CELL PHONE AND SMARTWATCH USE REGULATIONS

“OFF AND AWAY”

On January 8, 2026, Governor Murphy signed legislation concerning student use of internet-enabled devices in New Jersey public schools during regular school hours, on a school bus, or during school-sanctioned events when the student is under the direct supervision of a teaching staff member or an employee of the Board.

To ensure a safe, respectful, and distraction-free learning environment, the following requirements (under district Policy and Procedures 5516) apply to all students in grades PreK through 4 regarding internet enabled devices, including **cell phones**, **“Smartwatches”**, **tablets** and **any other internet-enabled devices**. This does NOT include school-issued devices.

EXPECTATIONS

DURING THE SCHOOL DAY

- All student cell phones and smartwatches must remain “off and away” during school hours, including classroom time, specials, lunch, recess, and hallway transitions.
- Devices must be powered off and kept in a backpack upon arrival and throughout the school day.
- Any internet enabled device that is seen or used during school hours (goes against the above) will be secured by school staff and follow progressive discipline noted to the right.

AT OTHER TIMES

Unless the use breaks the Code of Conduct, our procedures for the following times will be in place for all grades:

- Is usage permitted on the bus? **YES**
- Is usage permitted before and after school? **YES**
- Is usage permitted on school-sponsored trips/events off school grounds during the school day (field trips) **YES**
- Under Teacher / Staff Member Direction
- Is usage permitted at school-sponsored events OUTSIDE of the school day (e.g. clubs)? **YES**
- In the event of a crisis/emergency? **YES, if available and under the direction of a staff member.**

PROGRESSIVE DISCIPLINE

First offense:

Verbal reminder; Device turned off and returned to backpack. Parent notified

Second offense:

Device confiscated by school staff and held in the main office for the remainder of the day (student can retrieve at the end of the day); parent contacted indicating the second offense

Third offense:

Device confiscated by school staff and held in the main office; Parent/guardian required to pick up device and sign off that this is the third offense

Fourth offense:

Device confiscated by school staff and held in main office. Parent/guardian required to pick up device prior to the end of the day and sign off that this is the fourth offense. Parent Conference and Guidance Referral for remediation plan, additional disciplinary actions and/or loss of privileges.

Beyond Fourth offense: Prohibited from bringing device on school grounds; Progressive Discipline and/or loss of privileges; Parental Conference.

- In the event of a family emergency, parents **should contact the main office directly**. Students will **NOT** be permitted to use personal devices to communicate during the school day.

FREE AND REDUCED LUNCH APPLICATIONS AND MEAL PRICING

We strongly encourage families to investigate whether they are eligible for Free/Reduced Lunch through the National School Lunch Program. **The income thresholds have been raised significantly this year and many more families may be eligible!** Please consider applying immediately so there are no disruptions in services.

Think you don't qualify?

You might! Income limits have increased, and New Jersey's limits are even higher than the federal limits – meaning many more families are eligible!
(Example: A family of four with an income of \$73,920 or less is eligible!)

Don't eat school lunch?

Still apply! If eligible, you may qualify for other benefits e.g. Internet discounts, reduced SAT/ACT, free AP testing, scholarships, grants).

Don't think it matters?

It does! The district receives additional funding based on the number of eligible students – and those funds support ALL students!

You must reapply EVERY YEAR.

See the [Free and Reduced Meal Application Page](#) for more information and links/forms to apply.

See our [NEW online menus!](#) These menus feature pricing, nutrition/allergen information, and links to applications and forms for our parents.

HIB (Harassment, Intimidation & Bullying)

The Jackson School District is committed to creating a safe learning environment for ALL of our students. When an organization responds quickly and consistently to bullying behavior, it sends the message that it is not acceptable. Therefore, we are deeply committed to preventing bullying, harassment, and intimidation in our schools. More information can be found on our district website. If you wish to report an incident of HIB, please complete a 338 form linked ([HERE](#)).

Linewize: Chromebook Monitoring

The district actively monitors student Chromebook activity both during the school day and after school hours. Please remind your child that any inappropriate searches or activity conducted at home or outside of school hours will still be flagged and may be reported to district security and, if necessary, the Jackson Police Department. We appreciate your partnership in helping students use their devices responsibly and safely.

