

CHAMPIONS: WHERE LEARNING *and* FUN COME TOGETHER!

Fun, Safe, and Convenient Before- And After-School Programs

Inside your child lives a scientist, an artist, a teacher, a physician, a CEO. That's why we designed our curriculum to bring out the best in your children and help them develop stronger problem-solving, teamwork, leadership, and life skills. Our teachers inspire children to follow their curiosity across a breadth of subjects—creative arts, math and construction, library time, puzzles and games, and science—to foster mental, physical, social, and emotional growth.

Champions also offers programs during spring, summer, and winter break. No matter the time of year, Champions is there for your family.
