and should remain at home until drainage has ceased. Spread of infection can be minimized by keeping hands away from the face, good hand washing practices, and not touching any part of the eye with the tip of the medication applicator.

RASHES: Rashes can be a sign of a contagious condition such as chicken pox, bacterial meningitis, impetigo, or other bacterial or fungal infections. Children should be kept home from school until the rash resolves and until the rash is evaluated by a doctor who provides written authorization that the child can return to school. **Children with an undiagnosed rash and no doctor's note will be sent home**.

STREP THROAT and SCARLET FEVER: Strep throat usually begins with a fever, sore/red throat, pus spots on the back of the throat, and tender/swollen glands of the neck. Scarlet fever is indicated when a red rash and/or strawberry appearance of the tongue are present along with the other symptoms of strep throat. High fever, nausea, and vomiting may also occur. **Your child should remain home from school until receiving a full 24 hours of antibiotic therapy, and until he/she has been fever-free with no vomiting for 24 hours**. Most physicians will advise rest at home for 1-2 days after a strep infection.

VOMITING AND DIARRHEA (INTESTINAL VIRAL INFECTIONS): Stomachache, cramping, nausea, vomiting and/or diarrhea, possible fever, headache, and body aches. **Your child should remain home until they stop vomiting, having diarrhea, and are fever-free for a full 24 hours without fever-reducing medication**. If your child has had vomiting, diarrhea, or a fever during the night, he/she should not be sent to school the following day.

COMMON COLD: A cold presents as an irritated throat, cough, watery discharge from the eyes and nose, sneezing, chills, and general discomfort. **Your child should remain home if symptoms are serious enough to interfere with your child's ability to learn**. The child should be evaluated by a healthcare provider if symptoms persist beyond 7-10 days, if a fever develops, or if the discharge becomes yellow to green.

FOR ANY COMMUNICABLE ILLNESS THAT IS CONTAGIOUS, A NOTE FROM A PHYSICIAN IS REQUIRED TO RETURN TO SCHOOL.

GUIDELINES FOR RETURNING TO SCHOOL AFTER HEAD LICE EXPOSURE:

- If a student is sent home from school with head lice, or nits (eggs), and/or actively being treated for lice, they are prohibited from riding Olmsted Falls transportation until cleared by a health clinic staff member.

- The student must be brought into the school health clinic by a parent or guardian, and will need to be checked by the clinic staff member before they can return to class.
- If any live lice or nits are found in the students hair, they will be sent back home with their parent/guardian and will need to be treated again.
- If the student is sent home to be treated again the same procedures will need to be followed until they are cleared to return to class.

SPECIAL MEDICAL CONDITIONS:
The building staff, the District Nurse, and the Office of Student Services work together to develop health plans and 504 plans when necessary to keep students with serious health issues safe while they are in school. The District's allergy protocols are implemented carefully, with the input and feedback of the parent. Questions about these procedures may be directed to the Office of Student Services.

COMMUNICABLE DISEASES

In order to try to contain the spread of communicable diseases, we ask that you abide by the following guidelines:

- Notify the clinic if your child has or has recently had strep throat, pink eye or head lice. A note will then be sent home to the parents of the children in the classroom after the second confirmed diagnosis in the same week notifying them that there are cases in the classroom. Your child will remain anonymous.
- If your child is receiving antibiotic treatment for strep throat or pink eye, he/she must remain home from school for **24 hours** from the time the first dose is administered -regardless of the number of doses given. Until that time, your child is still contagious.
- **Please keep your child home and consult your physician should the following symptoms persist**:
    - **Diarrhea or vomiting in past 24 hours**
    - Severe cough
    - Lice or nits (eggs) in hair
    - Sore throat & difficulty swallowing
    - Undetermined rash
    - Red, watery, burning, itchy eyes with drainage
    - New onset of significant coughing, sneezing and feeling unwell
    - Temperature at or above 100.0 degrees **without** fever-reducing medicine in past 24 hours

CONTROL OF CASUAL-CONTACT COMMUNICABLE DISEASES:
Because schools have a high concentration of people, it is necessary to take specific measures when the health or safety of the group is at risk. The school's professional staff may remove or isolate a student who has been ill or has been exposed to a communicable disease or highly transient pest, such as lice. Specific communicable diseases include diphtheria, scarlet fever, strep infections, whooping cough, mumps, measles, rubella, and other conditions indicated by local and state health departments. Any removal will be limited to the contagious period as specified in the School's administrative guidelines.

FOR ANY COMMUNICABLE ILLNESS THAT IS CONTAGIOUS, A NOTE FROM A PHYSICIAN IS REQUIRED TO RETURN TO SCHOOL

CONTROL OF NON CASUAL-CONTACT COMMUNICABLE DISEASES:
The School District has an obligation to protect staff and students from non casual-contact communicable diseases. When a non casual-contact communicable disease is suspected, the student's health will be reviewed by a panel of resource people, including the County Health Department. The School will protect the privacy of

the person affected and those in contact with the affected person. Students and staff will be permitted to remain in school unless there is definitive evidence to warrant exclusion.

Non Casual-contact communicable diseases include sexually transmitted diseases, AIDS, ARCAIDS Related Complex, HIV, Hepatitis B, and other diseases that may be specified by the State Board of Health.

In the event of a significant exposure to blood, the school will follow established safety protocols in accordance with public health and OSHA guidelines.

CONTROL OF BLOOD-BORNE PATHOGENS:
The School District seeks to provide a safe educational environment for students and take appropriate measures to protect those students who may be exposed to blood-borne pathogens in the school environment and/or during their participation in school-related activities. While the risks of students being exposed to blood-borne pathogens may be low, students must assume that all body fluids are potentially infectious and must take precaution to follow universal procedures in order to reduce such risks and minimize and/or prevent the potential for accidental infection.
Students may be exposed to blood-borne pathogens in situations, including, but not limited to the following:

- Engaging in activities with other students in the school environment (e.g., physical education class) where physical injuries or other actions that can cause bleeding or exposure to saliva and other body fluids may occur.
- Working with equipment in the school environment that can cause cuts or similar injuries that produce bleeding.
- Participating in extracurricular activities (i.e., athletic activities) where physical injuries or other actions that can cause bleeding may occur.

Whenever a student has contact with blood or other potentially infectious material, school will follow their guidelines and procedures for the reporting, evaluation, and follow-up to any and all incidents of student exposure.

Please refer to Policy #8450 and Administrative Guidelines #8450, #8453, #8453.02 to read it in its entirety.

COMPUTER USE

Computers are used as part of the educational process in many classrooms. Several computer labs are available for student use. All students using computers must do so under the strict guidelines and/or specific contracts of the instructor. Students not using the computer equipment as designed and intended may be subject to severe disciplinary actions as outlined in the Student Code of Conduct. Additionally, all students using computers within the building must also understand that files and stored information may be subject to inspection at the school's discretion. There is no expectation of privacy. Students may not use any computers in the building unless they have an Acceptable Use Policy/Internet Form on file in the Main Office. Students violating the policies outlined in the above-mentioned forms will be subject to discipline and possible loss of computer privileges. Please refer to Policy #7540.03 to read in its entirety. Computer Labs The labs are generally only open to classes brought down by teachers.

DIRECTORY INFORMATION/FERPA

Student Records and Family Rights, Privacy: By federal regulation, parents of pupils under age 18, and older students themselves, have the right of access to and review of records kept on each pupil (grades, test scores, and materials collected to develop the best educational program for each child). Upon written request and twenty-four hour notice, parents receive the opportunity to review and question their children's records. Should parents experience difficulty or question the accuracy or appropriateness of any materials, they may request a

hearing for a formal review of the file with all sides given an opportunity to present their viewpoints. *In keeping with the Ohio Revised Code Sec.3319.321, and the Family Education Rights and Privacy Act (FERPA), the school district follows the guidelines of the Family Educational Rights and Privacy Act (FERPA) regarding all student records. Parents who do not want directory information for their child released to colleges, universities and military recruiters should contact the guidance office. The Family Policy Compliance Office in the U.S. Department of Education administers both FERPA and PPRA. Parents and/or eligible students who believe their rights have been violated may file a complaint with:*

Family Policy Compliance Office
U.S. Department of Education
400 Maryland Avenue, SW 20202-4605 Washington, D.C.

Informal inquiries may be sent to the Family Policy Compliance Office via the following email addresses: FERPA@ED.Gov and PPRA@ED.Gov

DANCES

Any student attending a dance must remain at the dance until it is over unless written permission is provided prior to the dance or a parent/guardian arrives at the dance to pick up their child.
Dances are to be attended only by students attending Olmsted Falls Middle School. The dress code is in effect at school dances.

DETENTIONS

Detentions may be assigned for academic and/or disciplinary reasons at the discretion of the classroom teacher or administrator. Students may be required to report before school from 7:45 AM to 8:25 AM, after school from 3:30 PM to 4:15 PM, or during their lunch period.