Transportation Safety

The safety of our students and staff is our most important responsibility. It is vital that all parents and students understand that the expectations for good behavior and adherence to our Code of Conduct in school INCLUDE behavior on the school bus. Our bus drivers are dedicated to the safety of our students and must be able to focus on safely navigating their routes.

PARENTS AND GUARDIANS - WE NEED YOUR HELP!

- Please speak to your children about the proper way to behave on the bus and bus stop.
- Please review all the information on this page with your children.
- Please remind them that RIDING THE BUS IS A PRIVILEGE and that in accordance with the procedures we have in place to monitor and report bad bus behavior, it is possible to lose that privilege.

BUS RULES, PROCESSES and EXPECTATIONS

Violations can result in forfeiture of bus riding privileges.

1. Students are expected to respect each other and the bus driver and obey the driver at all times. Riding the bus is a privilege.
2. Students should be at their assigned bus stop 10 minutes prior to time shown on pass.
3. Students should wait 20 feet away from the road while at the bus stop and cross 10 feet in front of the bus.
4. While waiting for the school bus, be careful not to damage property at the bus stop.
5. Students must use their Student ID to scan on and off the bus.
6. Students must wear seat belts at all times while on the bus.
7. Students must be able to fit belongings on the lap and under the seat - nothing may be in the aisles.
8. The driver will assign seats - all passengers must remain seated while on the bus and keep their body inside the bus.
9. No eating, drinking or smoking on the bus.
10. Smoking or vaping on the school bus is not tolerated and will result in discipline.

Important Transportation Reminders

- Parents are always encouraged to accompany their children to the bus stop and supervise children. For students in Grade 2 or younger, parents must be at the bus stop to receive the child after school, or make arrangements with another adult to receive the child.
- Students must use their Student ID to scan on and off the bus. If your child loses his/her ID, they should alert the front office of their school (or their teacher if in elementary school) and a replacement will be made (\$5 replacement fee).
- Students should carry their Bus Pass with them when on the bus. A photo of the pass saved on a student's phone is sufficient.
- The Jackson School District's bus stops are created so that students do not have to cross busy roads. If you see your bus go past your child on the other side of the street - it means the driver is operating his/her route and will be picking up your child on YOUR SIDE of the road, by design. Please do not cross the road or wave the driver down to stop and cross the street to attempt to board the bus.

Important Note Regarding Need for Timely Pick Up

We do understand that there can sometimes be circumstances or emergencies that may delay your ability to meet your young child's bus or to pick up your child on time if he/she does not ride the bus. However, in repeated instances when a child must be brought back to the school - or if a parent is repeatedly late (15 minutes past dismissal) from picking up their child at the school - please be advised that this may result in a pro-rated child care fee. See "Students Returning to School After Dismissal" in this handbook.

In order to continue to strengthen school safety, students are issued student identification cards. Students who were in district last year should have and use their ID cards from the previous year. New students will receive their new Student ID cards in their homerooms. Please reinforce with your child the need to take care of this ID and to utilize it when directed to do so by their teachers and bus drivers.

- All students will be expected to use the ID card when boarding and exiting the school bus.
- Elementary students will hand the ID badge to their teacher when they arrive at school and will have it returned to them at the end of the day for the bus ride home (which minimizes losses during the day).
- If an ID card is lost the student needs to notify the appropriate assistant principal's office, so the card can be replaced. A \$5.00 replacement card fee will be applied.
- Any questions about the student identification card should be directed to the building principal (elementary).
- Students will NOT be stopped from riding the school bus if they have forgotten their card on a particular day. Bus drivers will have the ability to check them on and off the bus manually, but this will slow down the onboarding process, which could cause delays. Please know repeated instances of students forgetting their ID may result in parental contact and discussion.

Parent Conferences

November 2-4 2026

Schools are on a Shortened Day Schedule (9:10 to 1:40 p.m.) these days (lunch is served on Shortened Days)

Close communication between parents and teachers is essential for student success. Parents are encouraged to provide their valuable support as teachers and parents work together to help the students learn. Parents should plan to conference with their child's teacher during the school year, both to hear about his/her successes and to work to resolve problems or concerns. Parents may make an appointment for a conference by contacting the school secretary or by writing a note to the teacher. A time will be arranged for the parent to meet with the teacher during the teacher's conference period. In addition, teachers may ask for a conference with parents to discuss specific issues or to go over the student's progress to date. We encourage parents to attend these conferences to discuss their child's academic and behavioral progress with their teacher.

