

1st Grade Virtual Learning Choice Board

No printer required. Choose **6 activities** to complete. Use paper, a pencil, crayons, books, and safe household items. Try to choose activities from different subjects.

1. Phonics: Word Family Hunt Choose a word family such as -at, -in, or -op . Say and write 4 words that belong to that family.	2. Handwriting: Best Writing Write your first and last name 5 times. Then copy one complete sentence from a book using your neatest handwriting.	3. Math: Make 20 Find 20 small objects. Separate them into two groups . Write an addition sentence to show your groups. Try it a second way.
4. Science: Living or Nonliving Find 2 living and 2 nonliving things around your home or outside. Draw them and tell how you know.	5. Social Studies: Rules Matter Think of 3 rules you follow at home or school. Tell why each rule is important. Draw one rule being followed.	6. Art: Shape Creation Create a picture using at least 10 shapes . Use circles, squares, rectangles, and triangles. Count and label the shapes you used.
7. Phonics: Beginning and Ending Sounds Choose 5 objects in your home. Say each word slowly. Write the beginning and ending sound you hear.	8. Handwriting: Sentence Practice Write 3 sentences about your day. Begin each sentence with a capital letter and end it with punctuation.	9. Math: Number Detective Choose a number from 1-100 . Write the number that comes before and after it. Draw that number with tens and ones.
10. Science: Observe Like a Scientist Choose one object from nature. Look closely at its color, shape, texture, and size . Draw it and write or tell 2 observations.	11. Social Studies: Community Helper Choose a community helper. Draw the person at work and write or tell 2 ways that person helps the community.	12. Art: Color and Pattern Challenge Make a picture that includes a repeating color or shape pattern . Circle the part of your artwork where the pattern repeats.

Optional teacher direction: Students may show work on paper, explain an activity to an adult, or submit a photo when appropriate.