Written Notice- Students will be given written notification of an assigned detention. This note is to be signed by a parent and returned to the staff member assigning the detention. In the case of a morning detention, this note will serve as a pass into the building.

Failing to Serve Detention- All detentions, whether issued by a teacher or by the office, are to be served on the date assigned at the time of the infraction. Those students unable to serve due to an absence are expected to serve the detention the day upon which they return to school. **If a student receives more than one detention in a single day, the student has the responsibility to inform the assigning teachers of the conflict and to schedule a date to serve the conflicting detention.**

Consequently, students failing to serve a detention on the date assigned (or on the date of return after an absence) will be referred to the office and assigned to serve a two-hour Saturday Detention. After the third Saturday Detention, missed detentions may result in suspension from school.

Saturday Detention- The assistant principal, based upon the severity of student misbehavior, has the option of assigning students to serve either a two-hour or a three-hour Saturday Detention. Students are responsible for bringing enough schoolwork to keep them busy for the duration of the detention. Failure to bring an adequate amount of schoolwork to complete during Saturday Detention will result in the student being dismissed and not given credit for serving the Saturday Detention.

Failure to serve a Saturday Detention will result in suspension out-of-school.

DRESS CODE

We recognize that each student's mode of dress and grooming is an expression of personal style and individual preference. It is the policy of the Olmsted Falls Middle School to recognize the rights and privileges of each student in the matters of dress and appearance to the extent that the exercise of that right does not interfere with the orderly process of education. Student dress should not cause a safety hazard; cause excessive wear or damage to school property; or prevent the student from achieving educational objectives because of blocked vision or restricted movement.

Clothing is prohibited that bears statements, slogans, images, illustrations, or insignia that are indecent, offensive, obscene, profane, lewd, vulgar; or that harasses, threatens, intimidates, demeans, suggests, or promotes violence against an individual or group of individuals because of their gender, color, race, religion, disability, sexual orientation, gender identity or national origin, or otherwise constitutes sexual or other forms of harassment prohibited by Board policy or the Student Handbook; or that advertises, promotes, or depicts alcoholic beverages, tobacco products, or illegal drugs.

Clothing must be suitable for all scheduled classroom activities including physical education, science labs, and other activities where unique hazards exist. Students are permitted to wear pajama pants to school as long as they meet all other dress code requirements including the No Show Zone expectation. Caps, hats, bandannas must not be worn in the school building during the school day unless there is a special activity where they are deemed appropriate by the Administration. Head coverings are permitted for religious purposes. Hoods should not be worn over the head in common areas such as the hallways, Main Office, or cafeteria. It is up to teacher discretion whether hoods are permitted in a classroom.

Please note: The above listings are meant for guidelines of appropriate dress for school and to contribute to the positive atmosphere at our school. They are not intended to be comprehensive. The school will not be responsible for an accident or injury resulting directly or indirectly from clothing and/or footwear.

When considering clothing for school, think about whether it is something you would wear to work, at a restaurant, retail store, or doctor's office. Final interpretations of appropriate dress and grooming reside with the Building Administration.

The Olmsted Falls "No Show Zone" demonstrates the parts of the human body that must be covered at all times when in the building. Underwear must not be showing. See image below:

Violations of the dress code could be subject to disciplinary actions as determined by the Administration. Consequences could include changing into spare attire and/or detentionsRepeated offenses could include detentions, Saturday Detentions or suspension.

DRUG/ALCOHOL-FREE SCHOOLS

The Board of Education recognizes that the misuse of drugs poses legal, physical, and social issues that affect the entire school community. The Board prohibits the use, transfer, possession, concealment, and/or distribution of any drug (including alcohol and look-alike drugs), or any drug-related paraphernalia as the term is defined by law, on school grounds, in vehicles, and at any school-sponsored event. Further, the Board mandates a drug-free zone within 1000 feet of any facility used by the District for educational purposes as defined by law. Please refer to Policy #5530 to read it in its entirety.

EMERGENCY DRILLS (FIRE/TORNADO/ALICE)

The state requires fire drills, tornado drills, and safety drills, which can be used in the event of an emergency. Teachers will instruct students of evacuation procedures. Fire drill and tornado drill directions are also posted in each room. Since the signals for an actual fire and tornado are the same as a drill, it is necessary that students move quietly in a quick, orderly fashion to the assigned areas.

The fire alarm will sound, signaling teachers and students to follow fire drill procedures and to move to their designated areas. During safety and tornado drills, all instructions will be given by announcement.

Under **no circumstances** are students to talk or run during an emergency drill. Those who do will receive an automatic detention.
Should an emergency situation arise requiring the evacuation of the building, students not under the direct supervision of an adult (i.e. in the restroom or walking with a pass in the hallway) should exit the building through the nearest door and report to an adult once outside.
Should an emergency situation arise requiring the evacuation of the building during a “class change” (when everyone is in the hallway), students are to exit the building through the nearest door and proceed to the location designated specifically for their 1st period.

Intruder Alert Guidelines – A.L.I.C.E Drill

In the unlikely and unfortunate event that an intruder is in the building, it is essential that students and staff be familiar with procedures in order to respond quickly. Periodically, an A.L.I.C.E. drill will be implemented for this purpose.

EMERGENCY MEDICAL AUTHORIZATION

A complete Emergency Medical Authorization Form must be on file with the School in order for a student to participate in any activity off school grounds, including field trips, spectator trips, athletic and other extracurricular activities, and co-curricular activities. The Emergency Medical Authorization form is provided at the time of enrollment and at the beginning of each school year.

EMERGENCY PROCEDURES

Impacting closing or dismissal of school: Emergency Closing of School: If our schools are to be closed during the school year for severe weather or other emergency conditions, announcements will be made via school based communication, TV stations, and power announcements.

- Announcements concerning school closings will be made during the 11:00 P.M. and/or 7:00 A.M. (or earlier) newscasts. No statement will be carried when schools are to remain open.
- It is essential that official school telephones not be tied up during inclement weather.
- Please do not call the school.

Emergency Dismissal: Please make plans with your child about what to do in case of an early dismissal from school. The goal will be to dismiss students as close to the regular dismissal time as possible.

Dismissal Delay: During emergency situations, such as a severe storm, children may be kept at school until the emergency is over.

FALSE REPORTING/DISHONESTY/HONOR VIOLATION/FALSIFICATION-

Presenting someone else's work as one's own in order to obtain a grade or credit is considered to be cheating. This includes, but is not limited to, copying others assessments, quiz or test answers, and plagiarism. Students who violate this policy may receive zero credit for assignments or work involved; and the student may have school discipline consequences.

1. False reporting: A student shall not make a false statement, a false accusation, or provide false information that in any way defames or damages the reputation of another student or staff member. A student shall not make a false report or issue false accusations that result in the reporting of an incident

of child abuse to children's services or law enforcement agencies. Doing this may result in disciplinary action.

2. Dishonesty: Any forms of dishonesty including cheating, plagiarism, altering or using school documents with intent to defraud, or providing false information to school personnel may result in disciplinary action.
3. Honor Violation: Students shall not be involved in activities including, but not limited to, misrepresentation of facts, misuse of privileges, forgery, improper collusion or falsification of information. No student shall place himself/herself in a position to aid, abet, facilitate, encourage, allow or assist another student in violation of the school code of conduct. Doing this may result in disciplinary action.
4. Falsification: Falsification includes attempts to change, modify, or misrepresent records including, but not limited to hall passes, absence excuses, documents or materials used in daily school operation; sharing false information (I.e. Lying); or not properly identifying oneself to school personnel. Doing this may result in disciplinary action.

FAMILY RIGHTS AND PRIVACY TO STUDENT RECORDS

The Family Educational Rights and Privacy Act provides that parents of students under 18 years of age have the right to review the student's official school record within a reasonable period of time after making a request for such review. Parents who wish to review the student's school record should contact the office to schedule an appointment.

Parents should inform the Main Office of changes in the following areas: address, phone number, emergency card information, and marital status. Custody papers (if applicable) must be on file in the student's records. Non-residential parents may request copies of report cards, progress reports, etc. by submitting this request in writing to the Main Office.

FEES

All students pay a fee to cover supplemental expenses, which include workbooks, art supplies and weekly readers. All students, who are enrolled in Health, Home Arts, and Technology Education, also pay a materials fee. In the sixth grade, the student fees also cover the expense of a T-shirt and shorts for physical education classes. If a seventh or eighth grader wishes to purchase an additional physical education T-shirt, they are to contact the physical education teacher.

All OFCS school buildings use the PaySchools Central online payment system to process payments for annual school fees and for student meal accounts. PaySchools Central can be accessed at www.payschoolscentral.com. A link to PaySchools Central is also available on the district website at www.ofcs.net.

To set up a new PaySchools Central account for your student, visit www.payschoolscentral.com and click “Register.” If you have an existing PaySchools Central account and need a password reset, simply click “Forgot Password” for assistance.

PaySchools Central also features a convenient APP that can be downloaded from Google Play or Apple App Store, allowing families to manage student accounts from their mobile device. A flat rate usage fee of $1.50 per transaction is charged for using the PaySchools Central online system.

