2026-2027 COURSE OFFERINGS

Prior to Fall 2025, students could select from three levels: Basic, College Prep, and Honors/AP. Starting Fall 2025, only a **General College Prep** track and **Honors/AP** courses will be offered, which will be reflected on student transcripts.

Students are not limited in the number of Honors, Advanced Placement (AP), or College Credit Plus (CCP) courses they may pursue. In addition, AP Precalculus was introduced during the 2024-2025 school year, further expanding advanced opportunities for our students.

Beginning 2026-2027, FHS no longer utilizes grade replacement. All courses taken are factored into GPA.

CCP courses currently being offered at FHS are affiliated with The University of Findlay and Rhodes State College.
