FOR 2026-2027

CELL PHONE AND SMARTWATCH USE REGULATIONS

“PHONES IN LOCKERS. MINDS ON LEARNING.”

On January 8, 2026, Governor Murphy signed legislation concerning student use of internet-enabled devices in New Jersey public schools during regular school hours, on a school bus, or during school-sanctioned events when the student is under the direct supervision of a teaching staff member or an employee of the Board.

To ensure a safe, respectful, and distraction-free learning environment, the following requirements (under district Policy and Procedures 5516) apply to all students in grades 7 and 8 regarding internet-enabled devices devices, including **cell phones, “Smartwatches,” tablets, and any other internet-enabled devices**. This does NOT include school-issued devices.

EXPECTATIONS

BELL-TO-BELL EXPECTATIONS

- To support a focused learning environment, all personal electronic devices must be secured in students' assigned lockers during the instructional day.
- Upon entering the school building each morning, students are expected to proceed to their lockers and store all personal electronic devices before the homeroom bell. Devices should be off and must remain in the student's assigned locker throughout the entire instructional day and may not be carried on the student's person, in clothing, or in backpacks.
- Following the final dismissal bell, students may retrieve and use their personal electronic devices after obtaining them from their lockers.
- Students may not access personal electronic devices during lunch, passing periods, restroom breaks, or any other portion of the instructional day.

AT OTHER TIMES

- Is usage permitted on the bus? **YES**
- Is usage permitted before and after school? **YES**
- Is usage permitted on school-sponsored trips/events off school grounds during the school day (field trips) **YES** - Under Teacher / Staff Member Direction
- Is usage permitted at school-sponsored events OUTSIDE of the school day (e.g. clubs)? **YES**
- In the event of a crisis/emergency? **YES, if available and under the direction of a staff member**

PROGRESSIVE DISCIPLINE

IMPORTANT NOTICES

FOR 2026-2027

FREE AND REDUCED LUNCH APPLICATIONS AND MEAL PRICING

We strongly encourage families to investigate whether they are eligible for Free/Reduced Meals through the National School Lunch Program. **The income thresholds have been raised significantly this year and many more families may be eligible!** Please consider applying immediately so there are no disruptions in services.

Think you don't qualify?

You might! Income limits have increased, and New Jersey's limits are even higher than the federal limits – meaning many more families are eligible!
(Example: A family of four with an income of \$73,920 or less is eligible!)

Don't eat school lunch?

Still apply! If eligible, you may qualify for other benefits e.g. Internet discounts, reduced SAT/ACT, free AP testing, scholarships, grants).

Don't think it matters?

It does! The district receives additional funding based on the number of eligible students – and those funds support ALL students!

You must reapply EVERY YEAR.

See the [Free and Reduced Meal Application Page](#) for more information and links/forms to apply.

See our [NEW online menus!](#) These menus feature pricing, nutrition/allergen information, and links to applications and forms for our parents.

2026-2027 MEAL PRICING		
	Breakfast	\$2.30
	Lunch	\$4.00
	Milk	\$1.00
Prices are subject to change.		

HOLDING CENTER INFORMATION - AFTER SCHOOL ACTIVITIES

While there will NOT be subscription busing this year, there will be a holding center for students that stay after for clubs, sports, or extra help. It will be a supervised waiting area in the Media Center until 4:15 pm. Stay tuned from communication from the school for the start date, calendar, and pick up instructions. This will provide flexible timing for parents and guardians to pick up their child if they stay after school.

USE OF GENERATIVE ARTIFICIAL INTELLIGENCE (AI)

Artificial Intelligence (AI) is rapidly reshaping the educational landscape, offering powerful tools that can enhance teaching, personalize learning, and streamline administrative tasks. In the Jackson School District, we recognize both the opportunities and challenges that AI presents. As such, the District has adopted Policy 2365 to govern its use in tandem with the Jackson School District AI Plan. As we integrate these technologies into our classrooms, this plan provides clear, thoughtful guidelines that promote ethical use, academic integrity, and equitable access.

HIB (Harassment, Intimidation & Bullying)

The Jackson School District is committed to creating a safe learning environment for ALL of our students. When an organization responds quickly and consistently to bullying behavior, it sends the message that it is not acceptable. Therefore, we are deeply committed to preventing bullying, harassment, and intimidation in our schools. More information can be found on our district website. If you wish to report an incident of HIB, please complete a 338 form linked ([HERE](#)).

