

Hello and a hopeful "Welcome Back" to strings!

I hope everyone's school year is off to a good start. It's been lovely catching up with students after the summer break and I'm really looking forward to the 5th grade orchestra this year. This email contains important information regarding 5th grade string orchestra and a link to a registration form. If your student is NOT interested in continuing with string instrument instruction this year, you may disregard the rest of this email, and I wish them well on their future endeavors!

Orchestra students are expected to attend weekly orchestra rehearsals before school as well as weekly lessons that take place during the school day. I am in the process of scheduling lessons and will inform you of lesson days and times as soon as possible.

In school lessons and before school orchestra rehearsals will begin the week of September 14th.

Orchestra rehearsals are for 5th grade string students from Eldredge and Hanaford. They will begin on September 17th. Orchestra takes place in the Hanaford cafeteria every Thursday morning from 8:00-8:50am. You must provide transportation to Hanaford Elementary School. At the conclusion of each rehearsal, Eldredge students will be bussed from Hanaford to Eldredge for the start of the school day. Please note, orchestra students are expected to bring their instrument, music/Essential Elements book, a pencil and a willingness to learn to their lessons and rehearsals each week.

Our 5th grade orchestra are featured at Cole Middle School's 6th grade concerts, currently scheduled for December 16, 2026 and May 20, 2027. Please save these dates!

[Please complete this google form to register for 5th grade strings!](#)

As always, let me know if you have any questions. I'm looking forward to another rockin' year!
Stay tuned,

Ms. Curzio