IMPORTANT NOTE: School fees must be paid and meal accounts must be kept current (*without a negative balance*) in order for students to participate in field trips.

Students with unpaid fees will not be able to attend grade level field trips.

FIELD TRIPS

Students must remember that they represent the school and should act accordingly. Teachers and chaperones have the same authority as in the classroom. Parent chaperones should always be treated with respect. All

school rules apply during any field trip.

Students may be excluded from attending a field trip if their behavior and/or academic standing has not been acceptable at any time during the school year.
Starting on the first day of the **FOURTH QUARTER**, students will not be permitted to go on their respected reward trip if they are not completing assignments, passing their classes, have unpaid fees or have been suspended from school.

In order for an 8th grade student to be permitted to attend Cedar Point, they may not incur more than 5 points from the first day of the Washington, DC trip until the day of the Cedar Point trip. Any student suspended from school will not be permitted to attend Cedar Point.

Extended Field Trips: 8th grade students will have the opportunity to attend several educational and exciting field trips this year. Two (the trip to Cedar Point Amusement Park and the trip to Washington D.C.) will extend beyond the hours of a normal school day.

Because appropriate behavior is essential on all field trips, and specifically on those of an extended nature, students displaying poor behavior here at school will become ineligible for extended field trip attendance.
The following discipline plan, based on a twenty point system, will be used to track student misbehavior here at school.

In accordance with the chart below, students will accumulate points each time they receive a consequence for inappropriate behavior. Once a student earns a total of twenty-five (25) points before Washington D.C. and (6) points after Washington D.C., he/she will not be permitted to attend extended field trips (i.e. trips extending beyond the hours of a normal school day).

Consequence	Points Accumulated
Classroom Detentions	1 point each
Office Detention	2 points
Saturday School	3 points
Bus Suspension	3 points
School Suspension (1 to 10 days)	6 to 15 points

*Students whose behavior in school is of a disruptive nature or have demonstrated the inability to be on time to school, class, or events, may be excluded from any field trip, be it during the day or of an extended nature, (regardless of the number of points currently accrued) upon teacher recommendation and administrative approval.

The extended field trip policy has been developed to ensure that our students uphold the high standards for behavior that Olmsted Falls Middle School is accustomed to and expects from its students.

FUNDRAISING PROJECTS

Any student group or organization planning to raise funds for any purpose must have the approval of the principal.

HALLWAYS

For safety purposes, students are expected to stay to the right when walking through the halls. Students should

not loiter in the halls, gather in groups, or cause unnecessary noise, but should report directly to class. Students must have a hall pass when moving through the halls during a class period. A student must present a pass upon request by any member of the faculty.

Heavy bookbags can be dangerous if they hit another person. Students should be careful when lifting or carrying bookbags. Students will be held accountable if they injure another student with their bookbag.

HALLWAY/CAFETERIA BEHAVIOR SLIPS

Staff members observing inappropriate student behavior outside of the classroom, may issue a Hallway/Cafeteria Behavior Slip to those involved. Because the slips are made of two-part carbon paper, students are to receive a copy at the time of the infraction and a copy is to be turned in to the office. For every three behavior slips earned, students will receive an office detention. In most cases, student behavior will improve once a detention has been issued. For those students whose behavior does not improve, additional consequences including Saturday Detention and/or suspension from school will result.

In the event of extreme misbehavior, students will be sent immediately to the office. The incident will be investigated and appropriate consequences will be determined.

GIFTED EDUCATION AND IDENTIFICATION

The Board of Education shall ensure that procedures are established to identify all gifted students. The District follows the identification eligibility criteria as specified in Section 3324.03 of the Ohio Revised Code.

"Gifted" students perform or show potential for performing at remarkably high levels of accomplishment when compared to others of their age, experience, or environment. Annually, children who are gifted are identified by professionally qualified persons using a variety of assessment procedures.

Please refer to Policy #2464 to read it in its entirety.

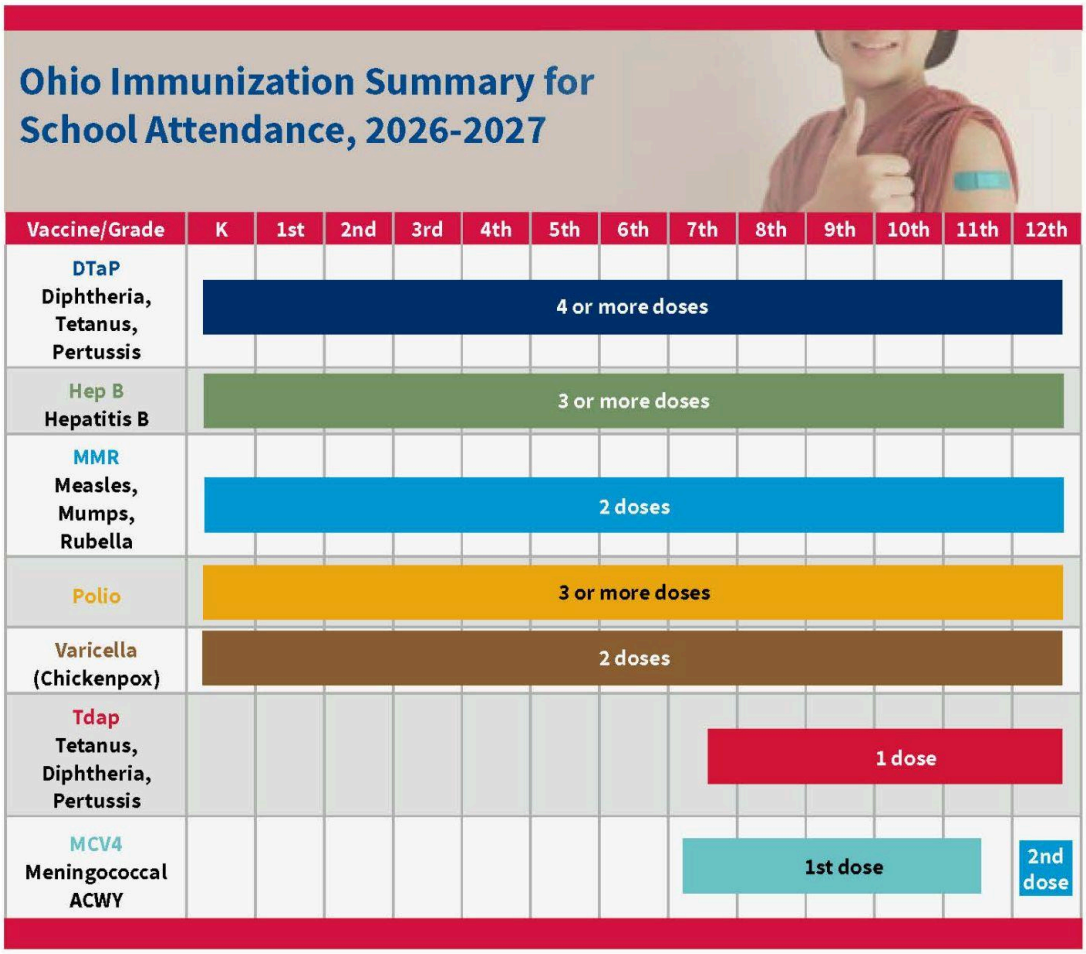

HOME LIAISON SERVICES

In order to provide support in areas of need between home and school, Home Liaison services are available to all students enrolled at Olmsted Falls City Schools. If your family is in need of services in any of the following areas, please reach out to your building counselor or principal for a referral related to Food, Housing/Utilities, Clothing, Hygiene Items, Mental/Behavioral Health Services and Other connections/referrals to community-based resources

IMMUNIZATIONS

For all incoming 7th grade students, one dose of **Tdap (Tetanus, Diphtheria, Pertussis)** vaccine and one dose of **Meningococcal (serogroup A, C, W, and Y)** must be administered on or after the tenth birthday.

Ohio Immunization Summary for School Attendance

- If MMR and varicella are **not** given on the same day, the doses must be separated by at least 28 days with no grace period.
- For additional information, please refer to the Ohio Revised Code 3313.67 and 3313.671 and the Ohio Department of Health (ODH) Director's Journal Entry regarding school immunization requirements, recommended vaccines, and exemptions to immunizations.
- **Please contact the Ohio Department of Health Immunization Program at 800-282-0546 or 614-466-4643 with questions.**

INVESTIGATIONS BY LAW ENFORCEMENT PERSONNEL

Enforcement Personnel and social agencies During Criminal / Delinquency Investigation As good citizens of the community, it is the responsibility of students to cooperate with the police in the investigation of suspected crimes. Under some circumstances, students being interviewed/questioned by law enforcement authorities at school may find that they are suspects in the investigation. Students are entitled to certain rights when questioned by law enforcement authorities and may also have a legal obligation to cooperate. The student may wish to consult his/her parent/guardian before being interviewed. The school administrator shall make every effort to contact the parent/guardian for the student. The student must properly identify himself/herself to law enforcement authorities. The parent/guardian may notify the school administrator that they do not wish to have the student interviewed unless they are present. The school administrator shall notify the student and the law enforcement authorities of the parent/guardian' desire and appropriate arrangements shall be made agreeable to all parties. In the event that the interview proceeds, the principal must:

1. Ensure the student has been advised of his/her rights
2. Be present during the entire period of questioning
3. Not enter into the questioning on behalf of the law enforcement authorities.