Linewize: Chromebook Monitoring

The district actively monitors student Chromebook activity both during the school day and after school hours. Please remind your child that any inappropriate searches or activity conducted at home or outside of school hours will still be flagged and may be reported to district security and, if necessary, the Jackson Police Department. We appreciate your partnership in helping students use their devices responsibly and safely.

Transportation Safety

The safety of our students and staff is our most important responsibility. It is vital that all parents and students understand that the expectations for good behavior and adherence to our Code of Conduct in school INCLUDE behavior on the school bus. Our bus drivers are dedicated to the safety of our students and must be able to focus on safely navigating their routes.

PARENTS AND GUARDIANS - WE NEED YOUR HELP!

- Please speak to your children about the proper way to behave on the bus and bus stop.
- Please review all the information on this page with your children.
- Please remind them that RIDING THE BUS IS A PRIVILEGE and that in accordance with the procedures we have in place to monitor and report poor bus behavior, it is possible to lose that privilege.

BUS RULES, PROCESSES and EXPECTATIONS

Violations can result in forfeiture of bus riding privileges.

1. Students are expected to respect each other and the bus driver and obey the driver at all times. Riding the bus is a privilege.
2. Students should be at their assigned bus stop 10 minutes prior to time shown on pass.
3. Students should wait 20 feet away from the road while at the bus stop and cross 10 feet in front of the bus.
4. While waiting for the school bus, be careful not to damage property at the bus stop.
5. Students must use their Student ID to scan on and off the bus.
6. Students must wear seat belts at all times while on the bus.
7. Students must be able to fit belongings on the lap and under the seat - nothing may be in the aisles.
8. The driver will assign seats - all passengers must remain seated while on the bus and keep their body inside the bus.
9. No eating, drinking or smoking on the bus.
10. Smoking or vaping on the school bus is not tolerated and will result in discipline.

Important Transportation Reminders

- Parents are always encouraged to accompany their children to the bus stop and supervise children.
- Students must use their Student ID to scan on and off the bus. If your child loses his/her ID, they should alert their assistant principal of their grade level and a replacement will be made (\$5 replacement fee).
- Students should carry their Bus Pass with them when on the bus.
- The Jackson School District's bus stops are created so that students do not have to cross busy roads. If you see your bus go past your child on the other side of the street - it means the driver is operating his/her route and will be picking up your child on YOUR SIDE of the road, by design. Please do not cross the road or wave the driver down to stop and cross the street to attempt to board the bus.

Student ID Cards

In order to continue to strengthen school safety, students are issued student identification cards. Students who were in district last year should have and use their ID cards and lanyard from the previous year. New students will receive their new Student ID cards in their homerooms. Please reinforce with your child the need to take care of this ID and to utilize it when directed to do so by their teachers and bus drivers.

- **All middle school students are expected to wear their ID cards at all times while in school and on the bus.** Students will use the ID card to sign-in in school offices such as guidance and the nurse and be used to purchase lunch.
- If an ID card is lost the student needs to notify the appropriate assistant principal's office, so the card can be replaced. A \$5.00 replacement card fee will be applied.
- Any questions about the student identification card should be directed to the appropriate assistant principal's office.
- Students will NOT be stopped from riding the school bus if they have forgotten their card on a particular day. Bus drivers will have the ability to check them on and off the bus manually, but this will slow down the onboarding process, which could cause delays. Please know repeated instances of students forgetting their ID may result in parental contact and discussion.

PARENT RESPONSIBILITIES and SCHOOL PROCEDURES & INFORMATION

VISITORS

All doors will be locked and visitors to the Middle School must show proper identification and sign in at the receptionist's desk of the school which is located by the Fine Arts Entrance. A visitor's pass must be worn at all times. Students are not permitted to have visitors during the school day.

EMERGENCY CLOSING

The school district carefully weighs the decision to close schools early as we know many parents work and do not expect their children to be home until the regular time. It may be necessary to close the school and/or dismiss pupils during the day due to a building emergency or inclement weather. **Students should know what to do in case parents are not at home when they arrive following an emergency dismissal.**

Our district website www.jacksonsd.org is the best first resource for school closings.

