

SEPTEMBER PROGRAMS

**Sat
Sept 12**

Sunrise Hike
6:15-7:45 AM

Start your day off right by taking in the late summer blooms, listening to the sounds of nature, and of course a beautiful sunrise! Join us at Distillery Road Conservation Area for a guided 1-2 mile hike. **Registration is required.**

**Sat
Sept 19**

Volunteer Saturday - Seed Harvest
9:00-12:00 PM

Grab your friends and family and join BCCD for a morning of collecting native plant seeds! These seeds are added to our seed mixes used at various conservation district sites. No experience is necessary - we provide the tools and instruction, you provide the energy! **Registration is required.** More details will be provided as the date approaches.

**Sat
Sept 19**

International Observe the Moon Night
6:30 PM

Bring a chair or blanket and join BCCD, the Ida Public Library, and the Rockford Amateur Astronomy Club at Spencer Conservation Area at 1121 N Appleton Road for International Observe the Moon Night! We'll learn all about our night sky beacon and take a closer look through telescopes. This event is free to everyone. **No registration is required.**

**Sat
Sept 26**

BCCD's Fall Celebration
9:00-1:00 PM

Join us for some fall family fun as we come together for a planting party and plant native shrubs & trees at LIB Conservation Area! Other nature activities and delicious treats from Edwards Apple Orchard will be included for families to enjoy! **This is a free event, but registration is required. Please register at bccdil.org.**

**To learn more and register for programs, email
