New Information

Thank you to all our families who joined us for Curriculum Night last night! We appreciate you taking the time to connect with our teachers, learn more about what your children will experience this year, and continue strengthening the partnership between home and school.

It is hard to believe we are already in the final days of August! The first few weeks have flown by, and our Barnwell Bears are settling into routines, building relationships, and diving into learning. We are excited about the year ahead and grateful to have such a supportive school community alongside us.

Thank you for your continued partnership, trust, and support. We are off to a great start, and the best is yet to come!

Fall Picture Day – Please Mark Your Calendars!

This year, we have partnered with a smaller photography vendor, *Spoiled Rotten Photography*, to provide a more personalized and secure photography experience for our students. To accommodate this change and ensure a smooth process for everyone, we will be holding Fall Picture Days over **two** separate days.

Please note that the first picture day will take place immediately following the holiday weekend.

Picture Day Schedule	Grade Levels
Tuesday, September 8 th	3 rd , 4 th , and 5 th
Wednesday, September 9 th	PK, KK, 1 st , and 2 nd

Please mark your calendars and plan accordingly. Fall pictures are especially important, as these are the photographs that will be featured in the 2026-2027 Barnwell Yearbook.

Additional information regarding picture ordering will be shared as we get closer to picture day. Thank you for your partnership and support. We look forward to capturing our students' smiles!

Optional Student Device Protection Plan:

Barnwell families, the Optional Device Protection (ODP) enrollment window is open through September 25th. Coverage is available for \$50 per student for the school year, with a reduced rate of \$25 for students eligible for free or reduced-price meals. The plan includes protection against accidental damage and provides reduced deductibles for covered incidents.

We encourage all families to consider enrolling to help protect their student's device and ensure uninterrupted access to learning throughout the school year. The enrollment deadline is September 25th. For additional information or assistance, please contact the Fulton County Schools Technology Support Center at 470-254-4357.

Protect your student's device today and avoid unexpected repair or replacement costs later!
