

Hayden Elementary School Continuous Improvement Plan 2025-2028

Vision

We will cultivate a supportive environment where students feel a deep sense of belonging, are empowered to take ownership of their learning, and are guided to grow into compassionate, responsible individuals of integrity.

Mission

Love. Learn. Lead

Beliefs

- Teachers must be compassionate and passionate toward all students to inspire success.
- It is vital that parents be actively involved in their child's life.
- Learning is a lifelong endeavor that happens in a variety of settings.

Academic Achievement

Objective

Students will participate in authentic learning experiences to improve academic achievement.

Critical Initiatives