Report Card Distribution Dates

Standardized Testing

These dates will be emailed to you in a separate communication. Dates can also be found on our [Assessment Dates](#) page in our [Assessment and Grading](#) section of our website.

Signing Students Out of School

In an effort to ensure safety of the building, smooth transitions and minimal disruptions to instructional time, we encourage you to please refrain from picking up students early and to make doctor appointments outside of school time when possible. We understand emergencies do happen and occasionally plans change. We appreciate your keeping these disruptions to a minimum and encourage using the privilege of school bus transportation.

If you must sign your child out before dismissal at 3:20 p.m. on regular schedule days and 1:40 p.m. on shortened schedule days, please send a note and email your child's teacher to inform them so that your child will be ready when you arrive. Adults picking up students must be noted on the student's emergency information in the portal and have photo ID in order to enter the building.

Early sign out MUST occur by 2:50 p.m. on regular schedule days and 1:10 p.m. on shortened schedule days. Please note if you arrive to pick up your child, without prior notification, at dismissal time, prepare to wait.

1. All visitors must present photo ID before entering the building.
2. All visitors must register with the receptionist and obtain a visitor's badge to be worn while in the building.
3. Visitors who are expected will be allowed to go to the designated area.

4. Visitors who are not expected will need to state their business and a school employee will escort them to their destination if appropriate.
5. Requests for classroom visitation must be made **24 hours in advance** with the principal.

Students Returning to School After Dismissal:

Students returning to school as a result of a parent/guardian not being at the bus stop to receive them, will be placed in childcare at the walk in rate of \$75.00. The parent will be responsible for picking up their child from childcare. The same policy will hold true for students that are scheduled for parent-pick up, who are not picked up on time. Please be aware that childcare hours end at 6:00 p.m.

Parent Teacher Network

Membership dues: \$20.00 per family

The Crawford-Rodriguez *Parent Teachers Network, Inc.* is an independent non-profit organization dedicated to our children, and organized for the following purposes:

- To promote a positive learning atmosphere that will enhance the mental, physical and social well-being of the children of the school.
- ◆ To provide a positive channel of communication between administration, teachers, parents and students.
- ◆ To provide representation at monthly school board meetings.
- ◆ To provide education on issues of interest to all members.
- ◆ To provide materials, programs and opportunities to enhance the school curriculum.
- ◆ To provide families with social and/or academic opportunities to interact.

WE DO NOT SPONSOR ANY FUND-RAISERS THAT PROMOTE, REQUIRE OR ENCOURAGE DOOR-TO-DOOR SALES BY CHILDREN. OUR FUND-RAISERS ARE AIMED AT ADULTS IN OUR STUDENTS' HOUSEHOLDS.

Attendance

Students are expected to be in school every day. Attendance is closely linked with student success. A letter will be sent home on the 4th, 8th, 10th and 11th absences. **When a child returns to school after any absences, he/she must present a written explanation, signed by the student's parent/guardian acknowledging the student's absence.** The school's Attendance Review Committee (ARC) will monitor student attendance. On a student's 15th absence, the ARC will convene a meeting to develop an action plan for improved attendance at school. Students with poor school attendance may be ineligible to participate in special programs/activities/athletics including dances, trips. The ARC will communicate with parents throughout the year to document and encourage a student's attendance in school.

A student who has six (6) absences during a trimester or eighteen (18) for a full year does not meet the minimum instructional requirements. **Those students will be labeled as "chronically absent" by the State of New Jersey.**

Research shows:

- Children chronically absent in kindergarten and 1st grade are much less likely to read at grade level by the end of 3rd grade.
- By 6th grade, chronic absence is a proven early warning sign for students at risk for dropping out of school.
- By 9th grade good attendance can predict graduation rates even better than 8th grade test scores.

Absences can add up quickly. A child is chronically absent if he or she misses just two days every month!