The following radio stations will provide information during an emergency or inclement weather: WOBN 92.7FM or 1160 AM, WJLK 94.3FM or 1310AM, TV Channel 12 – News 12 New Jersey, or J-TV Channel 77 on Cablevision.

PARENT PICK UP

Any child who is excused early from school must be picked up at the receptionist. Please notify the office in writing when an early dismissal is necessary. Please arrive at the school before 2:15 p.m. and we will call your child out of their last period class. If you arrive after 2:15 p.m., we may not be able to call your child down and you may need to wait for the 2:32 p.m. dismissal bell. Proper identification must be presented when signing out a student; if the driver is NOT listed in Genesis as having permission to pick up your child, we cannot release them. Additionally, we will not release a child to any driver under the age of 18 years old.

SCHOOL GROUNDS AFTER HOURS

Students are to leave school grounds immediately after school is dismissed. They should stay off the grounds unless they are to participate in school-sponsored events and supervised by a staff member. **Children should not come onto the grounds when night meetings are being held unless a parent accompanies them. Children must be accompanied by a parent/guardian in order to attend after-school athletic contests.**

Students staying after school for extra help with teachers will only be able to do so if they can be picked up from the school. **There will be a holding center after school for students who are staying for extra help. However, there will be no bus at the end of the holding center. The holding center will end at 4:15 pm. Any student that is not picked up by 4:15pm will lose the opportunity to use the holding center moving forward.**

PARENT CONFERENCES

Parents are welcomed and encouraged to come to school to conference with teachers. Appointments must be made to coincide with the teachers' schedules. This may be done through the Guidance Office. Call to make an appointment.

REPORT CARDS AND ACADEMIC PROGRESS

Report cards are released on the Parent Portal four times during the school year. They will indicate your grades in all subjects and attendance during each marking period. Parent conferences with individual teachers may be scheduled by contacting the Guidance Department at 732-833-4456. Student progress is available electronically throughout the year.

PORTAL SYSTEM

Parents/Guardians are strongly encouraged to view their child's grades and averages and report cards on the computer via the Parent Portal. You will be assigned a [Parent Portal](#) login ID and password when you register with the district. The following steps will allow you to obtain your Portal password if you have forgotten it or if you are locked out of the system.

Go to the district website at www.jacksonsd.org and look for the PORTAL button or use this [Parent Portal](#) link. When you come to the login page, look for the "Forgot My Password" item. Follow the instructions and put in the email address that we have on file for you and that you use as your Portal Login ID. You will receive a new temporary password, which will allow you to enter the system and change it to a new password.

If you have difficulty, you can send an email to portalsupport@jacksonsd.org. Please be sure to include the student's full name, the full name of both parents, the child's address, school and grade and your contact information. If you send the email from the account we have on file in the Parentlink system, your login information will be emailed back to you. If you are sending the email from another email address, we will have to contact you.

LOST AND FOUND

Lost articles may be found in the Main Office. Water Bottles and Lunch Boxes will remain in the appropriate cafeteria.

LOCKERS / BACKPACKS

Each student has been assigned a locker. Students are permitted to go to lockers upon coming into the building in the morning. Each student should memorize his/her locker combination and not share it with anyone else. Students are not permitted to bring locks from home to their lockers. Lockers should be kept neat and clean. Periodic inspections will be scheduled. No valuables are to be left in lockers. If a locker is in need of repair, the student must sign the Locker Repair Sheet, located in the main office. **THE SCHOOL IS NOT RESPONSIBLE FOR THE LOSS OF ANY ITEM FROM THE SCHOOL LOCKER.**

For safety reasons, book bags can be used to and from school; however, they are to be placed in the locker before homeroom and retrieved at the end of the school day. Book bags are NOT to be carried in school during the day. Book bags should be of a reasonable size and may not have wheels. Students may use a string bag to carry to their classes during the day if necessary. **THIS RULE WILL BE STRICTLY ENFORCED.** Please note: We are encouraging students to learn to use their lockers more effectively. We do not want them carrying all of their belongings with them throughout the school day.

