MONTHLY RECAP

Art Night

Thank you to everyone who joined us for our PTA-hosted Art Night! Our students had a wonderful time getting creative and painting their own beautiful sunrise or sunset masterpiece. We loved seeing each student's creativity and unique artistic style!

MONTHLY RECAP

PBIS Spray Day

One of our favorite traditions! Each year, we celebrate our students' outstanding behavior with PBIS Spray Day, a fun-filled all-school celebration featuring the amazing Danville Fire Department!

Our students got the chance to cool off, have some fun, and celebrate all of their hard work and positive choices this school year.

SPORTS

Basketball

Basketball season is my favorite season!!! The girls 5th & 6th grade have already started theirs by earning a W for both teams against Hoopeston. This year we have 9 games in total with 6 of them being home games. The girls are working very hard on the court improving their team play, court awareness, and all around basketball IQ.

Volleyball

Our 4th grade girls have been working hard to develop their volleyball skills and build a strong foundation for the upcoming years. They have been learning and practicing proper serving, passing, and setting skills. They have also been focusing on sportsmanship, perseverance, and teamwork during game-like situations.

The girls have enjoyed putting their new skills into practice through partner activities, drills, and scrimmages. It has been exciting to see their confidence grow as they learn the fundamentals of the game and apply them.

5th and 6th grade volleyball will be coming soon (November)! I can't wait to get them on the court and continue growing our volleyball program here at Northeast!