RESIDENCY REQUIREMENTS - IF YOU ARE MOVING, WE MUST BE INFORMED

If you are moving from one house to another within Jackson:

You must provide proof of address change to the school registrar so we can update your records, alter your bus stop (if applicable) and determine if your child needs to be reassigned to another school. **It is your responsibility**

to let us know of any address change immediately. You can reach one of our school registrars on the [Registering Your Child webpage](#).

If you are moving out of Jackson during the school year and have a child in 12th grade:

Students in 12th grade whose parent or guardian have moved away from the school district on or after July 1st will be permitted to finish their Senior Year in Jackson with a discounted cost of tuition. These rates will be updated on the [District Tuition Program webpage](#) once established by the Board of Education. If you are moving and choose this option, you still need to let your high school guidance office know, but your high school senior will be allowed to finish their high school career here in Jackson. You will need to provide your own transportation.

If you are moving out of Jackson during the school year and have a child in grades PK-11:

Under a newly revised district policy, students in grades Preschool - 11th grade whose parent or guardian have moved away from the school district will be permitted to finish the year in this school district **with payment of tuition**. The student must maintain good standards of citizenship and discipline in order to remain in district.

- Please see the new [District Tuition Program webpage](#) for more details or contact Assistant Superintendent Robert Rotante at 732-833-4604 or rjrotante@jacksonsd.org.

Vandalism and Parent Liability

The parent or guardian of any pupil who vandalizes school property shall be liable for the amount of the damage to be collected by the Board of Education of the district in any court competent jurisdiction, together with civil suit.(18A:37-3)

Pupil Records

In accordance with requirements set forth in the New Jersey Administrative Code, Title 6, Chapter 3, Subchapter entitled "Pupil Record", local school districts are mandated to notify parents individually at least annually of their rights in regard to pupil records and shall make copies of the applicable state and federal laws and local policies upon request. Pupil records shall contain only such information relevant to the education of the pupil. Mandated pupil records are those pupil records which the schools have been directed to compile by New Jersey statute, regulation or authorized administrative direction. Examples are:

- Identifying pupil's name;
- Address;
- Date of birth;
- Citizenship and sex of pupil;
- Records of daily attendance;
- Description of pupil progress;
- History and status of physical health compiled in accordance with state regulations, and;
- All other records required to be kept by the state regarding the education of handicapped pupils. Permitted pupil records are those which a local Board of Education has authorized the district to collect by resolution adopted at a regular public meeting to promote the educational welfare of the student.

Examples are:

- Group achievement and intelligence tests and interest inventories
- Systematically gathered teacher or counselor ratings, and
- Observations and verified reports of serious or recurrent behavior patterns

As parents, you and your student have a right to individual privacy and the right to know concerning information gathered by the school. If you have any questions or desire to examine your child's records, you must arrange to do so by making an appointment with a building administrator.

Health Services

There is a certified school nurse assigned to every health Office during regular school hours. Students should report to the Health Office for any medical problem or when prescribed medication must be dispensed. Medication – both prescribed and over-the-counter – requires a doctor's written order and parental permission in order to be dispensed in school. Contact the school nurse for specific medication permission forms and to advise the school nurse if your student is receiving any medication at home.

Should your student require the use of crutches due to an injury or illness, a physician's clearance note must be provided to the school nurse.

Students should remain at home if they appear ill, parents/guardians should notify the Health Office about specific medical problems. All contagious childhood illnesses (e.g., Chicken Pox, Fifth Disease, Scarlet Fever) are to be reported to the school nurse immediately. In some cases, a physician's clearance may be necessary prior to the child returning to school. We consider fever to be present in a child whose temperature is above 100.5 degrees orally. All children with a fever should be kept home from school 24 hours after the fever is identified.

The School Nurse cannot diagnose or treat injuries that occur outside of school. Referrals will be made if the school nurse determines this action appropriate.

According to State Department of Education guidelines and district policy, the following annual health screenings, dependent on age, will be performed during the academic year: height, weight, and, commencing in Grade 5, scoliosis screenings. Hearing tests are performed yearly until Grade 4 and then every other year until Grade 10. Vision screenings are performed every other year beginning with Grade 1. Upon parent/guardian request, the Health Office will screen a student in the above areas if there is a particular concern. Parents who do not want their student to participate in any of the above screenings, must notify the School Nurse in writing.