A school administrator must avoid acting in either the role of the student's defender or accuser. Students have the right to be informed if they are under arrest at the time the questioning takes place. If the student is unclear about this he/she may ask to resume his/her regular schedule. If the law enforcement authorities deny permission, then the student should consider himself/herself as actually under arrest. Students who believe themselves under arrest or suspects in an investigation may freely invoke their constitutional rights against self-incrimination and against illegal search and seizure, and are entitled to the presence of legal counsel while being questioned. Neither students nor staff may engage in the obstruction of justice, interfere with police in the performance of their duties, nor refuse to report suspected cases of felonies (serious crimes) under penalties of law. School administrators or their designee will be present when interviews by social workers or law enforcement officers are conducting investigations regarding suspected child abuse or neglect. Please refer to Policy #5540 to read it in its entirety.

LIBRARY

Students may visit the library before school at 8:00 a.m., during study hall, after school until 4:00 p.m., or from a class with the teacher's permission.
Students are to work individually unless they have a pass from a teacher to work with someone.

The rules for the library are the same as in the classroom. The librarian/library assistants have the same authority as a classroom teacher.

- Students may stay in the library for approximately 10 minutes unless they have a pass to work longer.
- Students are to pay fines by the end of each grading period.
- Any library materials overdue by more than 30 days will result in the student being unable to checkout any additional materials.
- Overdue materials will cost 5 cents per day with a two-day grace period. Overnight materials cost 10 cents per class period with no grace period.
- Students entering the library should report to the circulation desk unless accompanied by a teacher. Students must have a pass signed by their teacher.

- Students may use the conference and student work rooms after obtaining permission from the librarian/library assistant.
- Students are not permitted to leave or enter the library through the outside doors without first obtaining permission from the librarian/library assistant.
- Students are not permitted access to the library workroom, periodical storage area, or AV production area without a librarian's permission.

LOCKERS & LOCKS

Student lockers and the contents of the lockers are subject to random search at any time without regard to whether there is a reasonable suspicion that any locker or its contents contains evidence of a violation of a school rule or criminal statute. Random searches of lockers may include the assistance of dogs trained to detect the presence of drugs**.** These lockers are not intended for use as an open forum

Lockers are not to be marked with decals, pictures, tape, etc. and are to be kept neat and clean. OFMS is not responsible for articles stolen out of lockers. Do not store valuables in lockers. **Keep lockers locked at all times.** Do not use any objects to "prop" your lock open as it will cause irreparable damage to the lock. Students found doing so will face disciplinary consequences and/or charged for the cost of repairs.

Plan your day. Students are permitted at their lockers before and after school and before and/or after lunch. Good organization and effective planning are essential components of a student's education. Therefore, we encourage students to plan for the books and materials they will need for that portion of the day while they are at their locker. A student who plans well will not find it necessary to return to a locker during or between periods.

Each locker has a built-in lock. Lock combinations are provided to each student at the beginning of the school year and should be kept confidential. Combinations are recorded in the office and may be secured, if forgotten, at a nominal charge. All lock problems should be reported to your 1st period teacher. Also, students are not to switch lockers.

LOST AND FOUND

Misplaced items will be put in one of two Lost and Found locations. Clothing items will be displayed in the Cafetorium and school supplies and books will be displayed in the main office. Checking for an item in the Lost and Found is not a valid excuse for tardiness to 1st period/class.

MEDICATION AT SCHOOL

In order to safeguard all students, we must adhere to the following for the administration of any medication to students while at school. Before a student may be administered or self-administer prescription or over-the counter medication at school, the student's parent must complete the Parent Authorization and Request for the Administration and/or Use of Medication and return it to the office of the school clinic. Additionally, before a student may be administered or self-administer prescription medication at school, the Board requires that the Prescriber's Statement be completed by the licensed health professional authorized to prescribe the medication and returned to the office of the school clinic. Ohio law (R.C. 3313.718, 3313.713) permits students to self-carry and self-administer emergency medications, including epinephrine auto-injectors, asthma inhalers, and diabetes medication, if they have written approval from a doctor and parent on file. As of April 9, 2025, this includes authorized medication for seizure disorders.

- All medications, (prescription or over-the-counter) shall be kept in the clinic. Only when certain specific requirements have been met, may a student carry his or her own asthma inhaler or epinephrine auto injector.
- All prescription medication shall be provided to the school in its original container with the student's name and pharmacist's label.
- No student is allowed to provide or sell any type of prescription or over-the-counter medication to another student.
- Students are prohibited to carry on their person any medications on school grounds even if they are registered in the clinic.

Violations of this rule will be considered violations of Policy 5530—Drug Prevention and of the Student Code of Conduct.

Student Possession of Emergency Medication:

Ohio laws allow for students to self-possess emergency medication such as epinephrine, inhalers, diabetic medications, and seizure medication. This self-possession can occur if the following guidelines have been met:

- The student has the written approval of the prescriber of the medication and, if the student is a minor, the written approval of the parent, guardian, or other person having care or charge of the student; and
- The prescriber's written approval includes all the elements required in Ohio law for the type of medication to be carried by the student while at school and school sponsored events.

In both cases the Parent Authorization and Request for the Administration and/or Use of Medication and the Prescriber's Statement must be completed with information specific to each medication and returned to the principal and/or school nurse. Only when certain specific requirements have been met, may a student carry his or her own asthma inhaler or epinephrine auto injector. All prescription medication shall be provided to the school in its original container with the student's name and pharmacist's label.

A medication form is required for the administration of any medication, including cough drops, to your child while at school. If your child has a chronic medical condition that may require medical management at school, such as asthma, severe allergies, diabetes or seizures, you will need to complete the appropriate health care action plan for your child's condition. Please contact the school clinic to obtain a health care action plan form. All school clinic forms can also be obtained on the district website: www.ofcs.net. Health care action plans need to be signed by both parent and physician and will take the place of the medication form for all medications associated with that condition.

Prescription medication requires both parent and physician authorization. **Non-prescription medications** that are to be administered according to the package dosing directions require parent signature only. Requests for dosages above those indicated on the package require physician authorization.

All medication and health care plan forms are good for one school year only. **New forms are required each school year.**

Medication Guidelines:

- All medications must be brought to school (and picked up from school at the end of the school year) by a parent or other designated adult. Children are not permitted to transport medications to or from school, or carry with them at school. The only exceptions are children with valid self-carry orders to carry asthma inhalers and/or EpiPens. Self-carry orders must be signed by both a parent and physician. Children self-carrying EpiPens must have a backup EpiPen in the school clinic.
- Medication must be provided in its original container:
    - Prescription medications must be provided with a pharmacy label (with child's name and medication name, dose, and time and route of administration) affixed.
    - Non-prescription medications must be furnished in the original, unexpired and sealed container with dosing instructions. Non-prescription medications furnished without a physician's order will be administered according to package dosing directions.
- No student is allowed to provide or sell any type of over-the-counter medication to another student. Violations of this rule will be considered violations of Policy 5530-Drug Prevention and of the Students Code of Conduct.
- Medications will not be kept in the school over the summer. Any medication not picked up by a parent or other designated adult at the end of the school year will be disposed of.

MULTI-TIERED SYSTEMS OF SUPPORT

The Olmsted Falls City Schools strives to meet all students' individual needs, recognizing that all students have differing strengths, and learning styles. In addition, the district recognizes that the most effective student learning occurs through a home-school partnership. Through the systems that have been set up in each school building our aim is to improve the outcomes for all Olmsted Falls students with the goal to maintain students in a general education curriculum setting to the fullest extent possible as they make expected academic progress. Response to intervention is a preventative technique that looks to provide immediate support to students. Please access additional information on the school's website or contact your child's building principal.

NUTRITION SERVICES

Children need healthy meals to learn. Our breakfasts and lunches provide meals to promote healthy bodies and minds. Menus offerings include a variety of colorful fruits and vegetables, whole grains, meat, meat alternatives, and milk. Breakfast and lunch are available to all students.

The Board recognizes the importance of good nutrition to each student's educational performance. The Board provides eligible children with breakfast and lunch at a reduced rate and/or at no charge to the student. Eligibility for free or reduced-price meals, is determined by the criteria established by the Child Nutrition Program and National School Lunch Act. These criteria are issued annually by the Federal government through the Ohio Department of Education. Applications for the School's Free and Reduced-Priced Meal program are distributed to all students. If a student does not receive an application form and believes s/he is eligible, contact Mr. Samuel Chin, Food Service Director at 440-427-6440 or by email at schin@ofcs.net.
Please refer to Policy #8531 and #8510 (Wellness) to read it in its entirety.

