PARTICIPATION IN INTERBORO SCHOOL DISTRICT ATHLETICS

Participation in the Interboro School District athletic program is a privilege accorded to students who meet all eligibility requirements, are selected after a try-out period, and who represent their school responsibly. Playing time is not guaranteed and will be determined at the discretion of the coach. In this handbook, student-athletes and their parents will find information related to the Interboro School District Athletic Program. Please read it carefully.

ELIGIBILITY REQUIREMENTS

Interboro School District is a member of the Pennsylvania Interscholastic Athletic Association (PIAA), which has established certain eligibility requirements. Any student who participates in interscholastic athletics at a PIAA member school must adhere to all PIAA rules. Failure to comply with PIAA rules will result in loss of eligibility to represent the Interboro School District in interscholastic athletics. Additional eligibility requirements are set by the Del-Val Athletic Association and Interboro School District. These requirements must also be met by all Interboro student athletes. These requirements are summarized in this Handbook for student-athletes and their parents. Additional requirements are noted in PIAA and Del-Val publications. Questions regarding PIAA, Del-Val, or Interboro School District regulations should be referred to the Director of Athletics and Student Activities.

PRE-PARTICIPATION REQUIREMENTS

Each student athlete must turn the following into the Athletic Office every school year before participation in any practice or games for any interscholastic sport:

1. Interboro School District Athletic Code of Conduct sheet.
2. Completed Registration for Family ID which includes:
 - a. Section 1 - PIAA Emergency Information including medical insurance information.
 - b. Section 2 - PIAA Certification of Parent/Guardian
 - c. Section 3 - Understanding Concussion and Traumatic Brain Injury
 - d. Section 4 - Understanding of Sudden Cardiac Arrest Symptoms and Warning Signs
 - e. Section 5 - PIAA Health History
 - f. Section 6 - PIAA Comprehensive Initial Pre-Participation Physical Evaluation (CIPPE). The CIPPE form may not be authorized earlier than May 1st and shall be effective, regardless of when performed during a school year, until the next April 31st.
3. Interboro School District ImPACT Testing administered by Premier Orthopedics

Following completion of a CIPPE, the same student seeking to participate in Practices, Inter-School Practices, Scrimmages, and/ or Contests in subsequent sport(s) in the same school year, must complete the following:

1. PIAA Parent Recertification form - required before every subsequent season, signed no earlier than six weeks prior to the start of season.
2. PIAA Physical Recertification form - Athletic Trainer will determine if this form is necessary based on Section 5 information.

For Wrestlers Only:

1. PIAA CIPPE Minimum Wrestling Weight; this will be completed by one of the Interboro School District athletic trainers with the student.

REQUIREMENTS

Academic Requirements

A student-athlete must meet the following academic requirements:

- A student athlete must pursue a curriculum defined and approved by the principal as a full-time curriculum.
- Every student athlete is required to do satisfactory schoolwork.

The following regulations govern academic eligibility:

- During the season, coaches are notified on a weekly basis by the Middle School Athletic Director about the academic status of their student-athletes.
- If a student-athlete is FAILING a course(s) during the athletic season, he/she will meet with the coach or Athletic Director to discuss his/her academic situation but may continue to practice and play that week. If the student is FAILING two or more courses, then the student will be immediately ineligible in games and practices for the week (Sunday through Saturday).
- If a student athlete is FAILING any course for a second week during his/her respective season, they will be suspended from games for the week (Sunday through Saturday). The student athlete may continue to practice that week. The purpose of the weekly ineligible PROBATIONARY period is to give students time to improve their grades. A student remains on Ineligible PROBATION for the entire week.
- If a student athlete is FAILING a course for a third week during his/her respective season, he/she will be eliminated from participation in practices and games/performances for the week (Sunday through Saturday). The purpose of the weekly Ineligible PROBATIONARY period is to give students the opportunity to improve their grades. A student remains on Ineligible PROBATION for the entire week.
- Students are allowed THREE chances during the season to improve their grades. A fourth weekly ineligible infraction, whereas a student athlete is FAILING ANY COURSE(S), will result in the student removed from the team for the remainder of the season.
- Any student-athlete failing a course(s) for the marking period is ineligible for the (10) school days starting the first official PIAA date of the next sport season. Students failing a subject(s) at the end of a school year will be ineligible for twenty (20) school days. In that case, the ineligibility starts the first official PIAA date of Fall Sports.
- Students passing summer school courses may become eligible at the start of the new school year.