Parents should notify the School Nurse if their child has been diagnosed with any chronic health problem or life-threatening allergic condition.

Preschool Health Screenings

Preschool annual health screening will be offered during the academic year: height, weight, and vision. Upon entering preschool, parents/guardians are required to provide proof of the child's completed dental screening.

Parents should notify the School Nurse if their child has been diagnosed with any chronic health problem or life-threatening allergic condition.

Illness

A student who becomes ill at school is sent to the Health Office. If it becomes necessary to send your child home because of illness, you will be notified and requested to provide transportation. Please keep your emergency numbers current. Photo ID is required to enter the building and sign out a student.

Observe your child for symptoms of illness before sending them to school. If your child says they do not feel well, anticipate a call from the school nurse and plan to pick up your child at school.

Keep children at home who do not appear to be well, especially those with sore throat, cough and runny nose. The presence of any rash excludes a child from school until a physician diagnosis is obtained.

A fever is defined by an oral temperature that is 100.5 F or higher. Any student with fever is excluded from school until 24 hours after a normal oral temperature of 98.6 is reached. In the case of a student absence, send a note explaining the absence to school. An absence of 5 days requires a physician note upon return to school.

We encourage parents to provide their child with tissues, should they be recuperating from a cold.

Lice or Pediculosis is a common pediatric problem. Should you see any signs of this problem, keep your child at home and notify the School Nurse immediately. Please discourage children from sharing articles of clothing, especially hats, brushes and headbands.

Health Regulations

Physical Education

Sneakers are required. Shoes with rubber soles are not acceptable. Play type clothes should also be worn on Gym day. Jewelry (of any kind) should not be worn during the Gym period. Students not adhering to the physical education dress code will be unable to participate which may affect their grade. Written permission is requested for any student to be EXCUSED from participation in physical activities. If the excuse is for more than two days, a doctor's approval may be necessary. Excuses should be directed to the School Nurses.

General School Rules

1. Students will show respect for all adults and their fellow students without exception.
2. Students will follow the directions of teachers and supervising adults at all times.
3. Physical aggression, verbal abuse, and/or profanity toward a fellow student or adult is not accepted or permitted for any reason.
4. Students are to enter, leave, and move through the building in an orderly manner. Running is not permitted.

5. Students are not to bring any inappropriate items that are not associated with classroom curriculum.

Students are expected to make good choices about their conduct and to behave in an orderly, courteous manner at all times. In the event a student acts inappropriately, there will be consequences in order to make it clear that this behavior is not acceptable and will not be tolerated. Bullying and dangerous student behavior on school grounds or on school buses will be punished.

When necessary, a student may receive LUNCH DETENTION or AFTER SCHOOL DETENTION. Three or more lunch detentions can result in student removal from school activities such as a trip and/or special activity. Parental notification will be made prior to the assignment of detention indicating reason and date(s).

Absences

When a child is absent, please send a note explaining the absence upon his/her return. If the absence is for more than three (3) consecutive days, please call the school nurse at 732-833-4690, Extension 4751 or 6513. Any absence from school interferes with the education process. We request that parents try to avoid unnecessary absences.

Birthday Party Policy

Birthdays may be celebrated at lunchtime in the cafeteria. To be sensitive to allergy concerns, non-edible items (e.g. toys, stickers, pencils) are strongly encouraged for these celebrations so that all children can participate in the celebration.

Outside treats for a class **MAY NOT** be delivered to the school, regardless of the reason; however, a child may bring in pre-packaged, individually wrapped items to distribute at lunch for his/her special day. Visitors are not permitted in the cafeteria. Birthday and/or Party invitations are not handed out in school, under any circumstances. However, parents are invited to have their contact information listed on the "class party list" which will be distributed to parents that join the list. Please contact your child's teacher directly for this information.

Drop-Off and Pick-Up of Students

DROP-OFF: *Between 9:00 AM and 9:20 AM – Main entrance on the lower level of the school.*

Several staff members will be on duty to supervise students during this time. Parents and guardians can find specific protocols for this procedure.

