A weekly, *trunkated* note from Dr. B

The Bronstein Brief

Happy Friday, Somers!

Welcome to the 2026-2027 school year here in Somers! I hope all families, students, faculty and staff have had a great first few days back.

By now, most students have received a copy of our new SCSD Calendar (SHS students will be bringing them home by Wednesday).

There is a [PDF available on our website](#) for quick reference, but we encourage everyone to refer to communications from their child's school and visit the District website calendar for the most current information and to confirm event details.

Around the District

SIS students are already making the most of their new playground during the first week of school - climbing, sliding, running, and most importantly, having fun with friends. What a wonderful way to kick off the year!

Here's to a school year filled with lots of learning, laughter, and play!

Tusker Tidbits

We are thrilled to have Route 202 back open in time for the start of school this week.

Our thanks again to the Town of Somers and our local legislators for their advocacy to complete this project on time for the 2026-2027 school year.

TUSKER TOTS 'N' TEENS

Tusker Tots 'n' Teens is open to Somers CSD children ages 3-5.