Students experiencing academic difficulty are encouraged to seek help by contacting their teachers and school counselors.

Attendance Requirements

- A student-athlete must be regularly enrolled as a full-time student in the Interboro School District or attend a charter or cyber charter school which does not offer the same activity or be homeschooled.
- If a student athlete is absent from school for a total of ten (10) or more days during a season, a student athlete will lose eligibility until he/she has been in attendance for a total of forty-five (45) school days following the student athlete's tenth (10) day of absence.
- All students are expected to arrive to school on time. Any student who is late to school and does not have a Doctor's note or administrative approval, may not attend or participate in any after school activity that day. This includes clubs, games, practices, rehearsals, performances, as well as building events, dances and proms. Expectations will only be made for doctor's appointments, funerals, or other emergencies as approved by the building administration. Exceptions must be pre-approved in writing by the Middle School Athletic Director and School Principal.
- The attendance requirement is in effect for all regular school days.
- Students who are excused from PE class or choose not to participate in PE class on a given day are ineligible for athletic participation (competition or practice) for that day.

Transfer Student Requirements

A student athlete is treated as having transferred whenever a student athlete changes schools, even if a student athlete is out of school for a period before entering the new school.

If a student-athlete transfers from one school district to another, a student is eligible immediately at the new school:

- When a student-athlete lives with a student-athlete's natural or adoptive parents in the new school district.
- When a student-athlete lives with a court-appointed legal guardian in the new school district, upon approval by the PIAA District Committee.
- Other situations are possible and are listed in their entirety at www.piaa.org.

If a student-athlete transfers from one school to another for athletic purposes, or if a student-athlete was recruited, a student-athlete will lose athletic eligibility for a period not to exceed one year. This requirement applies even if a student athlete would otherwise be eligible at the school to which a student-athlete transferred.

AMATEUR STATUS

To be eligible to participate in a sport, a student-athlete must be an amateur in that sport. A student-athlete will lose amateur status in a sport for at least a year if:

- A student-athlete, school, or an organization which a student-athlete represents, receives money or property for or related to a student-athlete's athletic ability, performance, participation, or services.
- A student-athlete accepts compensation for teaching, training, or coaching in a sport. A student athlete must receive normal and customary compensation for acting as an instructor in or officiating recreational activities, or for serving as a lifeguard at swimming areas.
- A student-athlete may receive awards only from a student-athlete's school, a PIAA sponsored athletic event, the news media, or a non-profit service organization approved by the school principal.
- Permissible awards are a sweater, jacket, blazer, blanket, shirt, jersey, watch, ring, scroll, photograph, metal plaque, or similar trophy, which must bear appropriate organizational insignia or comparable identification. The fair market value of the item must not exceed \$500.
-

All-Star Contests

Students will lose eligibility in the involved sport for one year if they compete in a “closed” all-star game where participants are chosen based on “reputation” of the athlete or referral/recommendation of others and where there is not a “tryout” process or uniformed standard of qualification. Participants do not represent the school and may not wear any school-affiliated uniform and/or apparel in the contest. If uncertain about participation, please contact the Director of Athletics and/or the High School Principal.