PICKUP: *Begins at 3:20.* Several staff members will be on duty to supervise students during this time. Parents and guardians can find specific protocols for this procedure.

Crawford parent drop-off/pick -up will only be accessed through the Camp Joy access road. Parents will not have access to the H.C. Johnson parking lot. Parents dropping off children are asked to form a line in the two traffic lanes. At 9:00 AM, we will begin escorting students into the building. Please do not release your child from your car before 9:00 AM .

At student pick up we will again place a barrier on the Camp Joy access road at 1:00 PM. We will remove the barricade at 3:10 to allow parents to enter the parking lot area and await dismissal.

Parents and guests who have meetings DO NOT NEED TO WAIT BEHIND THE BARRICADES. They can go around the obstacle, park in the visitor parking spaces and buzz in with our receptionist.

Please be patient during parent drop off and pickup. We anticipate well over 100 students (ages 3 through 10) will be utilizing the car lanes. This will take time. As always, ensuring the safety of your child is our number one priority.

EARLY PICKUP: In the event a child needs to be picked up early before dismissal, parents must do so prior to 2:50. *Parents/Guardians need to come inside and sign the child out with the receptionist. Others need a*

written note OR be on the emergency card to sign the child out with the receptionist. Please be prepared to provide proper identification.

Only students in Child Care will be admitted prior to 9:00 AM

(Procedures should be followed as per Child Care Guidelines.)

Tardy students (arriving after 9:10 AM) will need to be signed in by a parent with the receptionist. **Students are not to be dropped off outside when staff is not present.** Students **MUST** be walked into the school by an adult and signed in with the receptionist.

Different Bus

WE ARE NOT ABLE to grant requests for students to ride any bus other than their assigned bus to and from school.

Transfers

When a family plans to move to another school district, a transfer card must be made out for each child. The following information should be given to the office at least one week in advance, if possible: name, address, name of new school, the last day of attendance in Jackson.

You Would Like A Message Delivered To Your Child

In case of an emergency, give the message to the school secretary and it will be transmitted to your child. Children should not use cell phones during the school day.

Visitation of students during the school day by parents or guardians can be disruptive to the students' learning process. We discourage these types of interruptions to the academic day.

Early Dismissal/Releasing Students To Parents/Guardians, Etc.

It is school policy that a signed note is required to give permission for your child to be released to another parent/relative/friend. When taking your child out of school during the school day, the parent/relative/friend must sign the child out with the receptionist. Please send a note to the teacher when you intend to pick up your child prior to dismissal. Pick-up should be prior to 2:45 p.m. on regular schedule days and 1:05 p.m. on shortened schedule days.

Anyone picking up a child must be prepared to show a photo ID. This is a safety precaution to protect your child. Please adhere to this policy. Children will not be released to any individual who is not identified as an emergency contact for the student in the portal.

Emergency Closing Due To Inclement Weather – Early Dismissal and School Closings

The district will continue to use the automated voice calling system to notify of emergency closures. In addition, announcements will be made on the radio stations listed below and their websites. **Please instruct your child as to what to do in case you are not at home when he/she arrives following an emergency dismissal.**

Our district website www.jacksonsd.org is the best first resource for school closings.

The following radio stations will provide information during an emergency or inclement weather: WOBM 92.7FM or 1160 AM, WJLK 94.3FM or 1310AM, TV Channel 12 – News 12 New Jersey, or J-TV Channel 77 on Cablevision.

When inclement weather and/or poor road conditions indicate to police and school officials that school buses should remain off the roads, a decision will be made to close the schools or implement a delayed opening schedule.

The district may make a decision to implement a **two-hour delayed opening**. In the event of a delayed opening:

- All school schedules start TWO HOURS after their normally scheduled time.
- Students should be at their bus stops TWO HOURS after their normally scheduled time.

It is vitally important that your emergency contact forms are kept current. Please be sure to contact your school with any updates.

Personal Property, Money and Valuables

Any money should be brought in an envelope with the student's name and teacher's name clearly indicated. Any technology devices such as mobile phones, iPads and large sums of money should NOT be brought to school. Our school has a "lost and found". If an item is not recovered, please check with the main office.