LOCKER SEARCHES

Under the Constitution, all citizens are protected from unreasonable searches and seizures; however, this does not mean that students are legally protected from search and seizure of any materials in their lockers, which are school property. The student is accountable for the contents of his/her assigned locker. Any item, such as book bags, coats, etc. may be subject to a search. The school Principal and/or his/her designee will inspect lockers or other storage facilities provided for use by students periodically throughout the year. Lockers may be searched if there is reasonable suspicion that a violation of law or school rule has occurred or will be found.

DISCIPLINE

To guarantee a good social and educational climate, it is important that students understand that acceptable standards of behavior will be expected at all times. Discipline will be administered when any individual's actions interfere with the right of teachers to teach and the students to learn. Please review **District Policy 5600** posted under the Board of Education page on the district website. Students are reminded that any teacher or staff member in the school has the right to correct unruly individuals at any place and at any time. Students are expected to conduct themselves in an orderly, courteous manner at all times. The vast majority of the time, middle school students will meet these expectations. However, in the event a student acts inappropriately, there will be consequences in order to make it clear that this behavior is not acceptable and will not be tolerated. If the individual teacher has exhausted all interventions including teacher detention, parent contact, and Guidance/CST intervention, to improve behavior, the Vice-Principal will become involved. Consequences from an administrator may include administrative warnings, after school detention, in-school suspension, or out-of-school suspension. These expectations are clearly reviewed with students at the beginning of every year.

CONDUCT PROBATION

Students who receive in-school suspension (ISS) or out-of-school suspension (OSS) will not be permitted to join in or practice in any sport, club, activity, special function or participate in any capacity in the school's extracurricular program on the day of suspension. This includes class trips, dances, athletics and class activities that take place after school, during the evening hours, or on weekends.

STUDENT BEHAVIOR

The following are some examples of student behavior that violates school policy when they occur during school or school activities. This list is not intended to be all-inclusive. Students may be disciplined or suspended for any of the following:

- Cell phones, tablets, smart watches and headphones/airpods (and any other non-school issued internet-enabled device) are not permitted to be used during the school day. These devices should not be brought into the bathrooms.
- Possession, transmission and/or use of tobacco, e-cigarettes, vapes, drugs or alcohol
- Holding a cigarette or smoking paraphernalia will be presumed to be smoking
- Disrespect or insubordination
- The use of improper language
- Fighting
- Inappropriate displays of affection
- Rowdy behavior such as running, pushing, shoving, yelling or whistling
- Leaving a classroom or leaving school without permission
- Class tardiness or truancy
- Vandalizing, damaging or stealing school or private property
- Threatening, intimidating or causing bodily harm to any person
- Throwing snowballs
- Creating a school-wide disruption and substantially impacting the activities of the school day
- Assaults will be enforced pursuant to NJAC6A:16-5.7

PROBATION

Student behavior is not only a reflection of an individual, but also reflects the school and community. In an effort to maintain a high level of cooperation from our student body, we have initiated a disciplinary program of social probation. This concept came about through the joint efforts of the faculty, administration and students. It is a series of exclusions. Students on social probation will be subject to exclusion from:

- All after school/ evening activities/ team sports.
- Participation in the 8th grade class trip.
- Participation in the 8th grade dance.
- Participation in the promotional exercises.
- Participation in other school activities or functions as determined by the administration.

There will be adequate warning, as well as opportunities for success, if students are to be on social probation.

SCHOOL CHROMEBOOKS, MONITORING AND ACCEPTABLE USE

The Jackson School District implements a web filtering and safety system called Linewize. This system helps us maintain a safe and supportive digital learning environment for our students. Linewize monitors activity on district-issued devices and flags certain keywords or phrases that may require further review. When a search is flagged, district administrators receive a notification that includes the student ID number, the date and time of the activity, the category of concern, and an image of the search that was conducted. This system operates 24 hours a day, 7 days a week to help ensure student safety.

Keywords are grouped into several categories, including:

Violence toward oneself or others, Weapons, Bullying, Threats, General risk, Offensive language, Sexual Content

Students may sometimes encounter these flags when using AI tools, chat boxes, or conducting searches online if certain words or phrases are entered. In some situations, school administrators may follow up with the student and, if necessary, contact parents to better understand the context of the search.

We encourage families to take a moment to talk with their child about using their school-issued Chromebook responsibly. Thoughtful and appropriate use of technology helps ensure that our devices remain powerful tools for learning.

