Curriculum Overview

North Andover High School operates on a semester schedule and offers a curriculum that includes both weighted and unweighted courses. Students receive a weighted grade point average based on a 4.0 scale that includes all courses completed in the five core academic areas (English, World Language, History, Math, and Science). North Andover High School does not calculate class rank.

Graduation Requirements

North Andover High School calculates grade point average using the same method that the Massachusetts State Colleges use in their admissions process. Students earn 5 credits for every full year course and 2.5 credits for each semester class on their schedule.

Building Respectful Community - RAISE

Civic and character education is vitally important to the development of well-rounded students. Our Building Respectful Community (BRC) initiative highlights the values associated with RAISE through which...

***Respect.** North Andover students will think about others before speaking or taking any action. They will appreciate the contributions of others, while showing respect for themselves, other people, personal and/or community property and the environment.

***Achievement.** North Andover students will exercise their best effort and judgment in all activities in which they participate and will set goals that promote positive academic, social, and personal development.

***Inclusion.** North Andover students have a responsibility to break down barriers by inviting new people into teams, circles of friends, and experiences as they work to be a unified, collaborative community.

***Service.** North Andover students believe the growth and improvement of a relationship and community depends on the willingness of others to contribute support to the greater good.

***Empathy.** North Andover students will be aware of and consider another person's situation, feelings or motives before speaking or taking action.