TRANSFER STUDENTS

Student-athletes who transfer after the start of a season and participated in a PIAA sponsored contest at a previous school will not be eligible to participate in that sport without obtaining a participation waiver from the PIAA. Students should contact the Director of Athletics and Student Activities to assist in the process of applying for a waiver. This process includes the school principal sending the waiver and the appropriate letter to the PIAA Executive Director. The decision will be rendered by the PIAA.

COMMUNICATION

The coaches and administration of Interboro School District welcome communication with student-athletes and their parents/guardians regarding athletic issues. Coaches and the Middle School Athletic Director, along with each school's Athletic Coordinator can be reached using the Sports You APP that each sport will utilize. Contact Coaches to discuss any issue regarding an individual student-athlete, including skills development and performance, team policies and regulations, and excuses for missed practices or contests. Contact the Middle School Athletic Director to discuss any health or safety concerns, the overall athletic program, transportation, and attendance exemptions, academic or eligibility matters, or any concern that is not resolved through a parent-coach conference.

TRANSPORTATION

Riding together as a team to and from an athletic contest is part of the athletic experience. The following regulations govern athletic transportation:

- All members of an athletic squad must ride to and from scrimmages and contests on school-provided transportation.
- Exceptions to the above policy, which will make it possible for a student athlete to compete and still meet other school or family commitments, may be granted at the discretion of the head coach and should be pre-arranged. School or family commitments are the only grounds for exception.
- To be granted an exception, the student-athlete must present a written request in advance from a parent or guardian setting forth the reason(s) for the exception. The request from a parent/guardian must include the method of transportation to be used, a statement of the responsibility for the student-athlete's safety, the date(s), and the event(s) for which the exception is requested. Written requests for exemption from student athletic transportation must be signed by a parent/guardian and must be hand delivered to the head coach by the parent/guardian.

INJURIES

Every effort is made to ensure that injuries do not occur. Students are required to follow their coaches' procedures for conditioning, warm-up, and stretching, cool downs and to exercise caution when using athletic equipment.

- In the event of an injury all students-athletes must report all injuries to the coach immediately so that proper treatment may be given. Do not leave practice or a contest without notifying the coach.
- There is an athletic trainer on duty after school. Should any athlete suffer an injury, the coach will call for the Athletic Trainer.
- Any student that sees a physician for any injury must turn in a clearance note to the athletic trainer from the treating physician.

UNIFORMS AND EQUIPMENT

Student athletes are responsible for equipment and/or uniforms issued to them. They will be required to pay for any equipment and uniforms that are not returned. Students are to return equipment and/or uniforms to their coach. No equipment/uniforms can be accepted by the main office personnel.

Bills will be issued for any unreturned items, and student-athletes may not: participate in the next sports season, receive a yearbook, graduation tickets/graduation ceremonies or athletic awards, purchase dance tickets, go on school sponsor trips, until bills are paid or items are returned.

All athletes are encouraged to be enthusiastic about the game and to exhibit the highest standards of sportsmanship.

Violators may incur loss of playing time or other athletic privileges, or suspension from the team for the remainder of the season. Student-athletes who violate school regulations regarding tobacco use and possession are subject to the same penalties outlined in the Interboro School District.

Athlete Attendance at Practices and Athletic Contests

- A student-athlete is required to attend all practices unless excused by the coach.
- Each sport will practice after the school day ends: 3:45PM start.
- If an emergency arises making it necessary for a student to leave school and the coach is not available, word may be left with the Middle School Athletic Director, the school building principal or counselor.

- It is the policy of the Interboro School District that a student will be excused from practice, or may be excused for lateness to practice, to obtain assistance with schoolwork or to make up quizzes, tests, and labs. Students must bring a note to practice stating the time they left these extra help sessions.
- Any lateness to practice or missed practice as the result of a discipline infraction, including the serving of a detention, will be dealt with according to each coach's stated policy.
- A student must attend and participate in seven (7) practice sessions before participation in interscholastic competition.
- A student-athlete is required to attend all games unless excused by the coach.
