

RGS Sport - SOCS

Fixtures

Fixtures for both Senior and Junior School are published on SOCS and are listed by sport, age group, and team. Whilst every effort is made to publish fixtures a term in advance, there will be times when cup or rearranged fixtures are added at a later date. Please check frequently for any updates.

Information regarding departure and return times, kit requirements, and any other instructions will be included in the fixture details.

Team selection

In the Senior School, team sheets will be published on SOCS. Students and parents can access the team sheet by clicking the blue shirt and entering this year's password.

Students will also be emailed to confirm their selection. Parents of students in Years 7 and 8 will also be emailed.

In the Junior School, all parents will be contacted directly regarding selection.

In the Senior School, teams will be published for Saturday fixtures by Thursday 9 am. Teams are published for fixtures that take place during timetabled games lessons two days in advance. For fixtures that require students to miss additional lessons, we aim to publish teams seven days in advance. Please note that this is not always possible due to changes in availability and fitness.

Availability

We request that all parents who expect their child to be involved in sport look through the term's fixtures for all relevant teams and alert the member of staff responsible if you are aware of any external commitment that would make your child unavailable for selection.

In particular, our **Saturday fixtures** are the cornerstone of our sports programme and students who are selected are expected to play in these fixtures and represent RGS with pride. Saturday sport is a special component of independent school sport and we work in partnership with performance pathway programmes to enable students to represent the school; however, RGS fixtures should ordinarily take priority over club sport. Whilst we recognise that major family events, such as weddings and major anniversaries, will occur on Saturdays, we ask that careful consideration is given to any other commitment which may result in unavailability.

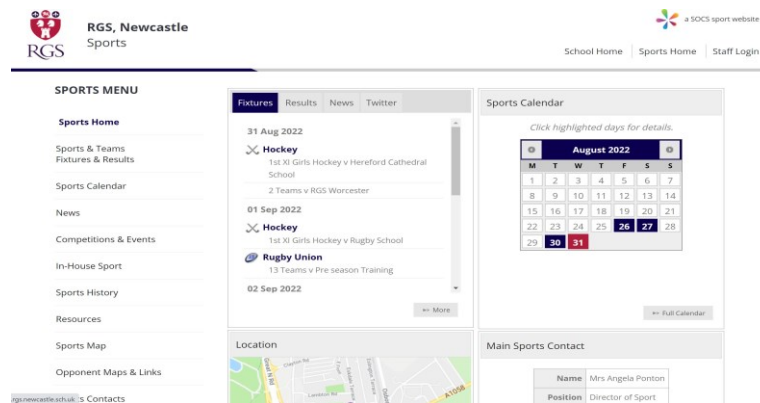

If your child takes school instrumental lessons you *may* have to give seven days' notice to rearrange (see your agreement with your specific Visiting Music Teacher).

Sports Practices

The weekly programme of sports practices and all other co-curricular clubs, activities and societies [is available here.](#)