Breakfast may be purchased between 7:50 am and 8:20 am every morning from the cafeteria. Children will eat their breakfast in the cafeteria before homeroom. Late breakfast purchasers can finish eating in their rooms but only until regular classes start at 8:20 am. A lunch may be brought from home in a bag or lunchbox with the child's name clearly written on the outside. Milk, 1% white, skim, or chocolate (at lunch only) may be purchased. Children may purchase school breakfasts or lunches by the day or money can be put on the student's lunch account for the week, month, etc.

Students cannot reach a negative meal balance of more than **-$15.00**. Please review the OFCS Cafeteria Unpaid Meal Charge Procedure for more details.

Payment for lunches may be made with cash, check or an online credit payment through PaySchools Central. You may access the PaySchools Charge System through the school's website (www.ofcs.net) and click on the PaySchools Link or you may call 1-866-693-9729. PaySchools charges may take up to 48 hours to be credited to the student's account.

PARENT BILL of RIGHTS

In accordance with Ohio House Bill 8, also known as the "Parents' Bill of Rights," Olmsted Falls City Schools prioritize parental involvement in their child's education. The law requires schools to notify parents of any significant changes in a student's mental, emotional, or physical health and allows parents to review instructional materials containing sexuality-related content. Parents have the right to opt their children out of such lessons and request alternative assignments. The bill also permits excused absences for off-campus religious instruction with parental permission. Olmsted Falls City Schools are committed to transparency, age-appropriate instruction, and respecting parental rights while fostering a supportive educational environment.

PERMANENT STUDENT INFORMATION FILE

No records will be released to any person, institution, or agency without written consent of the student (if of age) or parent/guardian. It is the responsibility of the parent or student to designate which specific records are to be released. Certain records will be maintained indefinitely. These records are listed below:

A. Census information
B. Transcript of grades
C. Individual test scores
D. Psychological records
E. Medical records–vision & hearing screening, immunization records (7 years after graduation)
F. Individualized Education Plan

All other records in student folders will be destroyed at the time the above records are saved and after Board and State approval – approximately two years after student graduates or withdraws from school. The parent/guardian has the right to review any of this material prior to its destruction if an appointment is previously arranged.

By federal regulation, parents of pupils under age 18, and older students themselves, have the right of access to and review of records kept on each pupil (grades, test scores, and materials collected to develop the best educational program for each child). Upon written request and twenty-four hour notice, parents receive the opportunity to review and question their children's records. Should parents

experience difficulty or question the accuracy or appropriateness of any materials, they may request a hearing for a formal review of the file with all sides given an opportunity to present their viewpoints.

PERSONAL COMMUNICATION DEVICE POLICY

A new Ohio law regarding student use of *personal communication devices* (i.e. cell phones, smart watches, etc.) in K–12 schools during the instructional day went into effect January 1, 2026. Ohio **House Bill 250** mandates that **every public school district, community school, and STEM school** adopt a policy governing student cell phone use during school hours. Under this law, by January 1, 2026 every district must have a policy prohibiting student cell phone use during the instructional day.

The motivation behind this change is to reduce distractions and promote a more focused learning environment. Proponents point to research and observations showing that when phones are out of sight:

- Students are more engaged in instruction
- Fewer disruptions occur in class
- There is potential for reduced incidents of cyberbullying or social media-induced anxiety during school hours.

By making this law statewide, the legislature aims to create consistency across Ohio schools so that all students experience a learning environment centered on instruction and in-person interaction.

The Olmsted Falls Board of Education adopted the updated policy below on October 16, 2025. **These changes went into effect on October 17, 2025**.

STUDENTS IN GRADES 6 THROUGH 12 are prohibited from using a PCD during instructional time/class periods. The middle and high school have a set of procedures that students must follow regarding storing the PCD in a secure location to eliminate any distractions during the instructional day at the onset of an instructional period. Students in grades 6-12 are permitted to use a PCD–

- When a teacher or principal authorizes its use;
- During a student's lunch period/break;
- During class transitions and
- Students may use a device when riding to and from school, however students are NOT permitted to use a device when entering and exiting a school vehicle.

PHYSICAL EDUCATION

Uniforms worn for Physical Education classes should consist of the Physical Education shirt purchased at school, navy blue shorts or Bulldog jams, socks, and non-marking athletic shoes. Uniforms are to be stored in separate gym lockers.

During Physical Education classes, students are expected to store their belongings in the lockers provided. It is the student's responsibility to make certain that the locker is locked when they leave the locker room. The school is not responsible for lost or stolen items.

POSITIVE BEHAVIOR INTERVENTIONS AND SUPPORTS (PBIS)

PBIS is a systemic approach to teaching important social and behavior skills while preventing problem behaviors. PBIS encompasses a wide range of systemic and individualized positive strategies to reinforce desired behaviors, diminish recurrences of challenging behaviors, and teach appropriate behaviors to students.
As part of the district-wide initiative, all buildings have the same three expectations: Be Safe, Be Respectful, and Be Responsible. At Olmsted Falls Middle School we instruct students on positive behaviors relating to these expectations in all school settings (classroom, hallway, cafeteria, bus). Student recognition and reward for exhibiting these expectations are provided to support the instruction and learning. Please refer to Policy # 5630.01 to read it in its entirety.

POSSESSION, USE, AND TRANSMISSION OF TOBACCO SUBSTANCE, VAPOR AND ELECTRONIC CIGARETTES

The Board of Education is committed to providing students, staff, and visitors with an indoor tobacco and smoke-free environment. Providing a non-smoking and tobacco-free environment is consistent with the responsibilities of teachers and staff to be positive role models for our students.

For purposes of this policy, "use of tobacco" means to chew or maintain any substance containing tobacco, including smokeless tobacco, in the mouth to derive the effects of tobacco, as well as all uses of tobacco or tobacco substitutes, including cigarettes, cigars, pipe tobacco, chewing tobacco, snuff, or any other matter or substances that contain tobacco, in addition to papers used to roll cigarettes.

The smoking of electronic, "vapor," or other substitute forms of cigarettes, clove cigarettes or other lighted smoking devices for burning tobacco or any other substance may be considered drug paraphernalia and treated as use of narcotics.

In order to protect students and staff who choose not to use tobacco from an environment noxious to them, the Board prohibits the possession, consumption, purchase or attempt to purchase and/or use of tobacco or tobacco substitute products by students on Board premises, in Board-owned vehicles, within any indoor facility owned or leased or contracted for by the Board, and/or used to provide education or library services to children, and at all Board-sponsored events.
Students who violate this policy shall be subject to disciplinary action in accordance with the Student Code of Conduct/Student Discipline Code and in accordance with the policies of the Board.

REMOVAL, SUSPENSION, EXPULSION, AND PERMANENT EXCLUSION OF STUDENTS

No student is to be removed, suspended out of school, expelled and/or permanently excluded unless his/her behavior represents misconduct as specified in the Student Code of Conduct/Student Discipline Code approved by the Board. The Code shall also specify the procedures to be followed by school officials when implementing such discipline. In addition to the procedural safeguards and definitions set forth in this policy and the student/parent handbook, additional procedures and considerations shall apply to students identified as disabled under the IDEA, ADA, and/or Section 504 of the Rehabilitation Act of 1973. (See Policy 5605 "Suspension/Expulsion of Disabled Students.")

RIGHT TO AN EDUCATION

Ohio law provides for free education for youth in the school district in which their parents reside providing the student is at least five but not twenty-two years of age. Olmsted Falls City Schools must provide schooling to such students who choose to attend the public school and successfully progress until the time of their graduation. The right of any person to participate fully in classroom instruction and extracurricular activities shall not be denied because of marriage, pregnancy or parenthood. A pregnant student may receive excused absences

from school when it becomes medically necessary. No person may be denied a publicly supported education because of a disability, regardless of its severity. Every student with special needs has the right to a free, appropriate education and to be a part of the regular curricular activities to the greatest extent possible. Please refer to Policy #5780 to read it in its entirety.

Students' Rights: It has been affirmed by Ohio courts and therefore should be recognized that each student's right will be guaranteed so long as the student does not disrupt the educational process or impose upon, endanger, or deprive others of their rights. Intended to be consistent with individual constitutional freedoms, a list of specific students' rights follows:

A. *Free Education.* Ohio law provides that all residents of the Olmsted Falls School District ages five to twenty one are entitled to attend Olmsted Falls Public Schools free of charge.
B. *Freedom from Discrimination*. Students shall not be discriminated against for any reason (i.e. race, religion, and sex, ethnic or national origin, married, pregnant, or handicapped).
C. *Participation in School Government.* Students may have a voice in the formulation of school policies and decisions, which effect their education and lives as students. The degree to which such participation is realized should be dependent upon age and experience of the students involved. Through such participation, (i.e., Student Council, etc.), students can be a powerful resource for the improvement of the school, the educational system and the community.
D. *Student Expression*. Students are entitled to present their personal opinions in the proper forum. Responsible criticism and reasonable dissent are basic to the educational process. Students who publish and/or distribute handwritten, printed, or pictorial material on the school premises are responsible for its content. The distribution of materials should not conflict or interfere with school functions. Arrangements for distribution must meet with the approval of the building administrator. Freedom of student expression also applies to the student's dress and appearance and to items of symbolic expression (i.e., political buttons, armbands, and badges etc.) Student expression should not cause disruption to the educational process or present health or safety hazards. All physical and/or technology related property (including websites) of the Olmsted Falls City School District is not intended for use as an open forum and is subject to the authority of the administration.