Repeated misuse of technology may result in student discipline as per Board Policy 2361.

PERSONAL PROPERTY

Students are advised against bringing large sums of money or items of considerable value to school. **The school cannot assume responsibility for the loss or theft of personal property.**

Students may not bring items to school for the purpose of selling to students or teachers. Such items will be confiscated and returned only to the parents at the end of the school year. These actions will be subject to disciplinary action.

DRESS CODE AT THE MIDDLE SCHOOL

Students' dress should be comfortable and in good taste. Clothing advertising beverages and tobacco products or containing inappropriate language and/or messages shall not be worn. Clothing and shoes should also provide for the safety of your child. Students may be asked to change their attire or be given a change of clothes if it is deemed necessary. Please see [BOE Policy 5511](#) for more details.

Students are required to wear sneakers on days they are assigned Physical Education class. Flip flops/slides/Crocs are not permitted for Physical Education classes. Flip flops are not permitted to be worn in school due to safety concerns.

EXTRA-CURRICULAR ACTIVITIES

During each school year, students will have the opportunity to participate in a number of special activities, clubs and events. Teachers and community members offer these activities as a way for students to investigate new areas and develop in those that they are especially interested in. Remember that while participating in these after school activities, students are still expected to follow the school's rules and represent themselves and the school in a positive manner. **Any student who is not present for at least 4 hours, for any reason, may not participate in athletics, dances, band, chorus, or any other extra curricular activity that day/evening.**

Dances - Tickets will be available to students prior to each dance. **Only JTMS students will be permitted to attend dances and socials. Parents must pick up their students promptly at the end of the dance. Failure to do so may result in the student being excluded from the next event.**

ATTENDANCE

Students are expected to be in school every day. Attendance is closely linked with student success. A letter will be posted in the Parent Portal after cumulative absences. **When a child returns to school after any absences, he/she must present a written explanation, signed by the student's parent/guardian acknowledging the student's absence.** The school's Attendance Review Committee (ARC) will monitor student attendance. The ARC may convene a meeting to develop an action plan for improved attendance at school. Students with poor school attendance may be ineligible to participate in special programs/activities/athletics, including dances, trips. The ARC will communicate with parents throughout the year to document and encourage a student's attendance in school.

If a child fails to attend school on a regular basis for no legitimate reason, but with the knowledge of the parent, the parent will be served a legal warning. If this does not remedy the situation, it may be necessary to proceed against the parents in court. A child who is absent from school without the knowledge or consent of the parent shall be considered truant and shall be disciplined in accordance with school policy. Repeated or continuing truancy may result in juvenile charges being brought against the child. Punctuality and attendance are important habits for students to develop and maintain. In accordance with the laws of the *State*, the Jackson School District requires students to attend school regularly to ensure continuity of instruction and classroom participation.

NJ State Law requires that we document all days when a student is absent from school. As such, the school will monitor your child's attendance and timely arrival throughout the year. Parents of middle school students are also encouraged to monitor their child's attendance via the Portal. **Note: Students who have missed 18 or more days of school, excused or unexcused, will be labeled as "chronically absent" by the State of New Jersey.**

Any student who is not present for a full day (at least 4 hours), for any reason, may not participate in athletics, dances, band, chorus, or any other extra curricular activity that day/evening.

IDEAS FOR HELPING YOUR CHILD

Parents can do their part to improve homework when they:

- Cooperate with the school to make homework effective.
- Provide your children with suitable conditions (desk or table, lights, books and supplies).
- Reserve time for homework and turn off the television, cell phone and computer. Encourage your children, but avoid undue pressure.
- Show interest in what your children are doing, but do not do the work for them.
- Understand that the school expects homework to be completed and returned.

GENERAL SUGGESTIONS TO PARENTS

- Encourage your child to come home immediately after school is dismissed.
- Students should not bring dangerous or distracting articles to school such as guns, knives, water guns, toys, radios, jewelry, electronic equipment, etc.
- Label all articles of clothing such as coats, gloves, hats, caps, sweaters, raincoats, etc.
- The school maintains a lost and found department. Please feel free to investigate if your child lost or misplaced something.
- Instruct your child never to converse with a stranger, never accept a gift from a stranger and never get into a car with a stranger.