The school, in order to provide a safe environment free of distractions to the educational process, will confiscate any item that is deemed dangerous or disruptive. Items of disruptive nature will be held by the teacher in a secure place and may be returned to the student at the end of the day. An adult will send all items that are believed to be unsafe, dangerous, or destructive to the office. If appropriate, the police or district security will be notified. Otherwise, the parents will be notified to pick up the article at school. If not claimed by the end of the year, it will be discarded. If such behavior continues, the home will be notified and a parent conference may be scheduled.

Reentry Into The Classroom After School Hours

Students sometimes forget books, assignments, or other items necessary for homework completion. However, for the safety of our school, please note that students and/or parents may not re-enter the school after students have been dismissed for the day. Please consider "Is this a critical item; will a note to the teacher suffice; can the child benefit by surviving the consequences"? Chronic forgetfulness is something that happens to the best of students.

Safety Assurance

This is a safe and secure building. We ask for your patience and cooperation with our policies and procedures. Identification is required when taking a child from the school. We welcome you to our school; however, please know that the safety of our children is a first priority. During the school day, only the flagpole entrance doors are open. During special events, bus ramps will be opened and a receptionist will be stationed upstairs. For safety reasons, parents must park by the flagpole entrance and sign in with the receptionist. (All other entrances are locked). Bus ramp parking is **NOT** permitted unless you are invited for a class activity at a specific time. Parking in bus slots for special events is permitted between 9:45 AM - 2:30 PM.

Homework Policy

Homework assignments should serve several purposes:

1. Homework should be a properly planned part of the curriculum, extending and reinforcing the learning experience of the school.
2. Homework should help children learn by providing practice in the mastery of skills, experience in data gathering and integration of knowledge, and an opportunity to remediate learning problems.
3. Homework should develop the pupil's responsibility and provide an opportunity for the exercise of independent work and judgment.

Time Limits

It is difficult to set time limits on homework, since students vary greatly in their rate of speed when working. In addition, the home environment may, or may not, encourage a concentrated effort. The following suggested times represent the maximum amount of time that a student should be spending on homework, for the average student. No daily homework assignments will be made prior to the weekend or preceding a school holiday. However, teachers may assign long range projects, which students may choose to work on over a weekend or school holiday. Teachers will provide ample notification about any long range projects or tests, so that students can prepare in advance. Additional, **independent reading for all students on a daily basis is encouraged to strengthen essential reading skills.**

These are the suggested maximum time limits for each grade level:

- Kindergarten 10 minutes – Four times a week
- 1st Grade 15 minutes – Four times a week
- 2nd Grade 20 minutes – Four times a week
- 3rd Grade 25 minutes – Four times a week
- 4th Grade 30 minutes – Four times a week

Parents should communicate with their child's teacher, so that necessary adjustments can be made and the homework load can be adjusted.

Work Missed Due to Student Illness

If a student is absent from school and the parent would like to request any missed work, then the parent should call the office to request any missed work before 10:00 AM. This will ensure that the teacher has enough time to gather the work and submit it to the main office by the end of the school day. Any request that is made after 10:00 AM will be made available the following day.

Absence and Work Missed Due to Vacation

It is preferred that student school attendance remains a family priority. It is acknowledged that circumstances within families sometimes necessitate a vacation when school is in session. When the vacation is anticipated, the teacher should be notified well in advance. When your child returns to school, they are responsible for the material that they missed. Any significant missed work will be assigned for completion within a reasonable time frame. During a student's absence, the class webpage can be referenced for topics that will be covered. However, teachers do not provide work in advance. Instead, independent reading, writing in a daily journal, and/or review of math facts can be encouraged.

Student Dress Code

Restrictions on freedom of students' dress will be imposed whenever the code of dress in question is unsafe either for the student or for those around him/her, or whenever it is disruptive of school operations and the educational process in general.