E. *Peaceful Assembly*. Students have the right of peaceful assembly in school facilities generally available to the public at convenient hours that do not conflict with school functions. Arrangements must meet with the approval of the building administrator and conform to existing School Board Policy concerning supervision.
F. *Student Records*. Students, parents, and legal guardians are entitled to be apprised of the student's official school record(s). School building administrators will determine the time and method for presentation of this material, in accordance with Ohio law.
G. *Search and Seizure*. The Fourth and Fourteenth Amendments of the U.S. Constitution together with the statutes of the State of Ohio set forth procedures which must be followed in the search and seizure of individuals and property. Schools are required to adhere to these procedures. Great care must be exercised in searching the persons and effects of students. The following should be observed:

When search of the student's person or personal effects is for evidence of violation of school regulations and not for evidence of a crime per se, such search is permissible without consent, under the theory that the Fourth Amendment applies only to evidence of a criminal offense.

First and foremost in the thinking of school officials must be the protection and safety of the entire student body. Prudence requires that an immediate response be made to seriously threatening and explosive situations.

H. *Due Process*. The "Student Rights and Responsibilities" section in this handbook sets forth rules, regulations, and procedures designed to protect students' rights and clarify student responsibilities in accordance with

policies adopted by the Olmsted Falls Board of Education.
I. *Sexual Harassment.* The Olmsted Falls School District is committed to preventing sexual harassment in all school facilities at all school functions. Sexual harassment is improper, immoral, illegal, and will not be tolerated in the Olmsted Falls School District. The policy is implemented to inform students as to what sexual harassment is and what procedures are to be followed in dealing with sexual harassment within the district.

RIGHTS OF HOMELESS PARENTS & THEIR CHILDREN

Students entering the district and those currently enrolled who have changed living conditions, arrangements or locations are entitled to special services and permission to attend under the McKinney- Vento Homeless Act. Contact Ms. Stephanie Bradley, Director of Student Services, the Homeless Children Liaison at 440-427-6000 or the Ohio Department of Education website (www.ode.state.oh.us /keyword: homeless students) for more information.
Please refer to Policy # 5111 to read it in its entirety.

RULES AND REGULATIONS

The following rules, regulations, and procedures are based upon official policy of the Board of Education of the Olmsted Falls City Schools. Certain types of student conduct are prohibited. These rules and regulations shall be enforced, unless otherwise specifically stated therein, on the school grounds during and immediately before or immediately after school hours; on the school grounds at any other time when the school is being used by a school group; off the school grounds at a school activity, function or event; job station where units of credits are given towards graduation, or when under the supervision of a school employee. These rules may also be enforced when an action is directed at a district employee, anytime on or off school grounds. A student found to be in violation of any of these rules or a portion thereof may be subject to disciplinary action. This shall consist of either a disciplinary notice, denial of participation in privileges, detention, Saturday School assignment, suspension for a set number of days, expulsion, and/or permanent exclusion. (The examples listed in the rules below are not meant to be exhaustive.)

In addition to or in lieu of this disciplinary action, the disciplining authority can impose disciplinary measures in the nature of after school work, repair of or payment for physical damage caused by the student, cleanup, painting, and revocation of the privilege of participation in school activities.

The administration has the right to use discretion in interpreting and implementing rules of the handbook in compliance with School Board Policy. This also means that the administration can develop appropriate rules and regulations as called for by various situations. It also means that the administration may, in severe or unusual cases discipline students in ways other than stated in the handbook.

Suspension and Expulsion: In accordance with Ohio law, Section 3313.66 R.C., the superintendent or the building administrator of a school may suspend a pupil from school for not more than ten (10) days. In addition, the superintendent may expel a student from school for eighty (80) days. Suspensions and/or expulsions can extend into the next school year. In some cases, the superintendent may seek to permanently exclude a student.

In accordance with Public Law 94142, due process is guaranteed to handicapped children. Handicapped children are not entitled to completely separate disciplinary procedures and may be temporarily suspended. Expulsion of a handicapped student or suspension in excess of an aggregate of 10 days per year is a change of placement, thereby requiring federal due process procedures to be followed. The suspension of a handicapped student for up to ten days per year does not constitute a change of educational placement.
All students that are suspended, in school or out of school, may be permitted to make up their assignments at the discretion of the building principal. If a student with a disability exceeds 10 days, the school-based team will

meet to conduct a manifestation determination review meeting.

The procedures for suspension are set forth in the Student Code of Conduct/Student Discipline Code and Policy 5611 - Due Process Rights.

The procedures for expulsion are set forth in the Student Code of Conduct/Student Discipline Code and Board Policy 5611 "Due Process Rights"

Permanent Exclusion: A student may be permanently excluded from attending any Ohio public school if the student is convicted of, or adjudicated a delinquent child, for committing, when 16 years of age or older, one of several criminal offenses.
Please refer to Policy # 5610 to read it in its entirety.

Due Process: Due process in the context of administrative proceedings carried out by school authorities does not mean that proceedings used in courts in juvenile proceedings must be followed exactly by school authorities when engaged in disciplinary proceedings. It does mean that clear, definite, and fundamentally fair rules of procedure must govern disciplinary actions taken by school authorities. According to O.R.C. 3313.66 a student must be given written notice of intent to suspend, with reasons for the intended suspension, and an opportunity to explain his/her behavior to the school administrator.

Due process requirements are specified in Ohio Revised Code 3313.66 and Board Policy 5500, Student Conduct, Due Process Rights and 5611. Detailed information is in Board Policy 5610, Emergency Removal, Suspension and Expulsion of Students.

In order to conduct such a search, it is not necessary that the administrator have probable cause to believe that a crime or violation of a school rule has occurred. It is necessary only for the administrator to have reasonable grounds to believe that a search will produce evidence that a student has violated or is violating a law or school rule. If such reasonable grounds exist, an administrator may conduct a search of a student's person or personal effects. The search shall be reasonably related to the objectives of the search and not excessively intrusive in light of the age and gender of the student and the nature of the possible infraction that may have or may be occurring.
Please refer to Policy #5771 to read it in its entirety

SEXUAL AND OTHER FORMS OF UNLAWFUL HARASSMENT

It is the policy of the Board of Education to maintain an education and work environment that is free from all forms of unlawful harassment, including sexual harassment. This commitment applies to all School District operations, programs, and activities. All students, administrators, teachers, staff, and all other school personnel share responsibility for avoiding, discouraging, and reporting any form of unlawful harassment. This policy applies to unlawful conduct occurring on school property, or at another location if such conduct occurs during an activity sponsored by the Board.

The Board will vigorously enforce its prohibition against discriminatory harassment based on race, color, national origin, sex (including sexual orientation and gender identity), disability, age (except as authorized by law), religion, ancestry, or genetic information (collectively, "Protected Classes") that are protected by Federal civil rights laws (hereinafter referred to as unlawful harassment), and encourages those within the School District community as well as third parties, who feel aggrieved to seek assistance to rectify such problems. The Board will investigate all allegations of unlawful harassment and in those cases where unlawful harassment is substantiated, the Board will take immediate steps to end the harassment, prevent its recurrence, and remedy its effects. STATEMENT OF POLICY

It shall be the policy of the Olmsted Falls City Schools to encourage student conduct that will promote good health, reasonable standards of behavior, effective citizenship, and a favorable atmosphere for learning. Students on school grounds or in places under school jurisdiction are required to abide by the rules, which are established to achieve these objectives. Admission to the schools of Olmsted Falls carries with it the presumption that the student will conduct himself as a responsible member of the school community. This presumption includes the expectation that the student will obey the law, adhere to the policies of the school system, and comply with rules and regulations implementing these policies. The student is required to safeguard the property of the school and to respect the rights and privileges of others in the school community. Each student is required to accept

responsibility.
In accord with this policy, The Board has approved and the administration shall implement the rules, regulations, and procedures contained in this document. When a violation of these rules occurs, the school officials are authorized and obligated to take appropriate action designed to insure more responsible behavior on the part of the student. When violations of the laws of the United States, the State of Ohio, Olmsted Township, or City of Olmsted Falls are also involved, the school officials can refer such matters to parents, legal guardians, or

STUDENT CONDUCT CODE

The student must recognize that to maintain an atmosphere conducive to learning, the reasonable exercise of authority of school officials is necessary. It is the intent of the Board of Education and administration that all persons connected with the school will demonstrate respect for the rights of the student, and that the school will require students to accept their responsibility toward others and toward the school system. Just as students have rights and responsibilities, so do those who are charged with operating the schools. School administrators and faculties are obligated to maintain conditions favorable to the learning process free from disruptive influences. Teachers have the right to teach, free from verbal intimidation, physical abuse, or outside interference. Parents have the right to expect quality education, protection of their children, protection of teachers, and the protection of their investment in school property.