- To leave the school grounds during school, your child must have permission from the Principal's office.
- If there is something that you want to know about school, something has happened at school that worries you or your child, there is a misunderstanding or you need more information for any reason, please see the Vice-Principal or the Principal.
- Visit the school. As a parent, you are not only welcome here but urged to visit. It is highly desirable that you attend the various meetings arranged by the Principal. You will also want to know your child's teacher. **If you wish to conference with a teacher, please call the Guidance Office and make an appointment.**

STUDY SKILLS

The student who studies well:

- Brings notebook, paper, pen or pencil and other necessary materials to class.
- Is an active participant in the classroom, listens well and takes part in discussions.
- Asks questions to understand the discussion if there is a problem.
- Plans work and schedules time for homework each day; makes sure the assignment is understood before leaving class.
- Uses what is learned and sees how each subject applies to the others.
- Strives to do their best work, not just enough to get by.

GUIDANCE & CHILD STUDY TEAM

Guidance Counselors and CST are assigned students alphabetically and will move up with the students throughout their middle school years.

STANDARDIZED TESTING

- Students participate in a variety of required and voluntary testing during the course of their middle school years. For a full understanding of our assessments, see the "[Understanding Assessments and Grading](#)" page on the district website. Below is a summary of some of the testing in which your child will participate (some are mandatory, others are optional and scheduled by students directly).
- NJSLA - The primary purpose of the New Jersey Student Learning Assessments (NJSLA) is to provide high quality assessments of students' progression toward postsecondary readiness and success. Each semester, course-specific NJSLA assessments are administered to students in the areas of ELA, Mathematics, Science (8th Grade only). For more info: [NJSLA Requirements](#).
- NJSLA-S Assessment - The New Jersey Student Learning Assessment for Science (NJSLA-S) measures student proficiency with the New Jersey Student Learning Standards for Science. The three-dimensional nature of the standards requires more complex assessment items and tasks. The NJSLA-S is only one component of a system of assessments that provide evidence about student learning.
- Dynamic Learning Maps (DLM)- The alternate assessment for students with the most significant intellectual disabilities in English Language Arts, Mathematics, and Science is called the Dynamic Learning Maps (DLM). The DLM test specifications and Essential Elements skill statements, used for instruction and assessment, are currently available and accessible via the DLM website. For information on the DLM, go to the [Dynamic Learning Maps New Jersey website](#).

[Policy 3283 – Electronic Communications Between Teaching Staff Members and Students - See Online or Appendix for Full Policy](#)

The Board of Education recognizes electronic communications and the use of social media outlets create new options for extending and enhancing the educational program of the school district. Electronic communications and the use of social media can help students and teaching staff members communicate regarding: questions during non-school hours regarding homework or other assignments; scheduling issues for school-related co-curricular and interscholastic athletic activities; school work to be completed during a student's extended absence; distance learning opportunities; and other professional communications that can enhance teaching and learning opportunities between teaching staff members and students. However, the Board of Education recognizes teaching staff members can be vulnerable in electronic communications with students.

In accordance with the provisions of N.J.S.A. 18A:36-40, the Board of Education adopts this Policy to provide guidance and direction to teaching staff members to prevent improper electronic communications between teaching staff members and students.

These personnel will intervene in the event that a child makes statements or takes action that may imply that these thoughts are present. After a child has been seen, parents will be notified. Further intervention may be necessary.

[Policy 5512 - District Policy Against Sexual Harassment, Harassment, Intimidation, and Bullying - See Appendix or Link for Full Policy](#)

Harassment, intimidation or bullying, like other disruptive or violent behaviors, is conduct that disrupts both a pupil's ability to learn and a school's ability to educate its pupils in a safe environment; and since pupils learn by example, school administrators, faculty, staff and volunteers should be commended for demonstrating appropriate behavior, treating others with civility and respect, and refusing to tolerate harassment, intimidation or bullying.

It is important to note that this policy applies to all acts of harassment, intimidation and bullying that occur on school property, at school-sponsored functions, on a school bus and, as appropriate, acts that occur off school grounds pursuant to N.J.S.A. 18A:37-14. The complete policy (Policy 5512) can be found at the Administrative Office, 151 Don Connor Blvd., Jackson, NJ, or on the district website. **It is also included in the Appendix of this Handbook.**