Specifically:

1. Students will not wear hats, caps, or other head coverings in the building.
2. No clothing, jewelry, or item that promotes violence, bigotry, profanity or use of a restricted substance.
3. Jewelry and clothing should not restrict movement, be distracting or cause a safety hazard to oneself or others.
4. No micro-mini skirts will be permitted. Skirts/shorts must be no shorter than mid-thigh in length. No boxers, spandex shorts or cut-off shorts will be worn.
5. No torn or tattered clothing.
6. All students must wear shoes at all times for safety and health reasons. No flip-flops or open-toed footwear allowed.
7. Students should not wear outer clothing in the building.
8. All shirts should cover students' shoulders, backs and come down to the waistline.
9. Tank tops and backless shirts are not permitted.

Jackson Township Schools Disciplinary Procedure for School Bus Infractions

According to Board of Education Policy and NJ State School Statute, riding the school bus is a privilege extended to our students, and while transported, they are under the authority of the school bus driver and subject to the following procedures. There are cameras on the buses, which will record the events of the run.

Student infractions include: Standing, abusive language, fighting, pushing, hitting, tripping, smoking, not wearing seatbelts, destruction of property and possession of drugs/medications are some examples.

These are suggested consequences for inappropriate student behavior. Serious misbehavior may necessitate more serious consequences at any point.

The primary focus at Crawford-Rodriguez Elementary School is on the academic success of every student. We seek to build within each child a love for learning, a sense of responsibility, self discipline, and respect for self, others and property. Students are expected to make positive choices to promote a safe and productive learning environment in class, the cafeteria, on the playground, as well as to and from school. While students consistently observe these standards and behave safely and appropriately, there are times when misbehavior and/or lack of academic

responsibility warrants interventions and consequences. The actions are necessary in order to make it clear that their behavior is not acceptable and will not be tolerated.

[Policy 3283 – Electronic Communications Between Teaching Staff Members and Students - See Online or Appendix for Full Policy](#)

The Board of Education recognizes electronic communications and the use of social media outlets create new options for extending and enhancing the educational program of the school district. Electronic communications and the use of social media can help students and teaching staff members communicate regarding: questions during non-school hours regarding homework or other assignments; scheduling issues for school-related co-curricular and interscholastic athletic activities; school work to be completed during a student's extended absence; distance learning opportunities; and other professional communications that can enhance teaching and learning opportunities between teaching staff members and students. However, the Board of Education recognizes teaching staff members can be vulnerable in electronic communications with students.

In accordance with the provisions of N.J.S.A. 18A:36-40, the Board of Education adopts this Policy to provide guidance and direction to teaching staff members to prevent improper electronic communications between teaching staff members and students.

[Policy 5350 - Student Suicide Prevention and Policy 5351 - Student Homicide Prevention – See Appendix or Links for Full Policies](#)

Students are encouraged to notify a teacher, guidance counselor or principal if a classmate makes a statement leading them to believe that the classmate may do some harm to himself/herself or anyone else. Student confidentiality will be guarded to the greatest degree possible.

As you may or may not be aware, childhood suicide is a growing national concern. We in the Jackson School District are fortunate to have a policy in place, which utilizes the expertise of our professional staff. These personnel will intervene in the event that a child makes statements or takes action that may imply that these thoughts are present. After a child has been seen, parents will be notified. Further intervention may be necessary.

[Policy 5512 - District Policy Against Sexual Harassment, Harassment, Intimidation, and Bullying - See Appendix or Link for Full Policy](#)

The Board of Education prohibits acts of harassment, intimidation or bullying. A safe and civil environment in school is necessary for pupils to learn and achieve high academic standards. Harassment, intimidation or bullying, like other disruptive or violent behaviors, is conduct that disrupts both a pupil's ability to learn and a school's ability to educate its pupils in a safe environment; and since pupils learn by example, school administrators, faculty, staff and volunteers should be commended for demonstrating appropriate behavior, treating others with civility and respect, and refusing to tolerate harassment, intimidation or bullying.

It is important to note that this policy applies to all acts of harassment, intimidation and bullying that occur on school property, at school-sponsored functions, on a school bus and, as appropriate, acts that occur off school grounds pursuant to N.J.S.A. 18A:37-14. The complete policy (Policy 5512) can be found at the Administrative Office, 151 Don Connor Blvd., Jackson, NJ, or on the district website. **It is also included in the Appendix of this Handbook.**

School authorities also have the authority to impose a consequence on a student for conduct away from school grounds in accordance with the provisions of N.J.A.C. 6A:16-7.5.