STUDENTS WITH DISABILITIES

The Americans with Disabilities Act (A.D.A.) and Section 504 of the Rehabilitation Act (Section 504) prohibit discrimination against persons with a disability in any program receiving Federal financial assistance. This protection applies not just to students, but to all individuals who have access to the District's programs and facilities. The laws define a person with a disability as anyone who:

A. Has a mental or physical impairment that substantially limits one or more major life activities
B. Has a record of such an impairment
C. Is regarded as having such an impairment.

The District has specific responsibilities under these two laws, which include identifying, reviewing and, if the child is determined to be eligible, affording access to appropriate educational accommodation.

Additionally, in accordance with State and Federal mandates, the District seeks out, assesses and appropriately services students with disabilities. Staff members use a comprehensive child study process to systematically screen, assess and, if appropriate, place students in special education and related services. Students are entitled to a free appropriate public education in the "least restrictive environment." A student can access special education and related services through the proper evaluation procedures. Parent involvement in this procedure is important and required by Federal (IDEIA), A.D.A. Section 504) and State law.

Contact your building principal or Director of Student Services at 440-427-6000 to inquire about evaluation procedures, programs, and services.

STUDENTS' RESPONSIBILITIES

Admission to the Olmsted Falls Schools assumes that the student will act as a responsible member of the school community. Each student is required to accept responsibility for inappropriate conduct and in doing so, accept the responsibility for the consequences-. The student must recognize that to maintain an atmosphere conducive to learning, the reasonable exercise of authority by school officials is necessary.
Some specific student responsibilities include regular school attendance, conscientious effort in classroom work, maintenance of school property, and obedience to school rules and regulations. Most of all, students along with administrators and faculty, share the responsibility of developing a climate in the school that is conducive to

wholesome learning and living.

STUDENT DISCIPLINE CODE

It is the intent of Olmsted Falls City School to provide an environment conducive to a positive educational experience for all students and staff. In order to accomplish this end, it is necessary to implement rules of order for the people that it serves. No institution or organization can endure or operate effectively without some rules of order for the people that it serves. This control is usually in the form of "rules and regulations."

The rules and regulations set forth herein have been developed with the help of students, parents, teachers, and administrators over a long period of time. These rules are set forth in regard to the health and welfare of all, the benefit of the institution, and the safeguard of each individual.

The administration reserves the right to exercise flexibility in the administration of all disciplinary action. Individuality of the student infractions and other considerations may necessitate disciplinary action other than that specifically listed. The administration reserves the right to incorporate such actions. Olmsted Falls City Schools operates on the assumption that all disciplinary action functions on the philosophy of progression. Therefore, as referrals to the office mount, more severe penalties will be progressively implemented. The intent of this philosophy is to modify, perhaps eliminate undesirable student behavior.
Unless otherwise indicated, the penalty for the violation of any of the following rules may be detention, Saturday School, suspension, expulsion, and/or permanent exclusion from school pursuant to O.R.C. Sections 3313.66 and 3313.661. Furthermore, it should be noted that the consequences of the violations of these rules could result in not only school related discipline, but also in criminal and/or civil actions.

This code of conduct is in effect while students are under the authority of school personnel or involved in any school activity. This includes but is not limited to school buses and property under the control of school authorities, and while at interscholastic competitions, extracurricular events, or other school activities or programs.

In addition, this Code of Conduct includes misconduct by a student that occurs off school district property but is connected to activities or incidents that have occurred on school district property.

Violation of the Code of Conduct may result in verbal or written warning or reprimand, referral to guidance counselor, parental contact or conference, detention, in-school suspension, Saturday school, community service, emergency removal, referral to law enforcement agencies, suspension or expulsion.

The Administration reserves the right to exercise flexibility in the Administration of all disciplinary action. Individuality of the student infractions and other considerations may necessitate disciplinary action other than that specifically listed. The Administration reserves the right to incorporate such actions. Olmsted Falls City Schools operates on the assumption that all disciplinary action functions on the philosophy of progression. Therefore, as referrals to the office mount, more severe penalties will be progressively implemented. The intent of this philosophy is to modify, perhaps eliminate undesirable student behavior.

Unless otherwise indicated, the penalty for the violation of any of the following rules may be detention, Saturday detention, suspension, expulsion, and/or permanent exclusion from school pursuant to O.R.C. Sections 3313.66 and 3313.661. Furthermore, it should be noted that the consequences of the violations of these rules could result in not only school-related discipline, but also in criminal and/or civil actions.

Rule 1 Disruption of School. A student shall not by use of violence, force, noise, coercion, threat, intimidation, fear, passive resistance or any other conduct cause the disruption or obstruction of any lawful mission, process, or function of the school. Neither shall he/she engage in such conduct for the purpose of causing the disruption/obstruction of any lawful mission, process, or function of the school if a substantial and material disruption/obstruction is reasonably certain to result from his urging.

While this list is not intended to be all inclusive, the following acts, illustrate the kinds of offenses encompassed in this rule:
A. Preventing or attempting to prevent by physical act the convening or continuing functioning of any school, class, or activity, or of any lawful meeting or assembly on the school campus.
B. Except under the direct instruction of the building administrator, blocking normal pedestrian or vehicular traffic on a school campus. Blocking the entrance or exit of any school building, corridor, or room therein.
C. Occupying any school building, school grounds, or parts thereof with intent to deprive others of its use.
D. Unauthorized use of fire, attempting to set fire, damaging or attempting to damage any school building or property. Activating or attempting to activate the alarm system in the absence of a fire or tampering with fire equipment. Bomb threats are prohibited.
E. Unauthorized presence in any school building, school grounds, or part thereof.

Rule 2 Damage to School or Private Property. A student shall not intentionally cause or attempt to cause damage to school property or private property, or steal or attempt to steal school property or private property, either on the school grounds or during a school activity function or event off school grounds. Damage or theft involving private property or any school property may be a basis for long term suspension or expulsion from school. A student who accidentally defaces or damages school property or the property of another is obliged to notify the office of this damage and is liable to pay expenses. Failure to report such damage may entail serious disciplinary action.

Rule 3 Physical Abuse/Threatening Harassment/Threatening Behavior/Sexual Harassment/Hate Speech. A student shall not cause physical injury, verbally harass, taunt, bully, or behave in such a way which threatens or causes physical injury to school personnel, students, or visitors while under the jurisdiction of the school and/or on school property. Those found guilty of fighting, harassing, or provoking a fight may be suspended, expelled, or permanently excluded. An individual, whose deliberate behavior directly leads to a fight between other parties, shall be considered a participant. Fighting is defined as hostile bodily contact.

Sexual harassment is defined as unwanted sexual advances, or unwanted verbal, visual or physical conduct of a sexual nature. A student who feels he/she has been a victim of sexual harassment should file a sexual harassment complaint with the building administrator who will in turn contact the district complaint coordinator for further action.

Conduct constituting harassment may take different forms, including but not limited to the following:

SEXUAL HARASSMENT
A. Verbal: The making of written or oral sexual innuendos, suggestive comments, jokes of a sexual nature, sexual propositions, or threats to a fellow student, staff member, or other person associated with the district.
B. NonVerbal: Causing the placement of sexually suggestive pictures, or graphic commentaries in the school environment or the making of sexually suggestive or insulting gestures, sounds, leering, whistling, and the like to a fellow student, staff member, or other person associated with the district.
C. Physical Contact: Threatening or causing unwanted touching, contact, or attempts at same, including patting, pinching, pushing the body, or coerced sexual behavior/acts, with a fellow student, staff member, or other person associated with the District.

GENDER, ETHNIC, RELIGIOUS, DISABILITY, HEIGHT, WEIGHT HARASSMENT
A. Verbal: Written or oral innuendoes, comments, jokes, insults, threats, or disparaging remarks concerning a person's gender, national origin, religious beliefs, appearance, etc. toward a fellow student, staff member, or other person associated with the district. (Hate speech). Conducting a "campaign of silence" toward a fellow student, staff member, or other person associated with the district by refusing to have any form of social interaction with the person.
B. NonVerbal: Placing objects, pictures, or graphic commentaries in the school environment or making insulting or threatening gestures toward a fellow student, staff member, or other person associated with the district.
C. Physical: Any intimidating or disparaging action such as hitting, hissing, or spitting on a fellow student, staff member, or other person associated with the district.

Any student who believes that he/she is the victim of any of the above actions or has observed such actions taken by another student, staff member, or other person associated with the district should promptly take the following steps:

1. If the alleged harasser is a student, staff member, or other person associated with the district other than the student's building administrator, the affected student should, as soon as possible after the incident, contact his/her building administrator.
2. If the alleged harasser is the student's building administrator, the affected student should, as soon as possible after the incident, contact the superintendent.

