What is a School-Parent Compact?

A school- parent compact is a written agreement describing how the school community – families, students, teachers and principals – agree to share responsibility for student achievement. The compact serves to bridge the learning experience between school and home. It explains how parents and teachers will collaborate to make sure all students reach or exceed grade-level standards.

Jointly Developed

The parents, students, and staff of Wesley International Academy will meet annually to discuss student learning needs based on current grade-level data. Our school-parent compact will be revised and based on those discussions.

We value our families voice and encourage them to contribute feedback at any time.

Wesley International Academy
2026-2027
School Parent Compact

*Our **vision** is to develop students who are global students and are academically competitive by international standards of excellence.*

Wesley International Academy Academic Achievement Goals:

By the end of the 2026-2027 school year, Wesley International Academy will increase math and reading proficiency by 3% as demonstrated on the Georgia Milestones. Additionally, Wesley will increase growth in our Economically Disadvantaged students by 5% as demonstrated on the Fall and Winter MAP scores. By the end of the 2026-2027 school year, CCRPI attendance rate will increase by 3% in the subgroups of special education and economically disadvantaged students.

Communication About Student Learning

Wesley International Academy provides multiple ways for families to access and connect to their students' learning.

- *Ask Wes* (school app)
- Curriculum night parent workshop
- Student services via school website
- Weekly Wesley newsletter
- STEM night parent workshop
- Report card conferences
- Class Dojo
- Infinite Campus
- Attendance Awareness Month Workshop
- Quarterly Parent University

Our families commit to:

- Monitor students' progress by accessing Infinite Campus
- Review students' homework nightly
- Attend parent/teacher meetings, when required, in support of students' academic success
- Support efforts for student to attend school daily and on time
- Seek support and resources as needed for the students' academic success
- Ensure that student comes to school prepared to learn each day

Our students commit to:

- Complete and turn in assignments on time
- Participate in school tutorial programs to build reading and math competency skills
- Use school resources to review and practice skills
- Be present, prepared and on time each day for school
- Participate in school activities to build critical thinking and application skills
- Ask for help when needed to achieve academic success

WIA commit to:

- Provide students with access to technology and provide online resources for each student
- Ensure that students are actively engaged in class to help reinforce critical areas of learning by providing individual, group and teacher lead learning sessions
- Provide tutorial programs for students needing additional support with classwork and/or assignments
- Work with students and their families to support students' success in the areas of math and reading
- Allow students the opportunity to explore math in real world context and collaborate with their peers through problem solving and critical thinking activities