The student may make contact either by a written report or by telephone or personal visit. During this contact, the reporting student should provide the name of the person(s) whom s/he believes to be responsible for the harassment and the nature of the harassing incident(s). A written summary of each such report is to be prepared promptly and forwarded to the building administrator.

The district recognizes that determining whether a particular action or incident is harassment or, conversely, is reflective of an action without a discriminatory or intimidating intent or effect must be based on all of the facts in the matter. Given the nature of harassing behavior the district recognizes that false accusations can have serious effects on innocent individuals. Therefore, all students are expected to act responsibly, honestly, and with the utmost candor whenever they present harassment allegations or charges against fellow students, a staff member, or others associated with the district.

This guideline does not negate the requirements for reporting suspected child abuse to the proper authorities in compliance with board policy. Some forms of sexual harassment of a student by another student may be considered a form of child abuse, which would require that the student abuse be reported to proper authorities in compliance with State law.

Rule 4 Weapons and Dangerous Instruments. A student shall not possess, handle, or transmit a knife, razor, ice pick, electronic stunning devices, explosive, sword cane, machete, firearms, fireworks, pellet or air rifle, pistol or other object that reasonably can be considered a weapon. Included in this prohibition is the use of chemicals and gases, such as mace or stink bombs. A student shall not fire, display, or threaten the use of firearms, explosives or other weapons on school premises. This rule does not apply to normal school supplies such as pencils or compasses unless they are used as weapons. School supplies that cause injury will be treated under Rule 3 and may result in suspension, expulsion, or permanent exclusion.

Rule 5 Narcotics, Alcohol, Drugs, Counterfeit Controlled Substances, Sale or Distribution and Drug Paraphernalia. To promote an alcohol and drug free school, Olmsted Falls City School enforces regulations,

which prohibit student contact with alcoholic beverages, intoxicants, and drugs-of-abuse prior to (same calendar day) and during times the student is subject to the authority of the school. A student shall not possess, use, show evidence of use, transmit, sell, conceal or consume an alcoholic beverage or intoxicant or any drug-of-abuse. This provision shall be applicable to any conduct on school grounds, during and before or after school hours; on school grounds at any time when the school is being used by a group; off school grounds at a school sponsored activity, function, or event; on a school bus or conveyance; or at any other time during the same calendar day when the student is or will be subject to the authority of the school. Moreover, the student shall not consume any alcoholic beverages or intoxicants or drugs-of-abuse at any time before the student's arrival at school or at a school sponsored or related event or activity or manifest evidence of such use, such as odor, reddened eyes, or other similar characteristics. Examples of drugs-of-abuse include, but are not limited to: narcotic drugs, hallucinogenic drugs, generic drugs, amphetamines, steroids, barbiturates, marijuana, glue, cocaine, as well as look alike substances, synthetics, or other substances that could modify behavior. Students shall not possess, use, transmit, sell or conceal any drug-of-abuse instrument or paraphernalia. This includes, but not limited to the smoking of and/or in possession of any electronic, "vapor," or other substitute forms of cigarettes, clove cigarettes or other lighted smoking devices may be considered drug paraphernalia.
If there is, in the opinion of the administration, reasonable cause to believe that a student has consumed an alcoholic beverage in violation of the above rule, the student may be requested to submit to a chemical analysis of breath to determine the presence or absence of alcohol.
Use of drugs in accordance with a medical prescription from a licensed physician shall not be considered in violation of this rule. However, all such drugs must be maintained in their original container and submitted to the office. Students found in violation of this rule may be suspended, expelled, and/or permanently excluded, may be referred to the Registrar of Motor Vehicles and to the Juvenile Court recommending a suspension of the student's driver's license/permit. Additionally, depending upon the nature of the offense, criminal charges may be filed.

Rule 6 Insubordination and Inappropriate Behavior A. *Insubordination.* A student shall comply with directives and the reasonable requests of teachers, student teachers, substitute teachers, educational aides, bus drivers, or other appropriate school personnel. Failing to serve Saturday School or discipline procedure shall also constitute insubordination. Severe or repeated non compliance may result in suspension, expulsion, or permanent exclusion.
B. *Inappropriate Behavior.* A student shall not behave in a disrespectful, belligerent, or in an otherwise inappropriate manner toward any individual mentioned in Part A.
Rule 7 Profanity and/or Obscene Language. A student shall not use profanity or obscene language, either written or verbal, in communicating with any other person. Included in this prohibition is the use of obscene gestures, signs, pictures, or publications.
Rule 8 Truancy/Unexcused Absence/Tardiness to School. Students are not to be truant from or tardy to school. Students who are absent or tardy but the reason for the absence or tardy is not valid are considered "unexcused". See the attendance policy in this handbook for more information.
Rule 9 Theft/Extortion. No administrator, faculty member, or other employee of the school district shall encourage, permit, condone, or tolerate any hazing activities. No student, including leaders of student organizations, shall plan, encourage, or engage in any hazing. Hazing is defined as doing any act or coercing another, including the victim, to do any act of initiation to any student or other organization that causes or creates a substantial risk of causing mental or physical harm to any persons. SURVEILLANCE CAMERAS

For students' safety and welfare, video cameras are placed throughout the building and school grounds. Actions recorded on these cameras may be used as evidence in disciplinary action. Any attempt to damage or interfere with the function of these devices will result in disciplinary action by the school and possible referral to local law enforcement.

TELEPHONE

The public telephone for students' personal calls is to be used only with permission from a teacher or the office. The office telephones are to be used only to conduct school business and are not available for students' personal calls.
In order to avoid interrupting a class, only messages of dire emergency will be taken by the office to a student.

TUTORING

See your school counselor or teacher for more information.

VISITORS

All visitors must report to the office and receive permission from the office to visit during school hours. Visitors will be required to wear a pass while in the building.

All OFCS school buildings utilize a comprehensive visitor management system called iVistor Management by Ident-A-Kid.

Founded in 1986, Ident-A-Kid has been a leader in school security nationwide with their iVisitor system in use by more than 7,000 schools across the country. The company is FERPA compliant and has signed the Student Privacy Pledge put in place by the U.S. Department of Education. This new visitor management system will help our district:

- Screen visitors entering our school buildings, generating flags for any potential issues.
- Generate highly visible and informational visitor badges, making visitors easy to identify.
- Maintain accurate, customizable records and improve communication.

How Does It Work?
Please review the following carefully so you will be prepared to follow the protocols associated with our iVisitor system. All OFCS school buildings have a single point of entry for visitors during the school day. The iVisitor system is set up at the main entrance for each building. YOU WILL NEED TO SCAN IN WITH YOUR DRIVER'S LICENSE OR STATE-ISSUED ID EACH TIME YOU VISIT THE SCHOOL DURING SCHOOL HOURS.

Upon your arrival at any of our school buildings:

- Your ID (Driver's License or state-issued ID) will be scanned into the iVisitor system
- During your first check-in using the new system, you will also need to enter information to set up your iVisitor profile. Please plan to allow a few extra minutes the first time you visit any of our school buildings this year.
- Once your initial profile has been established, you will simply scan your ID each time you come in.

Once your ID has been scanned, a personalized visitor badge will be printed for you.

All visitors must wear this badge at all times while in the school building.

Visitors must return to the iVisitor system kiosk to check-out when leaving the building.

Our school building will be utilizing the iVisitor system to screen and log all visitors entering a building during the regular school day to attend meetings, volunteer and/or pick up students (i.e., for a doctor's appointment). NOTE: For parents/caregivers simply picking up a student for an off-campus appointment during the school day, a visitor badge will not need to be issued, however the iVisitor system will still be used to log the pick-up.

VOLUNTEERS
Volunteers are welcome and very much appreciated at OFMS.

Chaperones
To volunteer and/or chaperone, parents must complete a background check.

- **Complete a BCI/FBI background check through the online portal.** The district has partnered with Sterling Volunteers to complete this online screener at no cost to the volunteer. Please access the link here to get started: https://verify.identakid.com/ofcs

Processing can take up to 5 business days. Once completed you will get an email notification from Sterling Volunteers. The school building offices will also receive notice of those approved to volunteer/chaperone. Please plan to complete this process well in advance of any scheduled field trip or volunteer activity so an adequate number of approved volunteers will be available. Final field trip chaperone confirmation notices will be provided by a building administrator.

WITHDRAWALS/TRANSFERS FROM SCHOOL

The school office and classroom teachers should be notified as soon as possible of an intended transfer. Parents will be asked to sign the district withdrawal forms when asking that their child's records be forwarded to a new school. Pupils will receive a class release form to be signed by the teachers. A transfer form will be issued the last day a student is in attendance. Student records may not be transferred to the receiving school if outstanding fees, fines or missing books are not received.

WORK PERMITS

Students over 14 and under 18 years of age working full or part-time jobs are required to secure a work permit from the school. Students may obtain proper forms in the Olmsted Falls High School Guidance Office.
